Confession Letters—*

Confession Letters

[Reference Material: Click "STUDY" or <http://howheal.com/gospel.html>.]

FATHER MALACHI: In the ministration to the Catholics which includes the gospel writing of Pope John Paul II it is the need of the hour. **Beloved ALPHA** when asked, is the United States Church the leader of the Vatican

and he said, **“Absolutely!”** He said **“The Light is here, and they would follow what is the Light of the new Catholic Church here.”** Thus you can see the work ahead of you, that this is the Word from on high, that you would receive this in this time of the unfolding of *Revelation*.

ARCHANGEL RAPHAEL: The period to write and burn the confession letters is over. We have received 117 letters. The letters are very specific and it is not possible to speak generally as they have to be answered individually. Some areas we can speak generally.

Typist: Many priests are asking if they marry or not. Would they if it is a practical situation to have someone help as a parish is a great responsibility and so as to not have to live in burn-out any longer.

Another concern is to marry to heal. Finding a normal relationship so that upon the ascension they do not meet the same fate as the Hindu and ascetic Buddhist monks.

So suddenly after taking the bridge, twin flames is a concept that looks different. Only 3% of twin flames continue on as twin flames. It is still taught but the concept of the Bride of Christ becomes a thousand times more important, and yet, this was not taught except of St. John of the Cross and I believe he went on the left-handed path. Why? This celibacy not overcome, is that they become rapists from the other side is my guess. As you recall in the Bible, it is said, the angels lusted after the Daughters of Men. The white lotus depiction of Hindu ascetic Babaji, well, he is in the same hole as St. John of the Cross or the ascetics — they ascend on karma balanced then they become obsessed want sex. Now! do you understand why the co-dependency work is part of the Second Advent Teachings?

MOTHER MARY: We will look over the confession letters and you can check back to see if there is a comment next to who you are.

FATHER MALACHI: In my case, I left the Jesuits and did become married. And you see it was *absolutely necessary* as I could not finish the work at hand without

having someone to do the post-office runs, the cooking and cleaning. Father Strong on the other hand had not these concerns to contend with.

FATHER STRONG: One major concern is if you can marry someone in heaven. Someone already in heaven would allow you to have bind with someone in companionship and sex as this is the person you are married to. You are not at all interested in marrying someone on earth but someone in heaven who is a better match for you for your Level in the Seven Stages of Consciousness.

ARCHANGEL RAPHAEL: This is allowed however you need to understand where others have had this allowed, were those who were celibate for some 10-30 years.

MOTHER MARY: Of course, some of you are of this already.

Typist: It requires that you understand—

1. *Great whore demons.*
2. *Necromancy.* Remember that Judge Nathan fell under Hitler's necromancy and did let Hitler go to Argentina to do some more killing of people.

ANDREA SELESTOW: The Second Advent Teachings teach that diet and medicine is a part of the healing power of Christ path.

Nancy of Oregon: There is also the option that you study homeopathy for a portion of your healing.

STEVEN ECKL: We studied books such as the children of alcoholic parents to learn of co-dependency.

Nancy of Oregon: We did an inner child workbook. We looked at our shame-based behaviors.

ANDREA SELESTOW: What are great whore demons? They are seen in both drugs and sex around the aura. They are many voices, that goad you on an addiction in sensation seductively.

Typist: I would not confuse the idea that men have been found psychologically to be more physical than women and therefore having sex is a must and those men who do not have sex as somewhat different. These are rather great whore demons "philosophy".

EMPEROR LeAMTHE: Striving to go higher is an option. Levels 1, 2,3 are primarily interested in food, sex, and money.

Nancy of Oregon: The Catholic Church has many philosophies.

NATHAN the Judge: So you might say, there is a time for you to abide in Christ Truth. That you do hear the voice of scripture and not the Aristolean, the Augustinian and the philosophies of your training. As first cause.

FATHER MALACHI: And a part of that training is to also to begin argument as you were taught as priests.

FATHER STRONG: You are hearing the first “but” that arises from your mind and to let it go.

ARCHANGEL RAPHAEL: We will end here. We will return with some answers to the confession letters.

ARCHAEI MARY: Can you add to your burned letter? Yes.

GOD HELIOS: You can see much of this answering is difficult without you already having taken the bridge.

	City/Suburb	Keyword:	Question/Concern
1	Boston	Blue Purple	<p>MOTHER MARY: Whilst the answer is yes, that this can be done— we would have you work on learning what is the co-dependency method.</p> <p>ARCHANGEL RAPHAEL: It would be later that the question is revisited. Largely it is that those people are Levels 1, 2, 3 and you are not.</p>
2	Washington DC	Orange	<p>Typist: The process of going in a new direction at this time is one in which takes time and learning. You would not berate yourself for not have all understandings.</p> <p>What you can do is take some Pulsatilla homeopathic medicine that has the keynote “likes empathy” and go about your life without much fanfare. You say at embarrassment, “This is mickey-mouse but I took some Pulsatilla and I am able to see what I want better now, although it may change again tomorrow.”</p> <p>MOTHER MARY: Try to attend 3 Alcoholics Anonymous meetings. You go and say, “I am an alcoholic behavior.”</p> <p>ARCHANGEL RAPHAEL: You have co-dependency issues. You would</p>

			approach the altar again after your homework completion.
3	Georgia	Chitlins	<p>MOTHER MARY: This one is not compatible. There is one that sits in the third row.</p> <p>ARCHANGEL RAPHAEL: So you would say, I have a change of plans after speaking to Mother Mary.</p>
4	California	Tuscaloosa	<p>Typist: What a woman in our church did was to have a man masturbate some men. And when that occurred, she was there in her astral body to be having the sex while this “training” went on with these men. They basically went berserk. The intention was to have them masturbate to her, and instead, the masturbation went uncontrollably.</p> <p>FATHER MALACHI: This is something that the Catholic Church does in the seminary. However it can be overcome if you would realize that you are sending your energy to someone and that this energy is yours for you, not for them.</p> <p>FATHER STRONG: Furthermore that you are binding to false authority and you do not want this. In other words, if you die, you will find you are still tied to this person as a slave on the other side. Unless you can break away now, you can even be lost into the centuries.</p>
5	Alabama	Beef jerky	<p>ARCHANGEL RAPHAEL: The word is not commit suicide. You turn yourself in at the police station to go to the electric chair.</p>
6	Jonestown	Women	<p>ANDREA SELESTOW: We had teaching after teaching on how you do not seek a path of death. Choose life not death was a teaching that Moses taught chapter after chapter. You would choose life.</p> <p>Typist: Your history is one that you would consider yourself one of the machos in Mexico that you would see yourself as needing to identify with the path of death, to eat candied skulls of relatives as they do in Mexico, throw people down the pyramids, stab them in the heart.</p> <p>In these mass rapings at the pyramids, men say they are so unbelievably handsome that they were obliging women by having sex with them in rapes. You would need to get off your high horse, go for a 12-step program that you have this addiction outpictured now.</p> <p>Mandarin: You are a coward to find work in the church where people kow-tow to you.</p> <p>ABRHAHAM-EMANZIANDIE: You are a sociopath. A psychopath.</p> <p>MOTHER MARY: You need to leave the Church.</p> <p>ARCHANGEL RAPHAEL: Do not come back. Any church.</p>
7	Florida	Toast	<p>ABRHAHAM-EMANZIANDIE: You are a predator. A stalker. A psychopath.</p> <p>MOTHER MARY: You need to leave the Church.</p>

			ARCHANGEL RAPHAEL: Do not come back. Any church.
8	Nebraska	Cheeta	ABRHAHAM-EMANZIANDIE: You cannot come back. You are a thief. A stalker. A psychopath. MOTHER MARY: You need to leave the Church. ARCHANGEL RAPHAEL: Do not come back. Any church.
9	So. Southern California	Noxious	Typist: There is a medicine for morality-structure breakdowns. The medicine you would take for awhile called Silphium. What the plant does is points due North like a compass. Nancy of Oregon: The sexual sympathy requires you to cut your ties with these people you are in need of socializing. ANDREA SELESTOW: Your enemy is socializing. You have Noxious Coonhound behaviors. MOTHER MARY: You would go to Alcoholics Anonymous meetings and you will meet better friends there who are also alcoholic behaviors. ARCHANGEL RAPHAEL: They may seem rough, but that is only their defensive behaviors. Typist: Binding to pornography is to an object/person. We have not talked about binding to sex itself. ARCHANGEL RAPHAEL: How long is that celibate period? <u>20 years</u> is a minimum. ABRHAHAM-EMANZIANDIE: The sex with dead bodies is what you have practiced. Mandarin: Well, you'll have a happier time being a eunuch for that time. JESUS CHRIST: The path to the ascension does not require celibacy, however in this situation, you need this healing path Typist: What he is asking is a valid question. If you have been a Saint Francis and you become an ascetic, would you not go back to being a playboy? <i>And I have seen this!</i> So what you do, is to take the initiations called the great teams of conquerors, come hell or high water, that you will follow the Ten Commandments. You will treat all infractions as running red lights. Mandarin: Russian roulette. See the gun at your head for even asking this question. EMPEROR LeAMTHE: See the bullet going through these <i>dick-heads!</i> ANDREA SELESTOW: You have to run with a different crowd! ARCHANGEL RAPHAEL: You go to Alcoholics Anonymous and when they go around saying, "I am an alcoholic" you instead say, "I am an alcoholic behavior. I am addicted to socializing. People's approval."
10	Macon	Jehovah.	JESUS CHRIST: Your acknowledgment that all is not in order is correct.

			<p>You would then learn of false teachings and go about being a pilgrim to find Truth.</p> <p>Typist: One study is on the definition of sex. Masturbation in heaven is not allowed with no uncertain terms.</p> <p>MOTHER MARY: This document will be edited. What it speaks of is sex with dead bodies that is not fully shown as how the Catholics have been throughout its history, being in this training in the United States.</p> <p>Nancy of Oregon: You would also learn to recognize demons that the Catholics do not cover.</p> <p>FATHER MALACHI: The demon you would study upon, for yourself is Pinniped (7%). And the other is Noxious Coonhound (4%). Work down those percentages.</p>
11	Georgia	Burned toast.	<p>NATHAN the Judge: You would not want to follow the Nazi's. Your acquiescing to the Augustinian bathhouse behavior of having erection success is heinous. You ought to have shame. Instead you join in.</p> <p>FATHER MALACHI: Augustine was noted for erections in bathhouses.</p> <p>Typist: You would be safer married in the outer Church. After a time, you grow more normal.</p> <p>Nancy of Oregon: You will see that "sex is no big thing".</p> <p>FATHER MALACHI: Sex is glamorized by the Catholic Church.</p> <p>STEVEN ECKL: You want to avoid backdirect or karma. Determine that you not become involved with the Catholic organization. Those who did the Heil Hitlering's had to bear the karma of Germany. So they for many decades balance the nation's karma.</p> <p>Nancy of Oregon: Even the fall of the Berlin Wall is not enough.</p> <p>ANDREA SELESTOW: In Greek myth, this is called Sisyphus. Christ is savior out of this condition through the straight and narrow way. You would be free of being Sisyphus, pushing the rock up the hill, Heil Hitlering, seeing the rock come down, and then having to push the rock up the mountain again.</p> <p>MOTHER MARY: You can do the stomping of the rubber duck.</p>
12	Pennsylvania	Margarine	<p>Typist: What you have as proving the "sexually active priest" as your raison d'etre, you would go to a 12-step program.</p> <p>FATHER MALACHI: The cause of your malaise has nothing to do with philosophy in other words.</p> <p>FATHER STRONG: You go to Sexoholic Anonymous.</p> <p>MOTHER MARY: Although you would be the one to marry in the outside Church, it is not enough. You need the 12-steps.</p>
13	East Southern	Minced	<p>Typist: This one raped an autistic or deaf mute many times saying they</p>

	California		<p>were in love.</p> <p>Nancy of Oregon: She had no way to speak. To cover over your crime by saying she is in love with you is a lie.</p> <p>ABRHAHAM-EMANZIANDIE: He thinks he is forcing open a door as she cannot do it herself so he thinks. This is rape. It is a pathological sociopath covering the eyes, typing up the hands, stuffing the mouth not to scream type rape.</p> <p>ABRHAHAM-EMANZIANDIE: You are a stalker, a sociopath. A psychopath.</p> <p>MOTHER MARY: You need to leave the Church.</p> <p>ARCHANGEL RAPHAEL: Do not come back. Any church.</p>
14	South Border Arizona	Tent City	<p>ABRHAHAM-EMANZIANDIE: You are a sociopath and psychopath.</p> <p>MOTHER MARY: You need to leave the Church.</p> <p>ARCHANGEL RAPHAEL: Do not come back. Any church.</p>
15 to 27	12 people	No letters	<p>MOTHER MARY: In the following photos, it is to show you what is still in the South as the slave driver.</p> <p>Nancy of Oregon: We show these photos that you might understand that such reports are true.</p>

	<p>Typist: This is organized crime against the nuns in 4 locations. He and 4 to 9 Negroids kidnap a nun or 2 nuns to the priest's bedroom. The nuns are blindfolded and slapped at times, told to perform fellatio. After orgasm, the nuns are returned to their convent by the Negroids.</p> <p>Mandarin: The Negroids are touched in the anus once or twice.</p>
---	--

ANDREA SELESTOW: These are of some prior teachings.

NOSTREDAME: This is clearly evil. You see that the Negroid is but a passerby. The intent of the white man is very evil. He is pictured here whether true or not, to do the same evil as Bill Clinton. The electric chair is not what he will do here but to punish him with beatings and dogs here, if that is what he is doing.

NATHAN the Judge: What you are seeing here are those ones who are possibly the same as Bill Clinton. They were the slave owners and reincarnated in the South. Thus it is best to have someone go to the electric chair than to be castrated and have their tongues cut out by the slave owners.

28 to 35	Los Angeles	No letters	<p>Typist: These are 9+ young nuns who were raped by 4 older men in a sequence. The mother superior says they are going for an initiation with a priest, and that they may be asked to clean their room.</p> <p>They go to the first priest and are raped. They go to the next one thinking this is not going to happen. They are not raped by the same priest more than once. To the inquiring priests, the mother superior tells them, that these are young men and this is not something she can stop.</p> <p>There have been two suspected murders. One of a young nun that is not too healthy. One nun left and was killed in an unknown homicide right after she left.</p> <p>Before Cosmic Council the nuns said that the mother superior talked of these murders with sadism, to them. Also they felt a do-this-or-else threat.</p> <p>In the history of Mormonism, you will see that there is the use of weapons. This is a fact. A priest says in righteousness, "I am doing this for God to save these (slaves) and God gave me this to do, to kill her brother who is trying to take her away." They proudly kill, they defend rape. It is a violent culture not easily detected as they are so cock sure in</p>
----------------	-------------	------------	---

			<p>fanatical-religious. This justification to kill family is found in the polygamy church.</p> <p>MOTHER MARY: This does come under organized crime for the police.</p> <p>ABRHAHAM-EMANZIANDIE: This is a slavery abuse of women. It is no different than the Mormon conditions where a priest considers it his right to father 100 children and abuse women.</p>
36 to 45	9 people's letters	Came Here For Homosexual Sex	<p>Typist: Before Cosmic Council, it was determined that at the Catholic Schools, that on average, there are 8 lesbians per school.</p> <p>STEVEN ECKL: The policy at the Second Advent Teachings of Jesus Christ Church was that if ever a homosexual was found, they are to be dismissed within the day.</p> <p>SAINT DIANE: The showers and sleeping areas are set-up and open for one gender and that these are dismissed to leave the same day is in order as they are evil to enter into the private showers and go about touching people.</p> <p>ANDREA SELESTOW: These lesbians or homosexual men are to be excommunicated additionally as they will say they were teachers at a Catholic school and go about being pedophile where they go.</p> <p>Nancy of Oregon: These lesbians or homosexual men give up their uniforms immediately upon leaving the same day.</p> <p>MOTHER MARY: They are not to use the word "Mary" or "Jesus" in their organizations, such as the Immaculate Heart of Mary, as this is evil.</p> <p>Nancy of Oregon: The pedophiles in the nuns are that they are demon possessed and eventually do with the hand pull out the sacred fire in a child by touching the genitals. The nun pedophiles are to be reported to the police. And the remaining lesbians or homosexual men whether they are teachers or priest or not, are to be ex-communicated and to turn in their uniform.</p> <p>NATHAN the Judge: Their call for justice as civil rights is not the issue that the Catholic Church is to hear. Your showers and bedrooms are open to one gender, and they are violators thereby of the privacy. It is as if you had a man go into the women's showers.</p> <p>It goes against Canon Law and these deliberately come into the Church for homosexual sex, and invariably, not on the Christ path.</p> <p>You furthermore have now the inner and outer Church that those who seek to have marriage, may do so within the Church.</p> <p>Women can finally move into the positions of priest so that the overwhelming number of priests and nuns in position are dismissed in 24 hours, is that you cannot be homosexuals, period. You cannot be in</p>

the United States Catholic Church, period. This is nevertheless the raping of the innocent whether in children or the straights, you are looking to rout out the criminals.

Typist: In my study of nuns forced into lesbian-ism, they go straight if given the chance.

JESUS CHRIST: We ask that you not give them this chance. They are to turn in their uniform, be ex-communicated and go on their own way to become straight.

MOTHER MARY: They will have to do their Church liturgy as a disabled person through the internet but they cannot come on to the grounds of the Church. Where there are mother superiors, they are likewise to be dismissed and ex-communicated.

FATHER MALACHI: Where the nuns are pedophiles, even on a small infant, they can through the use of the hand that channels energy, be touching by holding a small child and pull out their light through their sex demon, Tramp and Stupor Anteater and Tubeworm demons.

JESUS CHRIST: They can through the eyes do this, however this is the more difficult to ascertain.

The new United States Catholic Church leaders and priests and nuns cannot have any fiduciary positions filled by illegals to the holy Word. Homosexuality is Absolute Evil. It is not a venial sin as you have made it so. It is an Absolute Evil sin.

According to Roman Catholicism, a venial sin is a lesser sin that does not result in a complete separation from God and eternal damnation in Hell as an unrepented mortal sin would. A venial sin consists in acting as one should not, without the actual incompatibility with the state of grace that a mortal sin implies; they do not break one's friendship with God, but injure it

JESUS CHRIST: There is to be a third category of sin. Homosexuality is an Absolute Evil sin. Witchcraft is an Absolute Evil sin.

MOTHER MARY: Necromancy is an Absolute Evil sin.

FATHER STRONG: Using the name of Mary and Jesus for your Absolute Evil is necromancy, as in your organization named as lesbians "Immaculate Heart of Mary."

FATHER MALACHI: You are to leave the Church. Do not return.

			<p>Typist: What this means is that lesbians and homosexuals say that they miss the Church and therefore form their own organizations and say they are of the holy Catholic Church. And what they are saying that this is a cease and desist order.</p> <p>STEVEN ECKL: You are of the synagogue of Satan to do this. We have had people leave our Church and set themselves up as Messengers of Jesus and Mary and giving out their false teachings. They have at their death, not gone to hell or the compound, they have gone to the second death. So a word to the wise, this is a cease and desist order.</p> <p>FATHER STRONG: <u>Leave the Church of Christ alone.</u> There are demons and satanic fallen angels involved. You can go your own way without destroying the Church of Christ and live out your life's moorings.</p>
46	Georgia	Smart Phone	<p>Q: Might I take a sabbatical at this time?</p> <p>MOTHER MARY: It is a sacrifice to ask for you to stay.</p> <p>ARCHANGEL RAPHAEL: It is that the United States Catholic Church requires your attention. The next time for this is not foreseen as such.</p>
47	Los Angeles proper	Candle tapers.	<p>Q: Is the woman I am thinking the proper one to marry?</p> <p>MOTHER MARY: No.</p> <p>STEVEN ECKL: Well it is not "candle tapers" if that is what you are seeing. You have a Christ path before you not a worldly path. And there is time as there is Providence.</p> <p>JEWEL: What might be of such a Christ path in the Bridal Call? Napoleon Hill taught, "For every adversity is a seed of equivalent benefit" and you would see your life differently now, you would daily turn water into wine so to speak.</p> <p>Nancy of Oregon: Life moves. Life does not move with the Nicene Creed. You begin to see paradigm shifts.</p>
48	New York City	I am not a robot but drone bee with my programming.	<p>Martin Luther: What is to you the simple faith of the Salvation Army to give in graciousness and not the slimy ways of the shamanism with the dream work, you put aside now. As these at Salvation Army or the Catholic Charities are not simplistic, they are of Christ Light, and in pursuit of their own ascension path.</p> <p>Typist: The majority of the people on earth, called the heathens, are what is called the religion of the aborigines, tree people or <i>animism</i>. By your living in New York City, is that you can climb up to this great ladder of Jacob into heaven you never thought possible as a soul. Most of the animism are of people who live in trees and in non-temperate climates. New York City is about as advanced as civilization goes so to</p>

		<p>speak. The “false teachings” of the shaman is the anthropology of the animism, that the tree people have to reincarnate there in trees or a hut with 16 children that cannot be fed is that they have a great backdirect or karma to balance.</p> <p>STEVEN ECKL: This may have been due to the back-stabbing of the cannibals, the mafioso behavior of the Clinton types, the slave-drivers, slave-traders.</p> <p>ANDREA SELESTOW: Their idea of suffering is not Christ suffering. It is suffering at the hands of slave drivers.</p> <p>STEVEN ECKL: So you see the Christ teachings as one set in New York where you live, is to not ever, ever compare to the shaman’s as the paths are as oil and water.</p> <p>Nancy of Oregon: The Alaskans are not the same. The Eskimos may be cannibalists but not those Americans who went to colonize Alaska. Try to see this. That for the weather and geography, some are the richest people in religion and culture, bar none.</p> <p>MOTHER MARY: You see the California missions was a conversion of the barbarians to the Christ Teachings. Then you do not seek to compare, but to see how you might become a member of the Jesuit faith or the Spanish padres in the California missions.</p> <p>JESUS CHRIST: The shamans where you come from are witch doctors.</p> <p>Nancy of Oregon: They learn to manipulate primarily sex energy as power. The kingdom power of Jesus Christ is Christ power.</p> <p>EMPEROR LeAMTHE: The power of the metaphysicians were to control the demons. Which is also another power that Satan would tempt one away in.</p> <p>JESUS CHRIST: You seek the power of Christ Teaching, and you try not to seek the power of the witches, warlocks and the voodoo priests.</p>
--	--	---

MOTHER MARY: This document will be removed when we are through with the concerns.

ARCHANGEL RAPHAEL: These are confession letters. Some are asked to appear before Cosmic Council to answer for their letters.

	City/Suburb	Keyword:	Question/Concern
49 to	Jamaica New York	Trap	Typist: The issue of whether lesbianism can be accepted here in the United States since it is accepted in another nation is not negotiable if

54			<p>Mother Mary and Jesus Christ has said that this is not allowed in their Church.</p> <p>EMPEROR LeAMTHE: However what you will need to hear directly is the Word. You persist in black magic voodoo as your culture that is based on your not liking someone, so that, you will go to the black voodoo.</p> <p>Nancy of Oregon: Because you do not like the command of Jesus Christ and Mother Mary, you automatically say as do witches, "I never make a mistake. If I ever am found making a mistake, I will kill the other person." The practice of witchcraft is such a serious crime that you can go to the second death. The reason that you cannot admit you made a mistake.</p>
55	Pensacola	Not me.	<p>Q: Why do I have masturbation demon?</p> <p>FATHER MALACHI: It is from the black magic ritual that you attended where the tubeworm demon was passed to you.</p> <p>Typist: The demons of another can be passed to you not so much to "infect" you as that they do not want to carry the demon. So it is best that you fight back.</p> <p>STEVEN ECKL: What you can do is to do the 24/7 vigil that you are constantly in prayer. You do not have time.</p>
56	Gulf Coast	Trappist Monk	<p>Q: What do I do about the thoughts to castrate myself? Rituals of this sort catch my attention, I become debilitated that I would even think this.</p> <p>Typist: These are projections. You would remember the words of Jesus Christ, "The devil comes to find me, and finds nothing in me."</p> <p>ANDREA SELESTOW: When you have such a foreign thought, you would see that it is projection of voodoo and necromancy and that it is countered with the chanting or decrees.</p> <p>STEVEN ECKL: Try giving the 20.07 Judgment Call.</p> <p>Nancy of Oregon: Suicidal thoughts are projections. Most people have them and they are not real. The projections can come from necromancy.</p> <p>SAINT DIANE: You can say, "I'm not going there."</p>
57	Jamaica New York	Math Teacher	<p>Typist: The question is about Biblical knowledge. What is the Truth?</p> <p>Nancy of Oregon: This was asked of Jesus Christ and therefore asked of you. You must prove the law not necessarily to prove the science. In the Bible you read stories such as Jonah the Whale and there is no possibility for anyone to survive in a whale's mouth and come out. Rather this knowledge is in the form of myths which are a higher way of learning especially for children than logical thinking.</p> <p>Typist: Caribbean's would have their own sense of myths. They would</p>

			<p>need to see that they affect the subconscious in nefarious ways such as fear of the witch doctor. While they instill a fear such as horror of the monster that is scared into them as children, they do not say they are hocus-pocus as much as they try to see these are diabolical images. The Easter Island images from that area are there to scare people. And when the attacks of the subconscious mind and dreams occur, you go to the list of the demon names, you see which demon is there to attack you to suck out your light.</p> <p>Nancy of Oregon: They are real. Real demons. Easter Island demon is not listed but you can see that you understand the teachings of Jesus Christ to cast out the demons.</p> <p>ANDREA SELESTOW: It is also helpful that you learn to recognize the astral plane. You can read Father Malachi's book <i>Hostage to the Devil</i>.</p> <p>FATHER MALACHI: The demon you have is Stupor Anteater-Tubeworm.</p> <p>FATHER STRONG: 19%. As this is a high percentage, work it down.</p> <p>STEVEN ECKL: The Greeks themselves were logical however they also taught many myths. And they are necessary in the education of youth. It does not lessen their importance.</p> <p>SAINT DIANE: The New Testament was easily understood as parable which is how Jesus Christ taught. There is nothing to prove. When asked questions, you state the law, as in the parable. The poetry and language of the King James Bible adds another dimension to the parables.</p>
58	Southern California	Cheap Shit	<p>FATHER MALACHI: The demon you have is Black egg laying chicken. Noxious coonhound. Overdate mammoth. Conceal grasshopper.</p> <p>FATHER STRONG: All together 67%. As this is a high percentage, work it down.</p>
59	Torrance, CA	Bewitched	<p>FATHER MALACHI: The demon you have is Stupor Anteater-Tubeworm. Noxious coonhound. Overdate mammoth. Conceal grasshopper.</p> <p>FATHER STRONG: All together 95%. As this is a high percentage, work it down.</p>
60	Oakland, CA	Texas Oklahoma Border	<p>FATHER MALACHI: The demon you have is Cackle chicken. Conceal grasshopper. Overdate mammoth.</p> <p>FATHER STRONG: All together 69%. As this is a high percentage, work it down.</p>
61	Freeway from 5 into Los Angeles	Toast	<p>ARCHANGEL RAPHAEL: You will need to heal your condition over many years. You can begin with Mercurius Corrosivus 30c, 9 doses, 1 dose per</p>

			<p>week. You would take weekly the homeopathic medicine Kali Bromatum 30c for 5 years. [See bottom of howheal.com/heal2.html for "How to Stretch Medicine."]</p> <p>MOTHER MARY: You can also use Pulsatilla as needed. Its keynote is "likes empathy." or "likes sympathy."</p> <p>ABRHAHAM-EMANZIANDIE: We have many protocols on the website on healing the psychology and you would add those in. Work on reducing the addiction with great teams of horses.</p>
62	Freeway from 5 into Los Angeles	Jam	<p>Nancy of Oregon: Where you are being necromanced, you would give the Judgment Call. Write a letter of complaint and see if there can be a change to the injustice.</p>
63	Arizona	Combo	<p>Typist: Try to read a book on the violence, demagoguery of the Mormons. You can read the book <i>Obsession</i> by the FBI John Douglas that describes stalking and criminals. You can consider also working for the court system where you see criminals go to be tried.</p> <p>ARCHANGEL RAPHAEL: You will need to heal your condition over many years. You can begin with Mercurius Corrosivus 30c, 7 doses, 1 dose per week. You would take weekly the homeopathic medicine Magnesia Phosphorica 30c for 6 years. Ledum Palustre [Rosemary] 30c once a month for 4 years.</p> <p>MOTHER MARY: You can also use Pulsatilla as needed. Its keynote is "likes empathy." or "likes sympathy."</p> <p>ABRHAHAM-EMANZIANDIE: We have many protocols on the website on healing the psychology and you would add those in.</p> <p>FATHER MALACHI: In <i>Hostage to the Devil</i>, the history of the radio announcer is that his mother suffered prostitution to earn a living. Thus you would see that you read this and not become an invite to demon possession yourself. [See Z's at howheal.com/heal2.html]</p>
64	Freeway	Touchy	<p>ANDREA SELESTOW: There is no touching allowed at all between men and women in holy Church. It is a way to implant the sexual desire. You tell whomever touches you that: We have rules from Jesus Christ and Archael Mary. No touching.</p>
65	Calabasas	Jukebox	<p>ABRHAHAM-EMANZIANDIE: Do read the teachings on necrophilia again. We have many protocols on the website on healing the psychology and you would add those in. Work on reducing the addiction with great teams of horses.</p>
66	Topeka	Noxious Jumping Bean	<p>FATHER MALACHI: The demon you have is Cackle Chicken. Prey Incisor. Crane.</p> <p>FATHER STRONG: All together 46%. As this is a high percentage, work</p>

			it down.
67	Bossier City, LA	Joystick	<p>FATHER MALACHI: The demon you have is Prey Incisor and Crane, over 90%.</p> <p>Typist: There is a statute in Madrid Spain. It is in front of a government building A man is lying down and there is another man over him stomping with great force on his penis.</p> <p>EMPEROR LeAMTHE: We have spoken to many who are in need of healing. These who are castrated understand they are at rock bottom, and readily follow instruction to stomp on rubber duck. That does not mean the same as stomping on others as joystick, power-tripping.</p> <p>Mandarin: You are on the wrong train. You get off at this next stop. The people on this train are not going where you think they are going. If you want to play joystick, you go on another train, not this one.</p> <p>FATHER STRONG: You will have to get off the train. It will not take you where you want to go.</p> <p>SAINT DIANE: For someone with over 90% demon possession, they cannot stay. The percentage set by Jesus Christ is anyone over 75% demon possession give or take a few percentages, must leave and they are ex-communicated besides.</p>
68	Portland, OR	Marquis de Sade	<p>Mandarin: You will have to get off the train.</p> <p>Nancy of Oregon: One door closes another opens.</p> <p>FATHER MALACHI: The demon you have is Prey Incisor. Crane. Meddling and Obnoxious Fly.</p> <p>Typist: It is not possible to help someone with 74% demon possession from my experience, because they do not take fault. It is always someone else's fault, it is always they have to be punished. It does not work that way, one has to be willing to change, and accepting blame is a part of the process.</p> <p>EMPEROR LeAMTHE: You sincerely do not want to give up the old Catholic Church, do you?</p> <p>STEVEN ECKL: You cannot have it both ways.</p> <p>POPE JOHN PAUL II, Ascended: The Roman Church is a better fit for you. Not here in the United States where they respect the honor and cherish freedom.</p> <p>FATHER MALACHI: There is no time to speak of what is a demagogue. It is nonetheless a part of this demon picture.</p> <p>ANDREA SELESTOW: He is not someone but handsome. Wealthy. He is a millionaire.</p> <p>Nancy of Oregon: The demagoguery is not something that the new</p>

			<p>United States Catholic Church can really work with.</p> <p>EMPEROR LeAMTHE: With a combination of Prey incisor and Crane, these can be demi-gods and parade before the laity as God.</p> <p>Nancy of Oregon: Love to have the microphone in front of them. Shown taking pictures with the President in the White House.</p> <p>FATHER STRONG: All together 74%. We yet do not condemn, as this is a high percentage, work it down.</p> <p>Typist: We had a priest recognized for he wears the robes of a priest.</p> <p>EMPEROR LeAMTHE: Try to see this. Wear for a time instead, a surgeon gown, and see who you are.</p> <p>JESUS CHRIST: Anyone with Prey Incisor and Crane, I ask you to come to your senses. This train is not where you are going.</p> <p>HOLY AIMEE: You so named would wear the surgeon’s gown for a week as your costume that you not be chary in your obedience to Jesus Christ in love.</p>
69	West Hollywood, CA. Troubadour.	Lance	<p>FATHER MALACHI: That is quite true. That not only darthvators, but homosexuals target the Catholic priests to corrupt them.</p> <p>STEVEN ECKL: In that way, our Church is very different. We do not let these people in the gate. We have a gatekeeper. And with rules and protocols defined, it will show who will be ex-communicated for example.</p> <p>ANDREA SELESTOW: The code of conduct would already be something of a guardhouse effect.</p> <p>Typist: The rule of thumb is what I learned from Father Malachi. He said to ward off demons, you ask them to leave in no uncertain terms 5 times. Not rote-like, but strongly indicating your desires as you have free will, even if it is Satan.</p> <p>Nancy of Oregon: It applies to darthvators. If you would also call for Elohim Astrea, it is to help you.</p> <p>Mandarin: As they give you the heebie-jeebies, you sense they are around.</p> <p>ANDREA SELESTOW: The teachings said that you can sense demons as you walk through the city’s ghettos. So you would not go into those areas.</p> <p>Typist: I think the question he has is specific to Los Angeles. The entertainment industry there has an idol. And that is strumming your guitar imitating the Eagles. And if I were you, I’d ask for a transfer to a cleaner place than there if you are enjoying the Troubadour. What they have in West LA is heinous, in that they smoke marijuana-deathdrug, to</p>

			<p>solve their problems with the drughead mentality. They become prostitutes to pay for bread. And you might say this was the culture even from the 1960's, it has not changed that much since I was there. Beach drug-heads living near West L.A.</p> <p>Mandarin: A cleaner place would be where they would sing the Eagles but they are family oriented. They say to the nightclub audience, "Well, you're here and you'll miss the Easter egg hunt tomorrow. But everyone come up and get an Easter egg I have in the basket right here for you, thanks for joining us, we're locals."</p> <p>FATHER MALACHI: Right, if you stay, you post outside the door that no one can come to this Church if they have ever smoked marijuana-deathdrug or taken drugs within the last 10 years.</p> <p>FATHER STRONG: No, you do not minister to these people. They have their morality structures broken down.</p> <p>FATHER MALACHI: They are demon infested. You are not a trained exorcist priest and they themselves do not seek exorcism. You make up your own rules as West Los Angeles is not the same as elsewhere.</p> <p>ANDREA SELESTOW: It is a horrible place if you ask me. And it is what you would see to doing your clearance work, around your forcefield, the forcefield of the area.</p> <p>STEVEN ECKL: The chant work for the congregation would be primarily on the clearance of the demons in that area.</p> <p>Nancy of Oregon: It is an ongoing work. Do not attempt to do any counseling. Only do the chant work.</p>
70	Overland Park, KS	Noxious weed	<p>Typist: The diabetes recipe is at howheal.com/recipe/diabetes.html. It is actually true that if you had a past life in which you were scalped by an Indian, you come back as a toad that you can live your life out in peace as a noxious weed. And this requires that you overcome the 8:00 o'clock line of injustice at the scalping. So the right-handed path of the 8:00 is the 4:00 o'clock line of realizing God Good. So you practice, right? "For every adversity, is a seed of equivalent benefit." The left-handed path of the 8:00 is the 12:00 o'clock line of "criticism, condemnation and judgment" so you have to lay-off on the criticism of others.</p>
71	Kansas City, MO	Yellow Jello	<p>Typist: You will have to leave the Church. You did not pass your tests of either the Ten Commandments, have no other Gods before me, and you failed Galatians 5 to join the witches.</p> <p>Nancy of Oregon: Kansas City is known for their witches. You cannot claim ignorance as an excuse. You are being ex-communicated from the</p>

			<p>Church of Christ by Mother Mary and Jesus Christ.</p> <p>FATHER MALACHI: The demon you have is Tubeworm. Tramp Stupor Anteater.</p> <p>FATHER STRONG: All together 94%. As this is a high percentage, work it down.</p>
72	San Francisco	Jane Long	<p>Typist: You can marry in the outer Church, can you not? But your culture lies to you, and you play scorpion saying, "I don't speak English." What you hate you are "glued" to including hating yourself. Try to see the Christ culture here in America that is not snide, sarcastic and sinister. This is a arrogant culture to say we are superior.</p> <p>Any way you are not perfect nor superior.</p> <p>And being this way does not make you more perfect, full of contempt for other races and self-loathing. And when you do become a pilgrim, you see this falls away as you will have reached rock bottom. But these people have an arrogance, and that is more the problem than your having a girlfriend.</p> <p>Mandarin: I asked a Chinese, why do you say you are superior? And they say they are superior in the way they are martial artists. They are superior in the way that they can enact cruelty. We are superior as we eat cannibal meat without qualms.</p> <p>EMPEROR LeAMTHE: Your being superior is something that causes you to sin. You go into the Catholic Church to act superior, and you find it is a dead-end Chinatown alley.</p> <p>See that you learn the Teachings on co-dependency as you live to have people admire you. You have to be the next Sun Yat Sen and this is not only Confucian to chase after li or ethics that is having nothing to do with Christ Church but you do try to see it is a great falsity.</p> <p>Fillet Mignon: "Li" is false as it is being an opportunist, a Level 1 and 2. A Catholic administrator can be a Level 4, but a Catholic priest by definition should be a Level 5 and higher.</p> <p>WINSTON, Daniel Boone, Admiral Nelson: Males are deemed superior. Work on this the rest of your life. There is nothing wrong with having a girlfriend. It is your sense of superiority and the opposite of the coin which is inferiority which you feel supremely. Just throw away the coin.</p>
73	Potrero Hill	Disc Thrower	<p>Typist: What has been taught by the Archangels is that homosexual behavior is co-dependency. Wanting people to like you. So you go and cheer at the parades but you have to realize you must be humble before the law. The First Commandment is <i>Thou shall not have no other God</i></p>

before Me and they make homosexuality their God. Coming-out-of-the closet is a chronic symptom of disease if you will. The Seventh Commandment is *No Sexual Misconduct*.

ANDREA SELESTOW: The Coming-out-of-the closet is the same as if you had lung cancer and you still smoke cigarettes. So you are being a Catholic priest in ministry to these that you say, "Wow, you are coming out of the closet"

Typist: Moses was spoken to. God said to Moses, "Take off thy shoes, for thou standest on holy ground." When you have this experience, you know what is this Light that you living under the law, you bow before the Light, you castrate down before the Light in time of need. You know this Light is there whenever you might reach rock bottom.

ANDREA SELESTOW: But here to support the closet homosexual it is not possible ever to find the law of Moses as he taught it. You are as they say, holding up the Arc of the Covenant and with the wrong step, you find yourself being replaced by another pall bearer as you stay behind.

STEVEN ECKL: This is ideology. It is not the path.

JESUS CHRIST: What is the path then? It is the straight and narrow way that leads to heaven.

Nancy of Oregon: And you are not above the law so you go and find out what is your suppressed anger.

STEVEN ECKL: Over 90%of homosexuals are in need of co-dependency behavior training, so you would try to support that, not the cause of homosexuality.

EMPEROR LeAMTHE: Being a liberal is on shaky ground. What you do is to risk the stability in tradition by doing this cheerleading.

MOTHER MARY: Try to marry in the outer Church when that becomes available. As this is more ideological banter than truth.

Typist: Why is this so bad? You will find that the homosexuals have a secret desire to die. And this can manifest in sex with diseased partners, or licentious sex with many partners. It is also seen in their behavior that they will be dead anyway so they will at least act the happy coffee drinker, as the pain of not knowing who they are is not admissible to the outer mind.

STEVEN ECKL: These hate themselves, they want to die. Their souls know they are forever castigated from the Church of Christ, so eternal life is out of the question.

This is ideology. It is not the path.

JESUS CHRIST: What is the path then? It is the straight and narrow way

			<p>that leads to heaven.</p> <p>Typist: So what is this path then? Have you ever said this? "I love Jesus. He doesn't like it when I support what he says is sin." Don't play Russian Roulette here. Don't run the red lights. Just give it up.</p> <p>Nancy of Oregon: If you run red lights and do this siding with the sin, you will find that when you are claimed by either Satan or Jesus, that Jesus has to step aside.</p> <p>Mandarin: Satan will claim you.</p> <p>Typist: And Satan will say, "Here, I can show you how easy it is to wind up this parrot here and have him say, "I support prostitution which is women's rights."</p> <p>ARCHANGEL RAPHAEL: This is an actual initiation.</p> <p>FATHER MALACHI: It is in the Book of Job.</p>
74	Long Island, NY	Jimmying	<p>Typist: The growth in Christ Church is geometric and not linear. When you add 3 plus 3, it equals 6. But when you are in Christ Church, 3 times 3 equals 9.</p> <p>STEVEN ECKL: The decrees or your chants are multiplied 3x3 or 9. With 3 that you give, you have done 9 iterations, the power of the 9.</p> <p>ANDREA SELESTOW: With the chants you have been given, you are no relying on the mental body to understand concepts, you are furthermore tying into the web of light which is called antahkarana.</p> <p>Nancy of Oregon: And that is a place that you are nourished in a geometric way.</p> <p>Typist: The sin in the Christ Church is likewise geometric which you had not ever known. Thus you know that there had been the stoning of St. Stephen and these violent acts did cause people at that time to create sin. Yet the law is just in that those who sought to accelerate in Christ Church were given that opportunity to balance a great amount of backdirect or karma. Another way of saying this is that Jesus Christ said, if thine eye offends thee cut it out. And at times it seems this drastic but it is so. So for example, you would try "For every adversity, there is a seed of equivalent benefit" and you see you have passed the initiations of the great teams of conquerors that an ordinary person would take 10 years to balance, you balance in 1 year.</p> <p>ANDREA SELESTOW: The ability to balance backdirect or karma for those in Christ Church is about at this ratio from our experience.</p> <p>STEVEN ECKL: You balance more as you pass through the straight and narrow way. It is possible to balance backdirect or karma at an even greater ratio that 10 to 1. You can balance say 100 years in 1 year is my</p>

			experience.
75	Hawthorne, CA	Uncivil irritability	<p>Typist: The medicine for you to have as first-aid is Chamomile. The keynote is uncivil irritability.</p> <p>Nancy of Oregon: Not the Chamomile tea but the Chamomile homeopathic medicine.</p> <p>FATHER MALACHI: The demon you have is Badger dog.</p> <p>FATHER STRONG: It is 72%. As this is a high percentage, work it down.</p>
76	Chula Vista	Chintisy	<p>JESUS CHRIST: You will need to leave the Church as you are a pedophile that is a part of your culture.</p> <p>Nancy of Oregon: The being an illegal alien is secondary to this. You cannot be raping children. Period.</p> <p>FATHER MALACHI: We are asking you to leave alone the Catholic Church. There is a difference.</p> <p>Typist: This is a lesson that is general. It is called the test of Judas. What happened with Judas is that he said, I know that Jesus can get out of prison and I will sell him for 30 pieces of silver so that when he frees himself I will be the financier, and we will start a new community.</p> <p>Mandarin: This is where you think that any mistakes you make are but a bad business mistake and not see that your mistake was criminal. You cannot bargain as criminals do. You have to be honest and straight that you have a contrition of heart when you do err. You have a business conscience not a God conscience. There is a huge difference.</p> <p>Nancy of Oregon: The sorrow and penance can nevertheless pass you into heaven. Thus you see Judas did ascend but has since gone to the second death as he has the Judas complex. What this one said before Cosmic Council is, "Yes, I rape the children, it is a part of our culture.</p> <p>NATHAN the Judge: You cannot bargain with Christ. There is no <i>business deal</i> to transact. You cannot rape the children. Period.</p>
77	Pembroke Pines, FL	Palm Tree	<p>JESUS CHRIST: You will need to leave the Church for smoking the marijuana-deathdrug as an addict.</p> <p>POPE JOHN PAUL II: You cannot come on any of the properties of Christ Church. What you do to promote marijuana-deathdrug by example or word is not accepted here.</p>

79	Topeka, KS	Tattletale	<p>FATHER MALACHI: The demon you have is Incisor. Noxious Coonhound.</p> <p>FATHER STRONG: All together 72%. As this is a high percentage, work it down.</p>

80	Jamaica, NY	Fiery intelligence	<p>Typist: Tantra is black magic that is similar to jihad. It is saying people are squares if we go by tradition, so we will make things up as we go along. It says, we go by no rules.</p> <p>STEVEN ECKL: The rules of tradition are that you might not be playing Russian Roulette.</p>
81	New York Green District	Theatre of the Absurd	<p>MOTHER MARY: You must leave the Church. We do not condone lesbianism. You are ex-communicated.</p>
82	Dunmore, MD Topeka, KS Duluth, MN Tallahassee, FL Cambrian, CA Almaden Valley, CA	Gay rights.	<p>MOTHER MARY: You must leave the Church. We do not condone lesbianism. You are ex-communicated.</p>
83	Oklahoma City, OK	Loss Badly	<p>Typist: He's a two-time loser, and do not even think about being with an adulterer.</p> <p>Nancy of Oregon: This is co-dependency behavior.</p>
84	Milpitas, CA	Minister	<p>Typist: What you are asking is valuable for all of us. He went to be a minister and is no longer a priest.</p> <p>ANDREA SELESTOW: He however feels at home with the Catholic Church teachings as he finds them here.</p> <p>STEVEN ECKL: He cannot fathom a new Catholic Church when people are as they are compromisers.</p> <p>Typist: What was said to a person recently was Mother Mary saying, to go the electric chair as you only have half of you there. You do not have morality structures anymore from smoking marijuana deathdrug. And this shocked the man, as in all ways, he thought he was fine by his outer appearance. <i>And this direct word came from Mother Mary.</i></p> <p>MOTHER MARY: When you are in Christ Church, you will receive the direct word, unalloyed, as to what is your mental health condition. In this situation, he took marijuana-deathdrug and he cannot act morally anymore.</p> <p>ABRHAHAM-EMANZIANDIE: He is beyond cynicism, beyond contemptuousness, it is as if he had nothing inside of him. As if he was a hollowed out shell. And Mother Mary said it would be better to begin again.</p> <p>MOTHER MARY: The directness comes from the altar. The directness comes from Jesus Christ himself in the Catholic Church if you would be a priest here. And so, the new Catholic Church is not under the dark popes and ways, it will be under Jesus Christ where these go to the altar in communion to hear Truth spoken to them.</p> <p>FATHER MALACHI: You see that Father Strong and I worked with the</p>

exorcism of demons from the Catholics. They had to themselves confess, they were to find support by someone praying the rosary for them. It is not a process where the community did not participate.

FATHER STRONG: There was a team of Christian police if you will, to hold down a person while there is the exorcism when the demon possessed needs to be tied to a bed that he not break all the furniture in the exorcism and it is a team effort.

JESUS CHRIST: The new Church will be doing the chanting. This will have the Church much more free of demonized people, in which, part of your fears reside. The lesbians have worked long to claim the Catholic Church. They are asked to leave in this hour.

MOTHER MARY: The rules of the Church also are stricter.

FATHER MALACHI: But easier as the rules are explained. However there will not be 95% masturbation or 30% nuns sexually abused. These conditions are not to be.

STEVEN ECKL: You see how it is in my Church. There is child sex abuse, there is fornication, rapings, verbal tortures, even killings. And this left scars into the decades and into the leaving to the Church to find a way to ease the pain and not understanding what had happened with Christ Church. It is strewn with such evil where you say, much of this happens behind closed doors and behind the false smiles and many rules that are towards an outer profession. And yet, it requires you to continue on the path and to act for the spreading of the gospel.

ANDREA SELESTOW: It is an environment. Catholics are not able to denounce evil. In the real world, someone steals a woman's purse where you would say back, "You stole my purse, you bitch!" Instead you accept the men touching you and such evil as you are "trying to keep peace when there is no peace.'

STEVEN ECKL: The backdirect is one area that is a part of what you preach to others in rebuttal.

Typist: You will see that you yourself will be protected if you are able to see false teachings. An example is if I heard the Nicene Creed given in the new Catholic Church, I would vomit. I would say, "I almost had a heart attack!"

ANDREA SELESTOW: What you are doing is to not allow falsity and satanic rite into your life. Where you see evil, you have a physical reaction to run, you do not stand there to be attacked.

EMPEROR LeAMTHE: You are having a difficult time with the Nicene Creed being false teaching. Jesus Christ is not the only begotten Son of

		<p>God and therefore you can just be a couch potato.</p> <p>Mandarin: It is a false teaching if you think you can simply let Jesus pay off all your backdirect or karma by saying he died on the cross for you.</p> <p>Nancy of Oregon: Another way you would look for false teachings is when you hear the word “I like.” You need to live on principle, not likes and dislikes.</p> <p>Mandarin: His question has been how is it that the Catholic Church can be viable if they live by a double standard. So you yourself would have to overcome how you might be living by a double standard yourself.</p> <p>MOTHER MARY: In the family situation, that one is alright.</p> <p>Nancy of Oregon: The double standard that you would try to see has to do with normal behavior of Catholics that is <i>inverted</i>. Such people you will notice do not live by the touching rule— no touching, period.</p> <p>ANDREA SELESTOW: Then there is the necromancy rule— no incantations over another person’s photograph.</p> <p>JESUS CHRIST: The one rule—no masturbation, has stumped Aimee and myself the most, where the Catholic Church condones group masturbation of sorts, becoming associates with one another as in membership of a masturbating club.</p> <p>Typist: There is a masturbating club in 1836. [See below.]</p> <p>MOTHER MARY: We will have the Robespierre speech that brought about the Reign of Terror in the French Revolution for you to read to discern false teachings as an exercise.</p>
85	Bloomington, Illinois	<p>Tree Stump</p> <p>Typist: The ascension requirements are different now. It has been 100% balancing of backdirect or of karma, so you saw few ascensions. At this time of the mass ascensions on the hillsides of the world, this was changed to be 50% of karma. That was a flop, so the requirement is a greater level of backdirect balanced but not at 100%, and a set percentage of mastery balanced.</p> <p>FATHER MALACHI: You do not need to be concerned. The ascension can happen at inner levels. The difficulty is if you have had a mortal sin such as killing someone without authority that requires you to return.</p> <p>Typist: Your problem is serious if you think you can ever get to the ascension wanting highs. It is addictive behaviors that you need to overcome before you die. You can print out a list of co-dependency behaviors and work on the list. But there has to come a day when you see any high, whether sugar or coffee or alcohol, and you say no to automatically, quickly, without even a second thought. And at present you do not have this mastery.</p>

			<p>Nancy of Oregon: You do not yet understand great whore demons.</p> <p>Typist: It is what Jesus Christ taught, "The devil comes to tempt me, and he cannot find anything in me."</p>
86	Jamestown, Maryland	Chowchilla Redskins	<p>FATHER MALACHI: The demon possession you have is 100%. You cannot ask to be smoking marijuana-deathdrug.</p> <p>MOTHER MARY: You would leave the Church. You are ex-communicated. As you have smoked marijuana-deathdrug as much as you have, you would be best to take the transition.</p>
87	Covington, GA	Timbuktu	<p>How does one ascend?</p> <p>See "Unimproved Religion" (and Gregorian chant comparison) at "Study" page.</p>
88	Jackson, KY	Timbuktu	<p>MOTHER MARY: You can find study materials as they have them offered</p> <p>As an assist, your line of the Cosmic Clock not passed is the 4:00.</p>
89	White Plains, NY	Choose Ye	<p>Typist: Astrea is the name of an Elohim. It is also the name of an astral being of the witches. When you call upon the witches' one, the worship goes to that one. And if you are not sure if now your chants go to the witches' one or to Mighty Astrea, then you qualify it. You say, I call to Mighty Astrea, Elohim of the Fourth Ray" for example.</p>
90	Millbrae, CA	Toe Stepper	<p>Q: Is a jurist backdirectly or karmically responsible for a wrong verdict in a court case?</p> <p>Typist: For you to ask this question means you have backdirect.</p> <p>ANDREA SELESTOW: It is whereby your conscience and soul is telling you this.</p>
91	New York	Sherpa.	<p>Define Sherpa: a member of a people who live in the Himalayas and who are often hired to help guide mountain climbers and carry their equipment.</p> <p>Typist: For you to have this question of whether your sermons of the Augustinian variety is mostly good or mostly bad, shows co-dependency behavior and not the workings of the Holy Spirit. Jesus said to Aimee Semple McPherson, "You are the typewriter, I am the typist."</p> <p>Nancy of Oregon: So you would go higher here to try to attain to the wisdom of the Word through a greater liturgy that you might understand that sermons are the Word.</p>
92	Lombard, IL	No Man's Land	<p>Typist: There are three intelligences. The <i>conscience</i> that responds to the official posted rules. The <i>soul</i> intelligence that is as a pearl of great price, that occupies 2 chakras and is your gut feeling about matters. The <i>heart</i> intelligence that weighs what might be answered at the 9:00 o'clock line of God Reality, past the 8:00 of God Justice when reality would</p>

			<p>make the difference.</p> <p>So not knowing, you would ask Mother Mary what line of the clock you fail on the most, and work on that.</p> <p>MOTHER MARY: The line of the clock you would work on is the 9:00 of treachery intrigue and lying and prevarication.</p>
93	New York City	Passover	<p>Typist: "Why are some priests chastised and not others?"</p> <p>"For whom the Lord loves He chastens." (Hebrews 12-6)</p> <p>One needs to learn how to take chastisement. The other area is that some people in positions of authority punish. It is now more common such as the Los Angeles judge to send a wayward one to a 12-step program instead of throwing him in jail. Thus this is actually more difficult to discern as justice is to them not one of ferreting out a path of growth, it is merely to say, "How much shall we punish this person?" As you are able to pass the initiations of justice through indifference such as leaving out your ego, you are able to see who are the "accuser of the brethren".</p> <p>STEVEN ECKL: The accuser of the brethren are those who continually lambaste others for the purpose of having themselves looked fairly upon.</p> <p>Nancy of Oregon: The judges of the world serve power. Not justice in general.</p> <p>Typist: Another way of seeing indifference in the face of injustice is to say, "whatever."</p> <p>ANDREA SELESTOW: The power of justice is a strong power. When a mother sees a child under the car, she can lift up the car. Such is the power of God Justice.</p> <p>Typist: "You told me to do it this way, and then you criticize me for doing it this way." The left-handed path to the 8:00 o'clock line is the 12:00 of self-criticism, condemnation, judgment and black magic. The right-handed path is the 4:00 o'clock line of "God is Good" so you find something good about whatever happened. "For every adversity is a seed of equivalent benefit."</p>
94	Pensacola, FL	Potpourri	<p>Typist: A nun is asking: Is there a difference between homosexuality and lesbianism? Only in the sense that you would dare not cross the line to usurp the role of the Mother of God. Many of the lesbian orders claim the name of the Mother of God.</p> <p>FATHER MALACHI: This is the working of Worker Bee demon. Narcissistic Coypu. And these are as the guards described in the book <i>The Lucifer Effect</i> on the guard mentality in prisons to torture inmates.</p>

			<p>FATHER STRONG: This then becomes a lesbian order to not only to steal the light of children but to take the Light of mother earth herself as the land itself has Light.</p> <p>Mandarin: <i>It is not your role, leave it off!</i></p> <p>Nancy of Oregon: You are usurping power to take on the role of Mother Mary.</p> <p>NATHAN the Judge: You stand in a great horror.</p> <p>Commentary: It is an avalanche.</p>

And as these are not the same, the question was rephrased:</p> <p>"Why is there not lesbianism?"</p> <p>STEVEN ECKL: You can see you do not have the Alpha flame in you that you do not have the ability to cognize in the masculine.</p> <p>Nancy of Oregon: We are not able to explain the science of being. Father energy is at the 12:00 o'clock line and the 6:00 is the line of the mother.</p> <p>ANDREA SELESTOW: You can see that the perversion of the 6:00 o'clock line is cow consciousness.</p> <p>ABRHAHAM-EMANZIANDIE: It is not a stuttering. It is that you have not the chakra energies in correct balance. You are in a constant backflow of sewer condition of the mind if you will.</p> <p>Typist: The 3:00 o'clock line of the Divine Will when passed is a fire that is the power of God that fires through then the next lines.</p> <p>EMPEROR LeAMTHE: It is the power if you will of the masculine aggressiveness of the police. It is the anger to get righteousness accomplished. It is putting out of fires of the firemen.</p> <p>ABRHAHAM-EMANZIANDIE: You do not have this. You are as a cow. The cow cannot stand up erect. 98	Pensacola, FL	Gypped	<p>Typist: When you reach heaven, you can ask for the dispensation of healing when you get there. As you are retired, you can do the decree or chanting work to earn the dispensation of healing. Here on earth, the only therapy for homosexuality is to hormonal therapy. In heaven, the treatment is more potent. You are given some sort of electrical treatment to make you a male or female polarity to come back into balance when there is an organic problem over the months. The healing facility has a bright white light as if you are under fluorescent lights and the healers wear white. Often you consider you need to argue and fight about your condition. Rather, this is strictly confidential, it is just you going for your treatments. You are treated as if you have a medical condition.</p> <p>No, it is the same ethics there. Practitioners must keep patient confidentiality there too.</p> <p>Will you be shamed? Shame is another long topic. If you are shamed for being in a wheelchair, once you are out of it, you have no shame, right. When you have shame for homosexuality, you need to “heal” the shame-based behaviors.</p> <p>You may not know this but it is said that most women who enter the Catholic Church who become lesbian there <i>normally</i> heal once they leave, they do become straight.</p> <p>MOTHER MARY: They will teach you at the facility to deal with the shame also. You would seek to find the dispensation that you heal the organic problem and then to move beyond the shame associated with it.</p> <p>ANDREA SELESTOW: On the Christ path, you solve your problems with the chanting and the healing. It is vastly different than “kill” which the world does. Rather on the Christ path, you find how you heal yourself. How you move forward charging yourself with Light from the chanting.</p> <p>Nancy of Oregon: As was said, when you go to heaven or devachan, there is no sleep. So you will seek to have the resolve that you will want to heal this part of self and not hold to any false doctrine when you arrive there.</p> <p>JESUS CHRIST: The injunction applies in your situation that <i>“If your hand or your foot causes your downfall, cut it off and throw it away. And it dovetails with the teachings of Christ on suffering. I was told that ice cream has plastics in it, so I have not eaten it for some 30 years. The fasting Jesus Christ teaches is another area that you must master on the Christ path. This includes not sleeping when Jesus Christ has work for you.</p> <p>JESUS CHRIST: They took out the fasting on Fridays with Vatican II. It must be shown that you are much stronger when you learn the discipline of fasting.</p> <p>ANDREA SELESTOW: It means at times that you are prepared and ready to sweat great drops of blood.</p> <p>STEVEN ECKL: It is more however. It is discipline on to the glorification of the Christ path. It is a making of who you are.</p> <p>Nancy of Oregon: It is also of the saying that the devil comes to find me and finds nothing in me. When you fast, you are tethering to a strong will as if you would rather be strong such as one diving in arctic cold water.</p> <p>SERAPIS BEY: You then on a moment’s notice give up TV. You cannot live an addictive lifestyle. It is unheard of that you would.</p> <p>SAINT THAIS: You curb your tongue, you drop your weight, you curb your spending, you list life events to do, you determine to live longer through fasting.</p> <p>HOLY AIMEE: If you would bank the chanting work, that you have earned the way for a dispensation of healing, there can be the easier passage out of a condition that does not continue where there is no sleeping.</p>

Jesus and the saints...

EL MORYA: And a search for the Holy Grail. Then do try to read the books of Father Malachi Martin that you might see your duplicity, your double standard that you play with Mother Mary and Jesus.

Typist: The books of Father Malachi, such as *The Jesuits*, *Windswept House*, show you how these priests play power politics. Then in *Hostage to the Devil* how the priests take on demons in their seeking of this power of priesthood in their superiority complex.

FATHER STRONG: Although that book has much, much more on demon possession

FATHER MALACHI: You have Incisor demon 100%. You cannot stay on as a priest.

STEVEN ECKL: Priesthood is not about market share.

ANDREA SELESTOW: The problem with the demon groundhog is that it will cut up the roots underneath buildings and the buildings fall down.

Nancy of Oregon: So we saw a lot of the Crane demon also, and such demons in people in what they do is to play mother superior to gain market share. They railroad people.

ANDREA SELESTOW: In the Louisiana area, the groundhogs can cause billions of dollars of damage in homes as they as the groundhog rats dig up the roots. They leave a trail of tears such as siding with pedophiles as the politically correct thing for example.

Typist: For people such as yourself who have Incisor demon, these oftentimes would be sent to wash toilets for months as their staff service.

EL MORYA: I an Abraham of old, do assign you to wash toilets for an hour each week at the church or at a public toilet for a year. You will not desire to do this and this is where you have to hang up your robes and leave.

JESUS CHRIST: You cannot be a priest either of the inner or outer Church. You can be an usher, however you are not a priest any longer.

Typist: It would help you if you would take a confidential survey among both the staff and the laity before your leaving.

STEVEN ECKL: It was something El Morya taught us. That we are not a law unto ourselves. Thus you see how if you would serve the law, the law serves you, however with Incisor demon you are as the groundhog, chewing up the resources and making a path for yourself and glad handling but without much Christ garnering of the Light. You become darker each day. You live on the light of adulation, you cannot ever get

			<p>enough of it. It is not about being nice.</p> <p>Typist: Just hear yourself say, "What do I get out of this?" with people.</p> <p>EMPEROR LeAMTHE: Christ washed the feet of people.</p> <p>GOD HELIOS: It is the light of the moon. The light of the sun is able to shine upon you directly. You live off adulation as the moonlight.</p> <p>MOTHER MARY: You begin where you are. Absent the demon possession condition being worked upon, you face a very uncertain future.</p>
100	Philadelpha, PA	Apalachicola	<p>Typist: He is an illegal alien from Mexico. His reason for writing a confession letter is saying that this is what Jesus Christ wanted which is true. What was the content of his letter was irrelevant, such as I think salami should be \$1 and not \$2.</p> <p>In this culture obedience is loving obedience. The Mexicans worship death by eating the candied skulls and practice stabbing others and throwing them down temples as children, it is not the same God. When you come to the table of Christ bread, the sharing is not a forcing of the bread of life.</p> <p>JESUS CHRIST: That you may be an insurgent stationed in the United States in an egregious takeover, to push the Americans out of their homes, and you be the priest in place to take over the parish, is not one in which you can stay in the Catholic Church even. You are ex-communicated from the Christian church</p> <p>EL MORYA: It is not possible to take heaven by force to have Jesus Christ accept you as his priest. On your terms. Furthermore your obedience cannot bring about sponsorship by the Lord Jesus Christ.</p> <p>FATHER MALACHI: Salamandra and Iguana demon practices tantra or jihad. The demon would push Jesus Christ in the corner to give you the status of priest, however not possible, not in the United States, not anywhere.</p> <p>HOLY AIMEE: Jesus Christ taught righteous anger when he threw the money changers out of the temple. What is from Mexico is not the same.</p>
101	Warner Robbins	Joker	<p>Typist: The incubation period for AIDS is 10 years. You might not test for it until then. The first week you may have had a fever. See the recipe for it at howheal.com/recipe/aids.html.</p> <p>Mandarin: She says, to have sex with someone with AIDS she did knowingly, she smokes marijuana-deathdrug, she says, she does whatever she wants.</p>

		<p>FATHER MALACHI: You cannot stay working in the Catholic Church.</p> <p>JESUS CHRIST: The period to stay away from the Church that you make no further backdirect or karma is 17 years. You will need to find your way.</p> <p>Typist: The amorality is a demonic condition. You also have ennui.</p> <p>FATHER MALACHI: The demon you have is Narcissistic Coypu.</p> <p>FATHER STRONG: 74%. As this is a high percentage, work it down.</p> <p>Typist: For a condition of Narcissistic Coypu with ennui, see to doing the hardest thing first and not the easiest. This will help you not to be on the path of self-destruction. Don't listen to yourself, that's the narcissistic meanderings. Listen to step by step you win your freedom dialogue.</p> <p>MANDARIN: When you are thrown down a cliff by mother and father, you hit rock bottom. You begin the climb through 12 steps—<i>God</i>, you begin to climb with the Golden Rule—<i>wisdom</i>.</p> <p>SAINT DIANE: You begin to climb out of rock bottom through learning the Ten Commandments.</p> <p>ANDREA SELESTOW: Vowing not to run red lights again.</p> <p>STEVEN ECKL: Choosing death over life, is where you do not gain year over year but lose.</p> <p>ANDREA SELESTOW: In your time away, see that the Catholic Church cannot do what only you can. Yes, you came here to find a peace. However it is not enough, is it?</p> <p>Nancy of Oregon: You do need to not build up the solid wall to protect your ego and soul that is but narcissistic coypu.</p> <p>ANDREA SELESTOW: What you do is to stand, face and conquer this horrible demon and say I do not need you. I can do better. Much, much better if I but take one step at a time. So this is one of the 12 steps in Alcoholics Anonymous and so you can go there for awhile.</p> <p>Typist: You will find that the alcoholics use a profanity. Do not be afraid of this that you are a sinner but realize that you need anger, you need to have a way to shout people down to have them not come close to harm you.</p> <p>SAINT DIANE: You say that you are an alcoholic behavior when you go there.</p> <p>EMPEROR LeAMTHE: It is as a woman who was walking down the sidewalk. The man was pounding hard using an ice pick to break up the ice to have the sidewalk cleared.</p> <p style="text-align: center;">She said to him, "Yeah, let them <i>have it!</i>"</p>
--	--	--

			<p>Nancy of Oregon: You talk about your pain at AA, you acknowledge your pain and it is a safe environment. They go around and say, "Yeah, we're with you sister."</p> <p>Typist: When you live to bolster the image of Narcissistic Coypu, you are weak, you do not have the strength of soul. So this deadbeat dad left this woman pregnant. The way she faced him was to send him the baby's skull after killing it.</p> <p>FATHER STRONG: Yes, you are so removed from who you are that you can act as a criminal.</p> <p>FATHER MALACHI: So you see this is better than Narcissistic Coypu, that you learn to defend yourself with TRUTH and the words that are law. As a child, you had harsh words spoken to you, and you could not understand "What is this coming at me! I didn't do anything to deserve this." As the adult you then learn those behaviors that are defensive, and not to be attached to some image but have the correct readied answer but yet not be in this covered state of Narcissistic Coypu.</p> <p>JESUS CHRIST: You can attend the 24/7 Archaei Mother Mary vigils when they are there. And you can go in the peace of your soul.</p> <p>HOLY AIMEE: You will not be in Narcissistic Coypu to be having the sharp and ready answer always but you go there and leave quickly.</p> <p>JESUS CHRIST: Not knowing people there.</p> <p>Mandarin: You need to fight back.</p>

103	Daytona Beach, FL	Kent State	<p>Typist: You may say your condition is ADHD but in the Bible Jesus spoke about the man who cuts himself. And this is demon possession. The medicine Anacardium Occidentale 30c has to be ordered usually by mail. Take it once a week for 2 years.</p> <p>The medicine Veratrum Album 30c is found in health food stores. It is for people found tearing up paper. It is a tissue salt. Take it once a week for 1 year.</p> <p>You can take Belladonna 30c when you see the keynote, "Sudden and violent."</p> <p>Pulsatilla Niger 30c for when you see the symptom, "Wants</p>

You can also take the tissue salt Veratrum Album 30c for tearing up paper, and that is once a week for 9 months. These homeopathic medicines can be found at a health food store for \$8.</p>
105	Kansas, MO	Telemecanique Sensors	<p>Nancy of Oregon: This is an insurgent. He has since moved from Kansas. He writes of how he goes to the graveyard and masturbates.</p> <p>FATHER MALACHI: The demon you have is tubeworm.</p> <p>FATHER STRONG: 72%. As this is a high percentage, work it down.</p> <p>Typist: The Mexican culture worships death. As adults they eat the skulls of relatives with their names inscribed at the pastry shop. As children, the Mexicans worship death by playing pyramid temple games where they in continuous laughter kill one person after another, stabbing them in the heart.</p> <p>The Mexican is a power seeker. As a culture, it is going towards either sex or death: promiscuity as in Sinko de Mayo or macho homosexuality. We have seen this in a number of the Mexican Catholics. They consider this their accepted moral standard as it is a national standard.</p> <p>The power of Christ is not ever the same. Attaining power is not a shame, it is not hidden as you say, to go to the graveyards when no one is looking at night. Getting the power, even the gifts of the Holy Spirit is honorable. It is a willingness to traverse the 12 lines of the Cosmic Clock. Often if you see this condition, the homeopathic medicine is the blood of a rat, as they hide. And hiding is often found in patients with bi-polar disease. This is close to that condition, where what is sensibility is extreme elation and extreme depression, euphemistically, sex and death.</p> <p>Mandarin: Someone pulls right in front of the Mexican’s car. The driver is mad. He takes a gun and goes over to the car, has him roll down the window and kills him.</p>

			<p>Nancy of Oregon: Even by the keyword, you hide, see if you can play hide and seek.</p> <p>JESUS CHRIST: The national character of the Mexican is a formidable barrier to progress on the Christ path. Primarily it is that you have the arrogance. Even Juan Diego is not humble. He has since gone to the second death.</p> <p>FATHER MALACHI: The Mexicans know of Mother Mary the same as they know the English language. What they do is use it for what it is they will get for themselves. This is the same as Red China. Here, they use the US smiley face, to get what they want—the United States to rename it Hong Kong in the Bill Clinton of handing over the US to Red China.</p>  <p>Mandarin: Helios has said Mexico, Germany and Red China do not convert. Mexico also has cruelty the same as Red China.</p> <p>Q: What line of the clock do they fail in? Mighty Astrea has often given people a line of the clock failure, that they might watch how they fail that line every 9 minutes. To progress.</p> <p>EMPEROR LeAMTHE for MOTHER MARY: It would be the 4:00 o'clock line.</p>
106	Temecula, CA	Shorn	<p>JESUS CHRIST: You the priest are ex-communicated from the Catholic Church for the murder.</p>
107	Temecula, CA 2-people	Toast Jam	<p>JESUS CHRIST: The two of you are laity. You are ex-communicated from the Catholic Church for several murders.</p>
108	New York, NY	Maraca	<p>Mandarin: This is an insurgent that has already died.</p> <p>EMPEROR LeAMTHE: He wrote a confession letter earlier.</p> <p>Nancy of Oregon: This is a culture worshiping death, hiring to kill. What we have seen is a type of lying to Mother Mary that these can do. "We'll do this murder as we know Mother Mary would not approve of us. So we'll agree with her that we have no such intentions to get away with this. We can lie about it later."</p> <p>JESUS CHRIST: We are not so crucified!</p> <p>Mandarin: He was told he was to kill as many Americans as possible. He asks, "Am I going to hell for this?" This is a so-called priest from</p>

			<p>Mexico.</p> <p>ANDREA SELESTOW: You say, “We in Mexico hate Americans as they have all the things, and we have nothing.”</p> <p>NATHAN the Judge: You volunteered to join the armed services, to kill Americans.</p> <p>Nancy of Oregon: What is a caste system is your belief not Catholicism as your belief as you claim. It is whereby you define people as have’s and have-not’s. To you, Americans are enemies of wealth when this has nothing to do with the Catholic Church or the Christ path.</p> <p>NATHAN the Judge: Your hatred of another class is bigotry, demagoguery thinking, and racial and class prejudice. If you and other Mexicans think this, this is not much different than as seen as Nazism or racial hatred, bigotry, demagoguery thinking. That you would come to New York, is jihad.</p> <p>NOSTREDAME: America is far beyond this now. The United States does not recognize slavery in its US Constitution where you and your countrymen take pride in this demagoguery of caste, and indeed, this is what happens. The wealthy class is what you seek to be, to be included as of the have’s and so you think that you can come to America and be as the wealthy overlords in Mexico, as there are many more wealthy and middle class Americans here. This is in your mindset, you consider it your right to kill Americans that you might steal their position in the caste system, however, the United States is not a caste system as in Mexico where you enslave another caste, calling them the incorrigible the untouchables as in India.</p> <p>FATHER MALACHI: What you have is 100% Iguana demon.</p> <p>ABRHAHAM-EMANZIANDIE: You also have sadism.</p> <p>FATHER STRONG: You are fully demon possessed. You will be going to the second death for your choices. .</p>
109	Wichita, KS	Overland Pass	<p>Typist: He went to the witches; covens four times. He has not returned. He says he went out of curiosity and for the sex. How do you understand this experimentation? I have not been so well since.</p> <p>Nancy of Oregon: It is not sincere. I myself have research witchcraft but it is but one time by reading in a book and in a brightly lit bookstore. You need to give accounting why you had group sex there and then return 3 more times. And this is after meeting Christ Church?</p> <p>Typist: Now you are a plastic man no different than having group masturbation sex and sex clubs. It is as Shark said, that I had sex with all these men in Washington DC and long ago I cut out my offending</p>

			<p>part. Someone plastic is one having sex with one without a God conscience.</p> <p>Nancy of Oregon: I suppose you could use the word necrophilia, however plastic might help you to see better.</p> <p>FATHER MALACHI: The “plastic” quality of your being is described some in the post to the man in #108.</p> <p>FATHER STRONG: The “plastic” quality is described in the professor in <i>Hostage to the Devil</i>, taking dictations.</p> <p>Mandarin: You say, “There is nothing wrong with sex.” You have broken the Ten Commandments. That you do not see.</p> <p>STEVEN ECKL: There are plastic priests as described in <i>Hostage to the Devil</i>.</p> <p>SAINT DIANE: You are a priest of the Church. You are to teach the teachings of Jesus Christ on the Life, on the Love, and on the Light. This you know. Thus this constitutes rebellion that you do not from the pulpit preach in sincerity that when you love, it goes around the planet to return to the giver 10 times, and these cosmic laws you would have known even before even becoming a Catholic priest. The meaning of holiness you do not or cannot recognize.</p> <p>JESUS CHRIST: Your condition is amorality, you will need to leave your priestly robes at the door.</p> <p>ANDREA SELESTOW: God is not mocked.</p>
110	Riverside, CA	Chambitu Gehazi	<p>Typist: This priest thinks this is the time to make a break. And would like to know in what direction he would go in.</p> <p>FATHER MALACHI: I have at times in my life as Malachi Martin thought this, and I did go to be writing books, also work of the Level 5 and beyond.</p> <p>Nancy of Oregon: <i>Gehazi</i> meaning “missing the mark” is where you would try to understand the Seven Stages of Consciousness and aim to go to the next level.</p> <p>Typist: Perhaps you can formulate what is a California Mission and write upon that.</p> <p>STEVEN ECKL: These are works of a Level 5, 6, 7.</p> <p>Mandarin: In the Stanley Milgram experiments, the country is in an all time low in morality. And what the experiments showed was that the</p> 

			<p>extent of their morality is doing a good job for an employer.</p> <p>Typist: Holy work is a calling also in ones older years.</p> <p>ANDREA SELESTOW: One can hold the balance for an entire city or group of youth. Also Mother Mary did appear time and time again that there not be holocaust in the Fátima prophecies and asked that people do the rosary.</p> <p>Nancy of Oregon: The one named Clara Louise Kieninger did chant or decree each day from 2 to 5 hours to hold the balance for the youth in the Vietnam protests. There did come forth out of this stupendous work thousands of new initiates to come into the Second Advent teachings from her decree work.</p> <p>ANDREA SELESTOW: She ascended from Berkeley, California where there were the student riots.</p> <p>STEVEN ECKL: It is not something you would think of as a new occupation however but that at a certain turning point on the path to the ascension, you can accelerate almost as a rocket.</p>
111	Canton, OH	In a Jam	<p>Typist: What you are describing is what is called a karmic condition. In a prior life either you did this to him, or he did this to you. You cannot help it, you did this act.</p> <p>Jesus Christ taught on karma. He said if you have a second coat, you give it to him. If he slaps you in the face, you turn your other cheek. So what you are faced with is not understanding karma. And so he will now slap you back in the face if not in this life, in the next life.</p> <p>ANDREA SELESTOW for MOTHER MARY: This is one that you had killed in another life. You need to make amends with him. That he does not react is that you are the aggressor.</p> <p>Typist: You may not know of what to do, so what you would do is to pray for this person. And then it will occur to you what it is that you need to do.</p> <p>Mandarin: For example, you know that he has a failing body part. Every day, you pray for him and suddenly he finds a way that it is healed.</p> <p>JESUS CHRIST: Love your enemy.</p> <p>HOLY AIMEE: Love your enemy does not mean to love Absolute Evil. Where you have karma as this, you love the enemy of your own making.</p> <p>STEVEN ECKL: You ask, "Were the circumstances the same?" Yes.</p> <p>ANDREA SELESTOW: An eye for an eye, a tooth for a tooth was the dispensation of Moses. With the coming of Jesus Christ, the</p>

			dispensation was one of balancing karma through token. Thus what was a killing is balanced through love, grace, mercy. A repayment by a token of what it had been.
112	Falconer, NY	Manhattan	<p>Typist: What you need to do is to overcome your pride and ask your family for money. Whereas before, you did not have to find money to buy things, now you find it is not about taking whatever is already just “lying around” for you to take as before, therefore, do ask your family for money.</p> <p>WINSTON, Daniel Boone, Admiral Nelson: It is best however, if you get a pension. A monthly amount sent to you. Or you can set up an account and have the bank send you the annuity check.</p> <p>I was a baron turned pauper, ha, ha. I know what it feels like.</p> <p>The vow of poverty is not about money. If you are used to a certain level of wealth, poverty is simply not being attached to that money. And you would be of a greater service to “relieve the suffering of humanity” if you would maintain the level of wealth that you are used to, and never to abuse this privilege if your family will support you. You can tell them: I will pray for you, let’s make it a deal.</p> <p>However, the vow of poverty is not about austerity as much as it is about non-attachment. Austerity is not for this age, and many people fool themselves that austerity gives you a great grace, it does not. The grace of Christ is a greater austerity, that you in acting out in the Golden Rule towards others, is fairness and the austerity of God reality. Thus the words of Christ go a long way. Certainly one such as Saint Francis who had money then turned into poverty was not as you think. He had been the mathematician Pythagoras and knew he did not need that much. However in this day and age, you have cars, and it is fine to have the family buy you a new car every few years if you come from a wealthy family.</p> <p>The Hindus feign some type of holiness with austerity, but you will find that they need nurses and cooks to feed them, nurses to clean them while they do their meditation.</p> <p>Typist: What happened to Serpent was that he became angry with God because his son died. He said God took away his son.</p> <p>STEVEN ECKL: You need God desire, not desirelessness. Thus you understand that Serpent desired to have his son and he was not able to see God desire.</p> <p>ANDREA SELESTOW: These are initiations on the path that will help you throughout your life. That you hear this day about <i>desirelessness</i></p>

			<p>and <i>austerity</i> is that you might have God Wisdom that you take a single event and try to find the God Truth in it.</p> <p>Nancy of Oregon: When it is picking up what is lying around in the immediate family, it is incumbent nevertheless that you do broach the subject with them. However do not be prideful, do ask for a pension.</p>
113	New York, NY	Hope	<p>ANDREA SELESTOW: You cannot ascend from inner levels but would need to reincarnate for the murders of organized crime that you were accomplice to.</p> <p style="text-align: center;"><i>Thou Shall Not Kill Without Authority.</i></p> <p>Nancy of Oregon: Moses had to take a final incarnation for the murder of an Egyptian slave. This backdirect or law of karma has not changed.</p> <p>Mandarin: Accomplice laws apply in organized crime where it is not a direct slaying done by yourself.</p> <p>Typist: What happens in organized crime is often the 1% rule that mafia assumes that is reasonable. The Karmic Board does not look at crime as 1% but as 50% to 100%. For example, someone bags the loot, he says that he is a cleaning person. Another person says: I took out the bag, I did not see its content, I am a mover. The loot goes out to the car, and the driver says: I am of a taxi service.</p> <p>NATHAN the Judge: Even the laws on earth consider that the driver to the scene of a crime is considered a criminal. It is a part of established law.</p> <p>FATHER MALACHI: Where you were framed in such a situation, you can learn to be more cautious and not look at any criminal behavior at face value.</p> <p>FATHER STRONG: For your condition, you learn there is backdirect or karma that requires a repayment of. Jesus Christ taught on backdirect or karma, "what goes around, comes around".</p> <p>FATHER MALACHI: The teaching on backdirect and the mercy of reincarnating as opportunity to progress as a soul, was taken out of the Bible at the first Council of Nicea about 100 A.D. by Theodora who sought to cover up her past life as prostitute.</p>
114	San Diego, CA	Tostitos	<p>Typist: The marijuana-deathdrug legalization passed is a statistically an impossible event.</p> <p>Mandarin: It was placed State by State by foreign governments and the Cabal no different than the placing of opium in Canton, China to corrupt the people.</p> <p>ANDREA SELESTOW: The pharmaceutical pain-killers do not cause a</p>

			<p>person to die and upon death, to go to the second death, however marijuana-deathdrug does. It breaks down the morality structures.</p> <p>Nancy of Oregon: The hallucinogenic fools you into thinking you are normal. Instead you are using it to become a psychotic killer. You take the hallucinogen to enact murder of children. Much torturing crime is done under the motionlessness mentality when what is outpictured is vile and violence.</p> <p>STEVEN ECKL: The mercy extended in the 1960's to the deadheads by having them reincarnate as autistic children will not be extended again.</p> <p>ANDREA SELESTOW for ARCHAEI MARY: If you have smoked more than 30 times, it is best that you turn yourself in to go to the electric chair and hope to start again.</p> <p>Nancy of Oregon: Saint Diane considered any military personnel who smoked more than 2 times marijuana-deathdrug to leave the military and are AWOL. You at smoking so many times, do not have morality structures intact, you do thinking of harm, thinking it be God's service.</p> <p>Mandarin: Normally these people do the opposite of protecting the flock, they think of doing the very untraditional way as others are square. What is evil before you, you ignore.</p> <p>FATHER MALACHI: It is no longer then your being under the influence of the hallucinogenic. The "high" is not related but you are now a changed person from the mild altering drug. <u>Your mind has been altered permanently. You can no longer think in traditional values and ethics and morals of right and wrong. You are a social misconduct. There is also the iguana demon you have daily hence.</u></p> <p>Typist: Jesus Christ taught: fear not the one who can kill your body but the one who can kill your body and soul. Once your heart and soul knew right and wrong, but no more.</p> <p>Mandarin: Right and wrong to the death head is the high.</p> <p>JESUS CHRIST: You as a priest would leave.</p>
115	New York City, NY	Pandemonium	<p>Typist: Your concern about the family is wanting to be liked and that is co-dependency behavior. You can print out a list of co-dependency behaviors and start to check off. Place a barrier between the two of you—with anger.</p> <p>FATHER MALACHI: With someone not in your family, you have no bother, it is that when you are trying to resolve a tie, and with sufficient anger, this would create a barrier that does not allow criticism, condemnation or resignation.</p> <p>FATHER STRONG: Jesus Christ did teach, these are my brothers and</p>

			<p>sisters. Thus, you have made a progress, if you would take upon you the next step, to then see who is of your family.</p> <p>Nancy of Oregon: There is perhaps a past life tie, and it is best not to become involved, such that you do not repeat the backdirect or karma but to see the pain, process the pain, and move on, and not continue to repeat past life patterns. When you become overly emotional in an area, it is an indication of back-direct.</p> <p>ANDREA SELESTOW: You bind yourself to that which you hate. You are required not to involve yourself in hatred of another and hatred of yourself, as hatred binds.</p> <p>Mandarin: What you do is to bring the person small gifts such as on a celebration day and this will help you to resolve the tie as the days go on, that you rarely ever see the person any more. In so many words, you express, "I'm going to chill. We do not see eye to eye. You go your way, I go mine."</p> <p>Typist: You can also do the opposite. If it is ennui, amorality, you try to route this out of yourself. "I'm not going there." You watch the words you use. For example, Bill Clinton's word was "adultery". And you can see this in many ways. Another such word is "prostitution". You can see many men are prostitutes when they sell themselves to authority and not morals.</p> <p>The Ten Commandments go in thousands of ways, and this was what Moses taught us to do. See how Moses ordered his life. At times, the scripture is "take off thy shoes, thou standest on holy ground." At other times, it is, "God parts the Red Sea."</p> <p>Your keyword "pandemonium" is false. It is a lie. You can live as Moses and one who hears the scripture of Moses. You are living a lie in confusion, in a noisy disorder. Once you are there, you are having arrived.</p> <p>STEVEN ECKL: "Agree with thine adversary." Also learn, "Nobody likes you anyway."</p>
116	Northridge, CA	Troubadour	<p>Typist: What is of the higher levels of knowledge are of the Levels 5, 6 and 7. That knowledge takes you into soul territory and knowledge of the "pearl of great price." The soul knowledge is not flat, it is geometric. It is where one such as that has not 3 dimensions but many more.</p> <p>STEVEN ECKL: Beyond that or in addition to that is knowledge of the Higher Being, the I AM Presence. What you learn of as dogma from the Catholic Church is not the knowledge necessarily of wisdom.</p> <p>Nancy of Oregon: Nor of cybernetics.</p>

			<p>Typist: You want to kill me, do you not? Normally when I find this level of intellectual threatening so to speak, that there is a dagger in your cloak. But I sense you are a drughead and you are angry that I do not support the hash mind, that takes the opposite position to any tradition.</p> <p>NOSTREDAME: It is taking a position against the traditional path, not necessarily the status quo. And you are a pot smoker, and refuse to give it up. Jesus Christ has asked for a continual teaching upon hash, as a part of the Second Advent Teachings .</p> <p>JESUS CHRIST: Thus you can leave the Church. There are 4 of you, and you know who you be. Do not attend any Christian Church, work on your condition. You are not actually happy here. For this level of attack of the Second Advent Teachings [to be throwing tomatoes at it so to speak] is not something that you truly desire to hear. Then go in equanimity.</p> <p>HOLY AIMEE: You are each ex-communicated by Jesus Christ.</p>
117	Portland, OR	Telemaster	<p>Typist: You may want to try Kali Phosphoricum the homeopathic medicine. The Kali's are the phosphates. This one is non-toxic as a tissue salt sold in health food stores. It may help to balance many delusionary thoughts that plague you. Thanks for writing.</p>
			<p>Homeopath: I would like to remind all that if you have not taken Mercurius Corrosivus 30c, that you try to take 2 to 4 doses over 2 weeks of this medicine that is I have learned from the Archangels to remove the rot vibration and the degenerative disease vibration.</p>
118	Kansas City, KS	Cancer	<p>FATHER MALACHI: The demon you have is Crappie and Crane demon..</p> <p>FATHER STRONG: 24%. As this is a high percentage, work it down.</p> <p>Typist: It takes an understanding that unless you reach rock-bottom, you do not progress. Crane does not usually reach rock-bottom.</p> <p>STEVEN ECKL: However many times they are not leaving the power game. And it requires leaving the one-upmanship game.</p> <p>WINSTON, Daniel Boone, Admiral Nelson: What I taught was that you carry a book with you, you underline spiritual insights, and you talk about this and get out of these crane games, as you do not leave the kill and be killed political games otherwise. It is always quite frustrating as it is such a hollow experience.</p> <p style="padding-left: 40px;">"Can't you find better things to do than this dreary crane business?"</p>
119	New York, NY	Nebraska	<p>Typist: It is co-dependency work that requires your attention. You can</p>

			<p>find a list on an internet search and begin to work on it.</p> <p>Mathzedes (formerly Mandarin): You can place your attention on those who might not seek to kill you. You would guard your life.</p> <p>Nancy of Oregon: The name change in Mathzedes was not to appear as a policeman in uniform to be attacked.</p> <p>ANDREA SELESTOW: The name is derived from the Units for the Reinstatement of Order.</p> <p>STEVEN ECKL: They are famous for “riot control” control of drugs into the country.</p> <p>MOSES: There are times such as these that you leave off these people now.</p> <p style="text-align: center;">Go your own way.</p> <p style="text-align: center;">You can learn about the 12-step program. Simply try. And even go to Alcoholics Anonymous meetings if you will to see you are an “alcoholic behavior” to find yourself among these people and make way for the exit door.</p>
120	Jones-town, NY	Jemima	<p>Typist: The requirements for the ascension are changing. What is common is knowing the teachings. To ascend from inner levels requires knowing these teachings.</p> <p>STEVEN ECKL: How you would learn these teachings is through the Ascension Temple. However you would need to qualify to enter.</p> <p>Nancy of Oregon: The level of sinful living must be lower.</p> <p>ANDREA SELESTOW: The vow of chastity is that you pass the initiation of the holy women with their lamps trimmed. When the bridegroom comes, you are not invited in, as by your admissions today.</p> <p>POPE JOHN PAUL II, Ascended: It is both a sin upon yourself and upon the Church.</p> <p>FATHER MALACHI: The “I don’t care” attitude on fornication would not even qualify you to marry someone in the new US Church.</p> <p>FATHER STRONG: The men would consider this unacceptable not to have a non-fornication policy. They would leave you be.</p> <p>Typist: This is the substance of the 1:00 o’clock line in ennui, living by likes and dislikes. Study this line, to see your way through.</p>
121	Pamona, CA	Sushita	<p>ANDREA SELESTOW: This is a teaching of God Helios given on the medicine Apis Mellifica made from the honey bee in answer to your question, am I an homosexual?</p> <p>Nancy of Oregon: The teaching is not necessarily on taking the medicine. It is that you practice the path of God is Good. You can replace the word God with Good.</p>

			<p>NATHAN the Judge: In reviewing your records, where you can go with this is to see that you were raped.</p> <p>ANDREA SELESTOW: The keynote for the homeopathic medicine Belladonna is “sudden and violent” and you can use this medicine for a few days, one pill each day, and it will not go wasted as you can use this for fevers.</p> <p style="text-align: center;">God is Good</p> <p>What is the difference between these two sentences?</p> <ol style="list-style-type: none"> 1. Do you think I am a XYZ? 2. “I am <i>not</i> a XYZ! <p>ANDREA SELESTOW: #1 is sympathy for evil.</p> <p>Nancy of Oregon: What is the difference between these two sentences?</p> <p>GOD HELIOS: Try to see the difference. There is a difference. As what you affirm, you believe in, you become. When you use the word of God— I AM—</p> <p>MOSES: — you are then carving out your future.</p> <p>ANDREA SELESTOW: When it was said after taking Apis, “ I was never afraid of mosquitoes again,” a person said: “Oh she made friends with the mosquitoes.” It was very funny.</p> <p>GOD HELIOS: What you are doing is to make friends with your past. That yesterday it was horrible ill-willed mosquitoes and today, it is with medicine and understanding there is nothing to fear or you cannot live with as pesky insects that you cannot do anything about. They sting, bite and cause a great pain and red swelling and are miserable company. Are they going away? No, but with Apis you are armed. And should you even have a stinging pain reminder of the mosquito, you take the Apis medicine.</p>
122	China town, NY	Jane Long	<p>Typist: Unfortunately, Chinese love money. So you will find the Chinese Americans will also work for bribes. So although you are not first generation but third, it does not mean that even the first and second are not greedy for money and will join in organized crime.</p> <p>Mathzedes: You have to say to people, “I’m third generation. I’m a bona-fide Christian.” People normally think the religion of the Chinese is gambling and worship of ancestors.</p> <p>ANDREA SELESTOW: Most likely however you were not always Chinese. Many times you fit in the Western culture as you have had already some Western embodiedments.</p> <p>Typist: One way is to speak forthrightly about backdirect and karma.</p>

			<p>STEVEN ECKL: Teaching this, that Jesus spoke about turning the other cheek, meaning to turn the other cheek with someone you have backdirect with. If you will, you will show how more advanced you are in spirituality.</p> <p>SAINT DIANE: You keep repeating, "What goes around comes around." It is an advanced teaching to Americans who have not yet understood that backdirect and reincarnation was taken out of the bible.</p> <p>STEVEN ECKL: At the first Nicean Council in about 100 A.D.</p> <p>JESUS CHRIST: If you preach the Word, you will not have trouble being identified with the barbarians who eat the cannibal meat.</p>
123	Ontario, Canada	Post mortem	<p>Typist: Canada does not have a dispensation for Christ sponsorship. It is not to say that all are Fifth Column, albeit those who were of this breed did go to Canada at the American Revolution period. You will find that many cultures unless they have the climate will often think more of survival.</p> <p>EL MORYA: One group that is fire oriented are the Farci or the Zoroastrians. They do quite well in fire in religious worship, they are a wealthy and mindful people in India. The climate of the too cold or too hot places are not conducive to a flourishing of culture.</p> <p>STEVEN ECKL: What is the fire element? It is the etheric body which is the fire body. From this cognition, there is then the application through the mental, emotional to the physical bodies.</p> <p>JESUS CHRIST: You see that the question of the Christ lineage is person by person</p>
