Pope's Teaching on Catholic Schools 6

Typist: Beloved Jesus Christ asks Pope John Paul II to have the time to speak anew and not to go over the remaining part of the book under review.

POPE JOHN PAUL II, Ascended: What the United States needs is not to hear my thoughts as the Pope for the Roman and worldwide Catholics. What you need to hear is my teaching of the culture of the United States and where that is going.

FATHER MALACHI: What he is referring to is in a recitation of the formation of the United States

FATHER STRONG: John Locke in England was a historian. He recorded the changes in England.

POPE JOHN PAUL II: Locke explains to the English people that the monarchy and anything that resembled authoritarian monarchical control went to the wayside. The "legislature" came to be, in through Cromwell and the power shift was through a *sleazy* for lack of a better word, emphasizing of individual rights of liberty such that there was no longer a following after the Copernicus understanding that God is at the center of the universe for earth.

The legislatures began here and there. The United States Constitution, that is now defunct—as legislatures have brought the atheism, the legislatures have brought the pollution, they have brought about the K Street lobbying, they have not brought forth the God education in the Catholic schools.

Nicolaus Copernicus

Mathematician

Nicolaus Copernicus was a mathematician and astronomer who formulated a model of the universe that placed the Sun rather than the Earth at the center of the universe.

Finally we shall place the Sun himself at the center of the Universe. All this suggested by the systematic procession of events and the harmony of the whole Universe, if only we face the facts, as they say, with both eyes open.

— Copernicus

JESUS CHRIST: The sun is a power that cannot be denied as the order of earth's axis. When there is an axis change or any substantial arrangement, it comes through the God Presence of the Sun. Whether it be a change from or of the office of Helios and Vesta as the Hierarchs in the sun of this system, or by decree of Cosmic Council as seen in Noah's Flood, the earth is governed by a Sun Presence.

FATHER MALACHI: This is not often spoken of, yet it has constituted a paradigm shift in this time period in the Coming of Helios Judgment.

POPE JOHN PAUL II: It is through the science of sound that you find this transcendent reality. Through prayer. Through the rosary.

FATHER STRONG: Certainly when you die, you find that there are other Hierarchs and universes beyond earth's control. Heaven is another reality, not only earth.

JESUS CHRIST: This is for those who have eyes to see and ears to hear.
