**Mandate of Jesus Christ and Mother Mary
To be Implemented**

ARCHAEI MARY & JESUS CHRIST: You are to do the judgment call on the satanic ritual services locations AS OF today.

MOTHER MARY: What you can do is to take the Judgment Call 20.07 of The Summit Lighthouse and give it 12 times.

JESUS CHRIST: Later, you can as your next initiation,, it is to go on a few stumps.

ANDREA SELESTOW: The trains run all night from Boston to Washington D.C.

Nancy of Oregon: If you take the train to Washington DC, you can even return once you are there and not have to check into a hotel, although you may want to do that.

STEVEN ECKL: If you want to make it a longer trip, you can do the decrees while going through Albany New York.

JESUS CHRIST: This is your bridge. Take it.

FATHER MALACHI: The typist will speak to you about her bridge which is the same, the stump trips. First she will speak about what it means to do the Judgment Call.

Typist: I would do it for you. Only I have other things to do.

There was a time that I had to for 8 hours then longer, for a week, have to write out the call, and make the decrees for the judgment of the false hierarchy and satanic groups. It was at a time when the Main Altar had black magicians on them from their doing the black magic decrees. So that also included the study groups of Washington DC, Minneapolis, Chicago where they have taken on false teachings.

So I just obeyed. Saint Germain had me call for their judgment and at the final moment, a week later, the Karmic Board came in and took the decree work and enacted another judgment of theirs.

What I did was to download the photos of the places. And the Church Universal & Triumphant pictures were not much to them, except Chicago. I don't see. The false hierarchy groups had an intense cloud of black and grey or necromancy to them. You might say it was sounds of sirens coming out of the photos. I had the sense as if it were rap music coming at me from the photos.

FATHER MALACHI: You can imagine what was in Hostage to the Devil. Where they chanted "satan...satan...lord satan..."

Typist: So you actually do not have a choice. What Jesus Christ said to me was that not all the priests are as we are teaching on of Levels 1, 2, and 3. He said, some of the priests are Levels 5, 6 and 7 and so they are of my own heart. And so are you going to vomit doing this Judgment Call decree 20.07?, not really.

Nancy of Oregon: The “bridge” is that. It is that you make it safely over to the goal of liturgy by doing it. And so if you would take any of the decrees and give them on a train ride, it would help you to transition over.

STEVEN ECKL: You do not need to print all of them out. Just what you want to do.¹

ANDREA SELESTOW: The stump file we sent was of this order, that people left the Teachings and they needed to re-establish the Christ Teachings as their own. So do make this your understandings of “who am I” by basing it on taking the steps over the bridge first.

STEVEN ECKL: Jesus Christ says you would take the decrees and chant work you are to do, take the train rides, to give the calls for all the United States Church locations as your spiritual work that is a must as they need the Light infusion having had such infamous and satanic ritual and necromancy placed upon the Churches.

FATHER MALACHI: You will recall that Jesus Christ taught the apostles to cast out demons. It is part of the priestly duties so to speak but this is slightly different though you are doing the casting out of demons in the name of Christ but actually it is a new way that is thorough and effective although different.

STEVEN ECKL: Jesus Christ says some of the priests are actually higher than Level 7 and that they do take the bridge as they will be ascending once they are out of the body. However he needs the donkey to ride into Jerusalem so to speak and for you to stay and to re-establish the United States Catholic Church.

¹ **STEVEN ECKL:** Jesus Christ does thank Mary Galloway for putting the decree book on the internet.
