Thousands died of starvation, disease and hardships.

⁷ The Mayan, Aztec, Mexican, Peruvian, American Indian pyramids have a temple at the top. The pyramids are scattered over 350,000 square miles in Central America. They are as mounds in the Mississippi and Ohio river valleys. They are 78 ft high, with about 90 steps to a pyramid. Most are still buried underground. There was a period 2,000 years in Mexico when the building of pyramids was a virtual obsession. Among the oldest, one south of present day capital of Mexico built before 300 B.C., when the Mayan culture had yet to reach its full vigor. The most recent are the temples where the Aztecs practiced the horrifying butchery that Cortés and the fellow conquistadores tried to destroy.

⁸ Mao Tse Tung's Long March was touted as escaping the Soviet communists of the North and to march to the South for freedom. This was not the truth, it was for the possibility for Mao Tse Tung to come to power over the Mandarins. What he did was to inspire 100,000 people and the Long March ended with 30,000 people. Unbeknownst to the people who joined the March that they would be dying. The Kuomintang themselves asked those of Mao Tse Tung's gang of death-activists to abandon this genocide. It was however aimed at consolidating power with only the hardest ones to end with a military force so that Mao Tse Tung could come to power easily. It was suicide and never were the people shown this. The

NOSTRADAMUS: The priests have uncommon absolute power.¹

Long Marchers left the dead bodies on the road, for the wolves and hyenas to devour the dead, they went on, they did not even bury or cremate the dead.

¹ *The “great cow” at Ravenna into a great trouble*, the Ravine. The great cow means a profitable operation for the mafioso priests.

² *Led by fifteen shut up at Fornase*. Women were raped first by 15 men before throwing them down the ravine in the Mayan, Aztec, Mexican, Peruvian pyramids.

³ *The greatest ones in space*, hanged.

⁴ *Flood*, exposés of abuse of children.

⁵ *Chiefs*, popes.

⁶ *The house which will maintain the first one plundered*. Rarely are the killed entombed but butchered and disposed of in the Mayan, Aztec, Mexican cultures.

⁷ *The third toe will seem first*. Places such as Atlantic City and New Orleans, and California cities do not have adequate safety for its workers and musicians there for the casino cities.

⁸ **NOSTRADAMUS:** The Mayan, Aztec, Peru, Mexican culture included also the American Indians. Thus the Americans must be cognizant of their past, and to not see that they re-establish this absolute power over others and to kill people who do not conform as in the Indian Reservation casinos. They should be abolished in any case.

¹ The Spaniards were horror struck, sacrificing humans to their gods, they
threw down the bloody idols and erected Christian crosses in their places.
NOSTRADAMUS: The Mayan, Incas, Mexican, Peruvian, American Indian
power, and only share power among themselves in mafioso. The Mafioso rule
the community, there, at the top of the pyramids which were so-called temples.

The killed were those who stood in opposition to them. Women were raped, 15 to 1, then thrown
down the temple to die. The pyramid temples at the top had blood stained idols of worship that was a result
of the struggling and torturings that the men embraced the idols smearing them with blood. This blood
smearing of the idols was never cleaned off as it further empowered the Mafioso no different than the pits
of the Chicago mafioso used to torture people who were not obedient in extortion or on command. The
people were first tortured before killing them. This would cause these to return in subsequent
embodiments to obey absolute power. This was the precursor to many of the American people now, who
obey the absolute power of corporocracy. They also will obey the absolute power of the ruling families
throughout Mexico, Central and South America where they consolidate power and the families rule the
countries.

The Americans and Europeans must realize that this is a horror that is still seen from the
reincarnated priests from that time in these ruling families, although the ruling families are in every country
that were of this priest class and priestly Mafioso.

Under the Ron Paul Constitution, gambling would be limited to specific places such as Nevada
where the police are made to adequately meet the challenges. However it is more.

You who must establish living for True North Principle in the new Constitution of Ron Paul, the
reincarnation of Thomas Paine. The free people of the United States *must be able to recognize evil, not be
fooled by the masks of smiling and feigned courteous behavior* but to see where actions are not in keeping
with either the new Constitution as a free people in the Atom.

² *Will not come to close it promptly,... and one will be unable to prove.* The Spaniards were horror struck,
sacrificing humans to their bloodthirsty priests. They threw down the bloody idols and erected Christian
crosses in their places.

Also a reference to the sleeping sickness in Uguanda. The virus was supplanted by flies, being spread
by the settlers in Africa. And the problem would not be attacked by London without an investigation *two

people from the flies.

To perish in water Nimes, Toulouse⁴ the markets to fall.

Michel de Nostredame says this prophecy was seen to happen in 2009 regarding U.S. economy. What he saw was an upheaval in the stock market to last. And for the collapse to be for a much longer time than normal.

The economic upheaval as he saw would be partly due to the currency instabilities and withdrawal of the citizen trust on the White House handling of Social Security. Leadership from America must come from the White House as Congress is inept and too big.

NOSTRADAMUS: The 2007-8 collapse turned into a rout in the prophecy vision.

The prophecy did not come to pass for the low interest rates of 1%. The White House and Treasury increased the Federal deficit to tens of trillions of dollars to keep the stock market from the collapse as in 2007-8. This is their ongoing policy. As such, the President's Office expects China to take over as their *raison d'être*, they will not solve the currency, Social Security funding problems.

⁶ and carried off by a boar, The system of unfair trade through fixed currency system from Brenton Woods. NOSTRADAMUS: There is no other option for the United States except to default on both trade deficit and the fixed currency and floating currency system of Brenton Woods. They have no other option than to go to a system that based on the currency exchange rate being based on exchange based on item matched to item to be the same, such as labor costs.

⁷ *Foix* and *Pamiers*. *Foix*, fox. *Pamiers*, pampering. Manipulation by both the Federal Reserve and the Treasury Department. Then in cahoots with K Street mentality and corpocracy.

NOSTRADAMUS: This prophecy includes the kidnapping and hijacking of executives. It includes—

The mafia-like extortions of the media, TV stations, in programs that are propaganda for the corporations. It includes, the CIA assassinating anyone who might be politically not of the Cabal-corpocracy interests. It includes, killing competitors of corporations. To be in the assassinations of families or their families to be engaged in prostitution rings. It includes the prostitution rings of the witches under the direction of Presidents Clinton and Obama and, the drug trade coming into the U.S. through the President's office. It includes the manufacture of the amphetamines as the means to bring about the superman mental states in the CIA to kill Americans or to kill. The amphetamines used to take over the Pentagon, and to poison the employees at the will of China at the Pentagon and military bases. It includes the use of amphetamines by the witches in their prostitution to go about doing the castrations, or to train them to do raping of their children, training other America children to go into prostitution. It includes the CIA also involved in the castrations of Americans along with the prostitutes of the witches covens, and American women who are tied to the prostitution rings purpose of the ongoing of the 22 million castrations for inculcating among the Americans especially the targeted military bases, being "hooked on" having

¹ *Toulouse Carcassonne*, the major cities such as New York, Chicago, Federal Reserve cities, of the marketplace. Wall Street and commodities market.

² Currency Breton Woods agreement, corpocratry evil works, the sinister hatred of the U.S. and scandalizing of the U.S., and on the Supreme Court.

NOSTRADAMUS: From French, this would say the U.S. being extinguished occurs publicly, that the U.S. is no more in its place. The U.S. is no longer not only the leader nation, it will be taken over by other boarish nations simply for the currency and the market economy manipulations of the White House staff including the Presidents' Agenda, the Supreme Court, the CIA, the Pentagon, corpocratry, the major TV networks, AP and by the Treasury Department.

Aside from the dismantling of America's *raison d'être*, it however also the means that the U.S. will be extinguished, by the White House. This has occurred ongoing for more than 10 years, from their manipulation of both the CIA and FBI. The Presidents use their money buying-out policy with corpocratry, money from trust fund and non-profits, that those employees have been funded in this campaign by giving grants for salaries to the witches and rents paid of the covens throughout the U.S. They have the CIA to, without regard to their abuse of power, to have free reign to kill whomever the corporations say, with the police not looking, the FBI, not prosecuting. The quatrain surmises that the castrations would go on, even while overseas, the Administration would continue foreign assassinations to go on where this Presidents' agenda is to see to the handout of America to China that it comes to take place under this diabolical system.

Furthermore of the Nazism practiced in the genocide of Americans, they target older Americans, to by mafia extortion of its management or to buy out the housing unit and to systematically kill and rob them without anyone saying anything and where the local police are systematically given hush money.

³ So great a pestilence. **NOSTRADAMUS:** It is for their inability to protect the citizens from the heavy debts for amorality that the People require a different organization. For example in killabortion, that the People make such a heavy and onerous karma for the government sponsoring killabortions. For example, protection of the People in handguns. For example, not using the government to empower the CIA to kill for corpocratry. This moral ambiguity is crime, also in seen in the military to torture Iraq prisoners of war without moral equanimity and outrage from the Supreme Court.

Pertaining to the conversion to Protestantism in Europe.

A timeless prophecy.

The false doctrine is through using jargon words that are not helpful and insightful as purported but is a jargon that is beguiled through the twisted theology as in the story of Adam and Eve, as in the 5 Solas, jargon words: grace alone, where one does not need to account for karma. In the Catholic Nicene Creed, the jargon words: Jesus was crucified for us, meaning that he paid for all our sins and we have no further duty to balance our karma.

NOSTRADAMUS: Yet with the use of such words as *grace alone*, and *paid for our sins*, and *Holy Father*, you see how easy it is for you to be converted to illogical bias and thinking you now know more using jargon. And the Protestant Reformation was taking those who are not wary of discerning what are *false teachings* into having England declare Protestantism as its national religion.

It is nevertheless not easy to discern false teachings, and this you must learn to do, not to be beguiled. It was the fallacy of the French Revolution, that for the Reign of Terror, the closing of the Churches, the people panicked and would simply adopt whatever religion was *jargonized* in order to bring law and order but it would be about a false teaching that they would go on another path— such that France has not recovered to the holy apostolic tradition that had been of its heritage before, and this is since the French Revolution.

Yet not all these were pure and holy such as Henry Olcott who was using the group diabolically, even while Helena Blavatsky and William Judge were legitimate seekers into Cosmic Law.

Alice Bailey was seer for Dwal Kul and this turned into a mixture of her misunderstandings and his complex explanations of the solar system, higher mind, love nature, true self, higher consciousness, lower mind, emotions, etheric body, geometry, numbers, cosmology and some astrology. Essentially, it turned into a rout as she was unable to understand from his level what he was trying to convey. NOSTRADAMUS: A foretelling of the atheism in America a Christian country for the scientists in America who promoted the Relativism and Positivism and would not recant as its original founder. The nation America went forward in this wrong thinking of the separation of Church and State in the Atom.

Without a belief in God, you cannot even have a logical argument. You require recognizing the existence of God, the order of the worlds. As you need to have a means to have logical reasoning, it acknowledges the existence of God and order. And theology and the study of ethics, the placement of soul, conscience cannot be proven through science. Yet these are laws which must govern man. And as the authors of *anti-Positivism*, they would later abolish their theory, yet Americans have not.

What they said was that in the realm of science, you speak of measurable units with scientific experimentation. However in the language of games, you do not apply the same modality in your investigation of Truth using one game to describe another game. America is both hampered by its illogical condition to constitute spiritualism to superstition and to take upon its creed as a nation, the false theology of anti-God and anti-Christ of Relativism and anti-Positivism. Both are negative in an anti-ism and are nihilism. Both must be relegated to satanism.
