

Evil Eye

Q: What is necromancy and what is so evil about it?

Typist: The word necromancy itself is very general. Necromancy can be suggesting to a person, you need to buy this and you never intended to buy it. Here we describe the Evil Eye.

FATHER MALACHI: It is having power over you if you let it, if you consider Satan a saint.

Nancy of Oregon: Of all the crimes there are, whether by the darthvators or fallen angels, try to find the one that will take away your free will.

ANDREA SELESTOW: It could be a killing of your soul. And you in a stupor may say, "I do not have soul pain. I can live out my comfort in luxury and having insurance and annuities." This indifference lends itself to necromancy.

STEVEN ECKL: Eventually you will go to the second death as you cannot pass the Judgment of Souls trial.

ANDREA SELESTOW: Thus Jesus Christ did say, "Fear not the one who can kill the body but fear the one who will kill your body and soul."

EL MORYA: The ones raped at the sex cult false teaching are not able to see that they would have their souls killed by a fallen angel, Samyana.

Typist: It is described that Moses said that of all angels, this one he feared as this angel was known to kill souls. And this information was made known and they did not leave the organization.

MOSES: It is what legend says that I had said. Yes, I knew about this fallen angel Samyana. They renamed him Samuel, and the name Samyana came forth again in this time.

Rasputin is not the one you will meet however. Most of the time you will not see the necromancer as he does his evil eye from a distance upon you. He however knows the tone of your voice and is able to find you quickly to start a conversation with you from afar.

Your only requirement is to recognize evil when it is about, to denounce it, to call for its judgment. It is of your responsibility to do.

Mandarin: The necromancer is one who controls your mind. It is though innuendo and lies.

ANDREA SELESTOW: It is through false appearances such as wearing \$100 and \$1,000 gowns and tuxedos, diamond necklaces and tiaras.

Nancy of Oregon: They will say something that is implying it is Mother Mary speaking, and logically you know it could not be from Mother Mary. It could follow right after her speaking to you.

You are given the evil eye when suddenly you feel tremendous guilt and shame and the suffering thereof, for something that happened many years ago that you have not thought of since.

WINSTON, Daniel Boone, Admiral Nelson: The fallen angels are able to read your past records as they are the teachers of mankind so they have access to your records.

Nancy of Oregon: They bring them up your past and torment you with guilt and shame. You may have already been judged even, and still they bring them up.

WINSTON, Daniel Boone, Admiral Nelson: You are being led to do what they want. Sometimes it is a matter of wasting time, and in that time, either you did nothing to stop it, or you were tied up so some other crime has gone forth.

Rasputin and George Sahagun spent most of their time convincing you they were saints in front of you, then behind the walls, they necromanced you.

Typist: The Princes in the Russian Court tried to kill Rasputin.¹ He was cavorting with the court's women to overthrow the government and the women considered him a saint. And Rasputin was Samael (Samyama) in embodiedment.

¹ A strongly prevailing opinion is that Rasputin was the actual ruler of the country.

WINSTON, Daniel Boone, Admiral Nelson: I was a prince in the Russian court. We could not put Rasputin to death. Many tried, over 50 times. Those who tried were hexed afterward. And throughout their life, they accomplished nothing and were as idiots and died painful deaths, of suffering of ill health deaths.

Nancy of Oregon: They tried to kill him by drowning him, stabbing him, they could not kill him.

WINSTON, Daniel Boone, Admiral Nelson: These know in advance when you are trying to kill them. They will escape before you can do this. All necromancers have this ability, to know when you are in a chase after them.

Nancy of Oregon: Rasputin's representatives had everyone there think that she was Saint Bernadette and Jesus Christ said, "No you were not, you lie." They thought she was Miriam in the Sinai Desert and Moses said, "No you were not, you lie." Everyone believe El Morya was their sponsor, and he said, "No, I never did any sort of this."

WINSTON, Daniel Boone, Admiral Nelson: What they do is to have the sex cult there whether in the Rasputin Russian court or there where I had lived in Arizona for the reason that they can rape your Light. It is also for the binding of sex, that you are then tied to them that you do not ever leave. El Morya was not able to wrest his former students from there.

Typist: In *Hostage to the Devil* by Malachi Martin, he speaks about Marianne who is a Catholic going to classes arguing with the nun teacher and it is nonsense type gibberish about cosmic law.

False teachings show claim that are not knowable. Claiming that God is all pervasive, and this is a lie. God is not all-powerful, that is a lie. And what Father Malachi was showing was that the highest forms of evil are of those who know the word and how to make it into false teachings.

FATHER MALACHI: It is not at all easy to see false teachings. And about the only way you can tell evil is not by reading this and that document by one with the evil dye, but to sense with the third eye, with the soul, with the heart what is evil.

FATHER STRONG: And whether there is an evil person with an evil eye upon you, trying to make of you mincemeat as described about those who tried to kill Rasputin.

ANDREA SELESTOW: Here the evil eye is what these do all day long— how to hex you.

Nancy of Oregon: He holds his hand over his heart as if to say he is a holy man.

Mandarin: There is a practice called syringing that Red China, Russia and the Japanese do. It is placing a long needle into the skull and with a chemical to destroy the long-term memory. After such an operation, the syringed is heavily necromanced, into believing that the group masturbation sex and such abnormalities is normal for him.

JESUS CHRIST: This is the imprinting done by the necromancer after the syringing. And thereafter as in imprinting as in ducks, these believe this is their surrogate mother. And whatever the necromancer tells him to do, he does. He is not able to break away from this, as the necromancer speaks to him as a mother to a child.

ANDREA SELESTOW for MOTHER MARY: This often happens, that the necromancer takes on the role of the Divine Mother to do this necromancy.

STEVEN ECKL: It is a heavy, heavy energy. It is what you would try to do, is to break up the evil eye.
