Defining Demagoguery

JESUS CHRIST: We begin the New Year 2017 anew.

MOTHER MARY: We take this opportunity to laud the priests of the United States for coming to fount of a thirst for wisdom.

JESUS CHRIST: We thank you for having the endurance and faith to hear this teaching of many days.

JESUS CHRIST: You at this point require this instruction as you need to formulate what is the mission of the Catholic Schools going forward as the United States Catholic Church.

POPE JOHN PAUL II, Ascended: This was a work in 2005 with myself and the bishop.

Definition of DEMAGOGUE

A leader who makes use of popular *prejudices* and false claims and promises in order to gain power.

Definition of PREJUDICES

Preconceived judgment or opinion. An adverse opinion or leaning formed without just grounds or before sufficient knowledge

JESUS CHRIST: The typist has requested that before proceeding to convey what values are of the holy Church that we cover this definition.

Typist: For the Catholic priests to move forward here, they have need to recognize what is demagoguery thinking.

ANDREA SELESTOW: She considers learning Accounting 101 as important as learning Demagoguery 101.

Nancy of Oregon: You are looking for *false teachings*.

FATHER MALACHI: The document chosen on the Catholic Schools is ubiquitous for its execution and delivery by the Catholic hierarchy, it is not at all to single out SJ Michael Miller, only that it is a small booklet. The writing is for lack of a word, chauvinistic, or egotistical.

POPE JOHN PAUL II, Ascended: What was of this book was to convey the mission of the Catholic Schools in the United States. I had not myself looked it over until now. Might I say that the spirit of education is not present here, whether as the author or as parent-figure.

He had the quotes noted, but he himself did not embody the understandings, so he would say such irreligious or agnostic formulations:

- Prayer **should be** a normal part of the school day.
- The sacraments of the Eucharist and Reconciliation in particular **should** mark the rhythm of a Catholic school's life.
- Mass **should be** celebrated regularly, with the students and teachers participating appropriately.
- Traditional Catholic devotions **should** also have their place: praying the Rosary...
- Ecclesial life and... **should be** evident in every school.

POPE JOHN PAUL II: It is not should be, I said this is what it means to have and to become a Catholic identity in the Catholic schools!

Mandarin: The United States parents will not accept that your dinner "should be" as announced from the cook in the kitchen. You are either going to serve the dinner or not.

FATHER MALACHI: The demagoguery is what we desire you to at this point in time, to see clearly.

Mandarin: As the Church cannot go forward if you are talking to a wall. Talking to yourself, seeing how you sound to yourself.

JESUS CHRIST: You see that against the backdrop of the loss of students in the Catholic Schools that this one who would say that it was for secularism when in the free press, the reasons were cited as the Church's ongoing policy on contraception, on the Church's pedophile polities, the policies to not shepherd the prejudice towards women as the nuns, schools not being affordable. And in this book, he says the opposite, that they are making the schools available for the ghetto children. So he also says that the reason why Catholic School enrollment is down is "secularism" which is also a lie. This is the thinking of a demagogue.

ANDREA SELESTOW: That actually was true a long time ago, when the Catholics were ones who lived in the ghettos—the Italians.

MOTHER MARY: This non-accountability, to make demagoguery political-correct statements based on a fact of the Italians in ghettos a long time ago is apparent demagoguery, and this is the instruction we would show you that you need to speak to people as you form the new United States Catholic Church that you not be found in this thinking as they cannot relate to you.

NATHAN the Judge: Do not turn a blind eye and a deaf ear to Jesus Christ's or the United States Catholic Church's need to have this a Church of Christ.

JESUS CHRIST: We have need for you to go higher here. I am Jesus Christ, speaking to the priests one and all— Church Universal—and Church Universal & Triumphant.
