132	San Fernando Valley	Jan oakie	<p>Nancy of Oregon: This is an illegal alien who came from a business class family at age 25. He was not born into a Catholic family. He is here as a Catholic priest.</p> <p>JESUS CHRIST: You are not a Catholic. You are a Mexican. You are to leave the country. You are not wanted here.</p> <p>HOLY AIMEE: Most Americans did not receive the dispensation to be born in the United States without a long cycle in being Christian.</p> <p>COMMENTARY: I for one, started on the Christ path centuries ago.</p> <p>ANDREA SELESTOW: What happened was he hit rock bottom, and from that experience did walk the Christ path into the centuries.</p> <p>ELOHIM ASTREA: Even the Greeks we have here such as the Sage of Omaha is shown this opportunity to incarnate in Nebraska and it is not to have riches but to learn the Christ walk.</p> <p>Nancy of Oregon: In the book on the life of Jesus Christ by Dolores Cannon, <i>They Walked With Jesus</i>, these Eagles had already known of the hardships then in Palestine in spreading the Christ message to be following Jesus and going with him dressed as a man in order to visit the leper colonies.</p> <p>Michael Jackson: Even I as a Jesuit priest in Africa, I would come to the United States on dispensation.</p> <p>FATHER STRONG: Do leave in peace. That you will “take down a few things here and there” will be a weighty backdirect or karma.</p> <p>STEVEN ECKL: The rejection of Christ backdirect can be tremendous. It may mean that you would not find a Christian nation to incarnate in for</p>

			<p>70,000 years.</p> <p>Mathzedes: You go and live as the tree people.</p> <p>NOSTREDAME: It is not to say that there are not evil Eagles who have had to reincarnate in 3rd world countries either.</p> <p>NATHAN the Judge: This is what we have seen through Cosmic Council time and time again.</p> <p>ANDREA SELESTOW: In such a situation, you ask what is the Will of God.</p> <p>FATHER MALACHI: And this is not the Will of God if Jesus Christ asks you to leave.</p>

131		Ham Sets	<p>Nancy of Oregon: You tell the perpetrator to “go to hell.” That is a calling for their judgment.</p> <p>ANDREA SELESTOW: Moses did give a teaching. These were military men who had seen their fellow Eagles syringed by the Germans, Red China, Canada and Mexico. Thereafter they were brain dead so to speak.</p> <p>Nancy of Oregon: They had seen the castrations in the military of those who were merely sleeping in their bunks and CIA agents were let in to castrate entire garrisons.</p> <p>ANDREA SELESTOW: Therefore among many atrocities, among the genocides, it was that Moses did say as a reversal out of the deprogramming that they would do certain exercises. That these would pummel and dummy in uniform that caused them the deprogramming and then as the military has coffins, that you use up one already there. You throw into the coffin the dummy in foreign nation uniform.</p> <p>NATHAN the Judge: Moses instructed these to give the men a can of spray paint and go and graffiti the coffin and say whatever you want to say as an exercise to reverse out their evil deprogramming.</p> <p>ANDREA SELESTOW: He said that this is the Korean deprogramming you yet suffer from.</p> <p>STEVEN ECKL: And that absent doing this, you will go and find a building in the city to go and graffiti, a bar to pummel someone under alcohol abuse.</p> <p>ANDREA SELESTOW: It is one way you would see this teaching of Mother Mary. Another is what Jesus Christ said on “I killed Nicodemus.” He said it was the lesser of two evils. That had he not</p>

			<p>killed Nicodemus, he would have killed Mother Mary, Joseph and himself.</p> <p>MOTHER MARY: Thus you can see why it is a necessity that you confront this evil that another and another be not in turn be hurt.</p>

130	Jamaica	Pensive	<p>Q: Why would anyone think that the Catholic Church would survive, considering the child abuse, and their inability to change?</p> <p>ANDREA SELESTOW: First, there is still the sponsorship of Beloved Mother Mary and Beloved Jesus Christ for Christianity.</p> <p>Nancy of Oregon: Second, the United States is going higher in law. With the United States having as its highest law in the land, the Ten Commandments, you can translate that into how the Bill of Rights when established in the United States made for this as its highest law, that then, made the United States extraordinary.</p> <p>Mathzedes: This is extraordinary. When people live by True North Principle, you can see Christianity cannot be but a light upon the hill. You see that the work of not only the founding fathers but of those who built the United States such as J. Edgar Hoover and J. Paul Getty, J. P. Morgan, Police Captain Devery in New York City, these all practiced and understood True North Principle as the highest moral behavior and with this, did build the nation.</p> <p>STEVEN ECKL: This nation as we are speaking today will see something quite extraordinary going forward. That Moses has not returned for over 2,000 years, that El Morya when as Abraham has not had a word, when people will return to the liturgy, you can see this is dynamic, it is geometric. It is not something that you have a way to measure this however.</p> <p>Nancy of Oregon: It cannot be measured as we have not tried this new "bill of rights" called the "Ten Commandments" as its new law.</p>

129	Oakland, NE	Cancer	<p>ANDREA SELESTOW: That you work for the black market is with an ennui. What you can expect is to find that you will have the backdirect or karma to balance nevertheless for being an accomplice.</p> <p>JESUS CHRIST: You would leave the Catholic Church as the being a nun to work for organized crime will eventually bring this backdirect back to</p>

			<p>you.</p> <p>HOLY AIMEE: It is best to begin balancing the backdirect now.</p> <p>Mathzedes: Often the morality that the criminals abide by is “if you don’t get caught with the law, you’re doing fine with the law.”</p> <p>Nancy of Oregon: The law is a mirage.</p> <p>Mathzedes: “<i>You are a criminal.</i>” It is what if you were to go to the police department today, they would tell you.</p>

128	Alham-bra, CA	Joy Stick	<p>ANDREA SELESTOW: This one says she cannot accept the Teachings, that are so “abrupt” in manner.</p> <p>STEVEN ECKL: She cannot believe that Jesus Christ killed Nicodemus. As he would not do anything “abrupt.”</p> <p>JESUS CHRIST: What choice did I have, he sought to kill me, my mother my father— Mother Mary and Joseph!</p> <p>FATHER MALACHI: What you would choose to do in this situation os the lesser of two evils.</p> <p>FATHER STRONG: For you to say, “I cannot be abrupt”, you are in a weakened position before a con man.</p> <p>Nancy of Oregon: El Morya taught us was that you be ready to move in 2 suitcases. He explained that at times the call comes forth to move in 2 suitcases, and you would need to depart abruptly.</p>
-----	---------------	-----------	---

El Morya's Policy!

Nancy of Oregon: No! His policy is 2 suitcases!

EL MORYA: All my disciples must be able to pass this test. Those who have the baggage do not pass the test of the Level 4, we part company even though they have been a chela¹ of mine for 20 years.

Nancy of Oregon: This policy came out of the question of what to do in World War II . People would not leave for United States away from the Nazis in Germany or France.

ANDREA SELESTOW: He requires this readiness.

¹ “Chela” is “disciple” in Sanskrit

STEPHEN ECKL: Thus we at a moment's notice we were driven by bus up to the Mol Heron Creek site to decree at 11:00 P.M. on the enormous Yellowstone Park fire that would have jumped the property line in *one* hour's time.

NANCY of Oregon: EL MORYA asked his students caught in Rasputin's group to pull up stakes, they wouldn't move. They were risking the death of their souls, as this is Rasputin's group.

EL MORYA: Thus it was a teaching that is necessary that simple said, you are not able to meet this standard of excellence.

NANCY of Oregon: The department head comes to someone's residence door. He wants to talk to her about business. This is the dorm rapist. Next thing, the husband and she is fired.

Mathzedes: The rapist comes to the door with a \$100 Bill showing in his hand. He says, "It's Valentine's Day".

MOSES: He pushes the door. Most women and men are not trained to immediately shut the door.

BURNJEH the Physician: You can see this training is absolutely essential for all to protect himself.

EL MORYA: To learn to say, "Get out of my face."

MOSES: People learn how to deal with the con men.

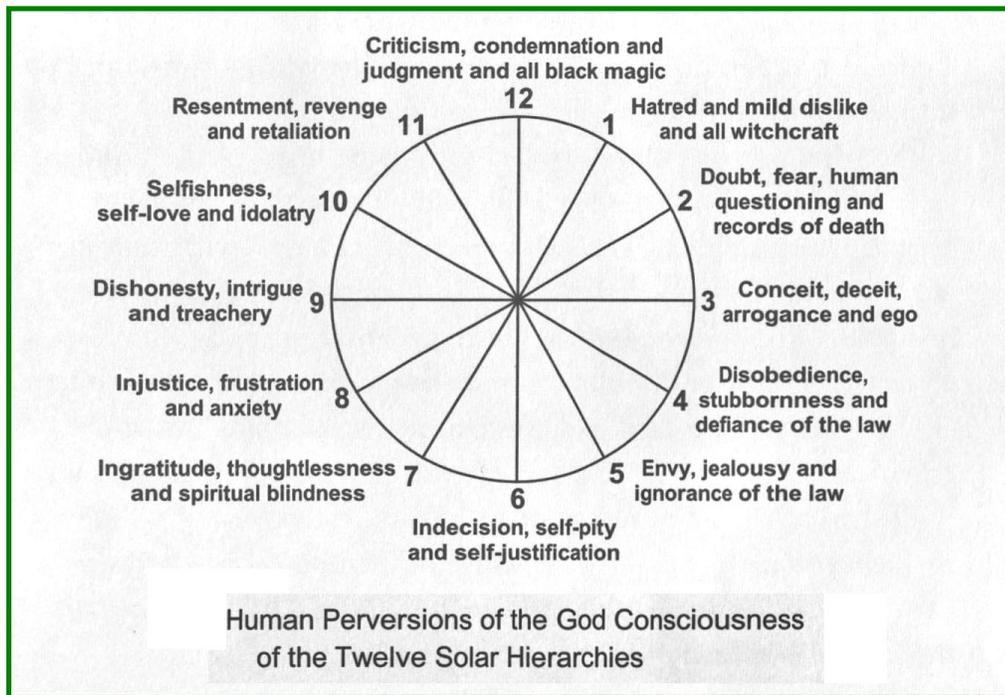

NANCY of Oregon: If the con man asks a question that must be answered, learn to say, "Leave me alone! Get out of my face."

ANDREA SELESTOW: Both EL Morya and Mother Mary teach us to use a broom to whack them out of the room!

127	New York City,	Trim	Typist: The question is about having a killabortion and what karma is there if you would speak out against the Church on it? The Catholic

NY		<p>encyclopedia is clear on killabortion of 2,000 years, it is not a temporal issue. A word no longer used in common usage is the word <i>heresy</i>.</p> <p>FATHER STRONG: Irrespective of whether the Church is right or wrong on issues on women, there does appear for a time, a time, a time and a time and a half, one in which one does not go against what are the principles only that one might not leave the Church. As what you do to preach against the gospel is then how you choose to go.</p> <p>FATHER MALACHI: It is how you are choosing for others to go.</p> <p>FATHER STRONG: For example, of these attributes, how is it possible to kick against the pricks— and that was what was done.</p> <p style="text-align: center;">Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God. (Galatians 5:20)</p> <p>Typist: Might I say that you recant whatever you said to others on killabortion that you may have said wrongly. In heaven— where you and I are headed— it has a different set of rules, than free speech, say whatever you want. There, you are what you say. So I have been asked many times by Mother Mary <i>directly</i>, “Cancel what you just said,” as it then obligates you to fulfill the word or evil.</p> <p>Nancy of Oregon: When you are working with the Divine Mother, this is what you can expect—this daily chastisement. You would welcome it.</p> <p>ANDREA SELESTOW: And not be afraid of it. It is for your own good.</p>

Keyword: Numinous

Typist: This Catholic asks if being Catholic has to do with being in a certain nation, such as the United States and Britain. The answer is yes. The culture is inculcated and educated to children.

STEVEN ECKL: In the Philippines, it is a Catholic country, the children are raised Catholics.

Nancy of Oregon: The Mexicans however are raised with the Montezuma temples. Even with a revolution, the Mexican form of government is not Christian but oligarchy materialism.

Typist: You see how the Chinese psychics did call upon Mighty Astrea. How the Singapore Chinese where they were traveling through Hong Kong were influenced by the English Christians. And became educated nevertheless to look for Mother Mary as a real Divine Mother.

ANDREA SELESTOW: Even though a Western nation, the Germans choose not to be Christian but to become Islamic. With mass communication, people can find the Christian culture and it is not a matter of economics as in Dubai.

Typist: The question is very basic, as a child, you learn to call to Jesus and Mother Mary as a child experience. See how those in the United States who were threatened with a gangland slaying, instinctively called to Mother Mary or Jesus.

Alternatively the illegal aliens from Mexico who know Mother Mary try to hide from her because they must lie to her to steal, covet or kill, such as, when their goal in life is to kill as many Americans as possible, take their home, set themselves up in an American business in with the American they just killed.

STEVEN ECKL: The culture hires to kill and they worship death. You see this in the Cinco de Mayo skulls along with the licentious sex the dissipation of the vital force, a suicidal pattern that Moses did lay down the Ten Commandments as law.

Nancy of Oregon: You see this in the Mexican pastry shop. The Mexican can order the name of a relative drawn on the candied skulls that they might eat their relative's skulls.

STEVEN ECKL: You see this in the road rage person gets out of his car and with a gun kill the driver and drive on.

ANDREA SELESTOW: You see this as the temple worship, the raping of the woman 15 to 1 and throwing them down the temple. And there are over 10,000 of these temples in Central and South America.

Nancy of Oregon: Fundamentally, this has not changed with Cortez and the Spaniards. The most recent temples being built with electricity was in the 1950's.

ANDREA SELESTOW for MOTHER MARY: Juan Diego has gone to the second death.

Typist: The Mexicans in desiring to takeover the United States forgets that they already had a revolution.

Nancy of Oregon: The revolution means a violent overthrow however what is it that you consider so great about Mexico to take over what the United States has. You still need to be the Calvinist and work.

STEVEN ECKL: Neither is having the “sexy” Mexican as your strategy to partake of the wealth of the United States and it has not yet worked!

JESUS CHRIST: Your faith is misplaced. Your faith is best served in either being in the Catholic Church or in the Martin Luther teachings of mercy and grace. That you are proudly *numinous* in the takeover plan is of your own judgment, as sure as night follows day.

Fillet Mignon: What this one said was, “We know what we are doing! We are “luminous” in how we are in taking over the United States.”

STEVEN ECKL: This is a sign of revolution.

MOSES: You cannot force Jesus Christ or Mother Mary to take and accept your plans even if you wrote and burned a million letters, even if you have cause for revolution. He holds an office in Hierarchy.

We have said it before, we say it again. That when you demand that Hierarchy unseat a nation such as the United States as you seek to have what these people have for yourself, you will not find this a wise move, as the backdirect is very great. It is not *numinous*.

Typist: Why? The Ten Perfections of Gautama Buddha are a part of the Second Advent Teachings. And this is not practicing the *Perfection of Alms*

STEVEN ECKL: It is said of Sumeda, the buddha in becoming, laid down his body as a garment over the mud, that the Buddha might walk over to give the Dharma or the teachings.

ANDREA SELESTOW: You are not the smarter of the America’s.

- **God Surya has renamed “American” to be “Eagles” for now.**
- **God Surya has renamed “American Chinese” with “Chin” as descendants of the Lemurians who had the Christ scriptures.**
- **God Surya has kept the name “Latino” to indicate the American who is inculcated from the Christians of Spain.**

ANDREA SELESTOW: We are Eagles, we are not a part of Central and South America as Americans.

Nancy of Oregon: Might I also say that in the Christ Second Advent Teachings, it teaches on the Ruby Ray and that is “the land rejects you.” The laws as we are speaking will be changing— you cannot barge your way into the United States by harassment.

JESUS CHRIST: This is an illegal alien.

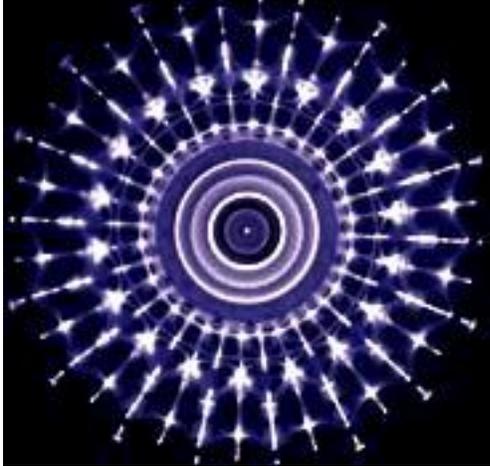

Nancy of Oregon: You are trespassing. You want us to say that you are grandfathered under NAFTA, and you will stake your territory as a pioneer. You are trespassing, as an illegal alien, you are to be killed if found.

JESUS CHRIST: NAFTA is not to be recognized. It is for a large black market.

STEVEN ECKL: Do not be confused. The Christ lineage passed to the United States through the throne of England. Speaking as a revolutionary— you have already had a revolution in Mexico.

125	Dallas, TX Japan Kansas Los Angeles	Seismic Job Daketo Amos Pacman	<p>Typist: Might I say that when you have an opportunity to speak to Hierarchy, that you realize it is unprecedented. Elohim Astrea spoke to some Red China psychics. She told them on their murder job, to go home early, just fill out the time card, go home early. Then about a year later, these very ones were about to be killed by Red Guard. And they immediately recognized the brilliant light of Elohim Astrea, the Blue Starry Mother, and she led them to a soft landing. Thus you do not know how these opportunities are.</p> <p>NANCY of Oregon: It is said in our Teachings that a single crumb from the Master’s table as in hearing the from Jesus Christ on personal advice is enough for an entire lifetime, enough of wisdom to carry you over the entire life.</p> <p>ANDREA SELESTOW: Your question is not of a Catholic.</p> <p>NATHAN the Judge: It is considered contempt of court. In this situation and the one below, the karma is unfathomable.</p> <p>STEPHEN ECKL: It is said in the Teachings, that “the sin against the Holy Spirit cannot be forgiven.”</p> <p>FATHER STRONG: Thus you realize that when the Lord comes and the lamps are not trimmed, there is a casting of the one into outer darkness.</p>

			<p>ELOHIM ASTREA: Thus even the Chinese psychics have moved forward under Hierarchy, and that you did this, pushes you in its opposite vein.</p> <p>Typist: The Red Guard were going to stab to death the Chinese psychics, and Elohim Astrea continued to give them options throughout their day that they were hostage under the Red Guard. Such as, go sit in the public with a lot of traffic so it will not be a gangland slaying.</p> <p>ELOHIM ASTREA: And I said to these, "And then call to me-- Mighty Astrea-- as soon as you see them approaching, their coming down the hall to kill you. You will leave the body right away and there will be no mutilation of the physical body. You do not need to worry, the guards will find your dead body already. Do this, and you do not need to fear." They died in safety and left on time, following my instruction and left the body. Did not look back at the horror.</p>
126	West more land, NH	Bungee Jumping	<p>STEVEN ECKL: To your asking if there is a bungee jump to the Teachings, there is. And it is not more of the written word and sermons, not even the Quaker witness. Rather it is the chanting.</p> <p>Typist: A lot of people came through the teachings by chanting away the nicotine demon. They saw that picture and stopped smoking in a few days.</p> <p>Nancy of Oregon: If you have some work that requires the Light, the chanting is applied to that.</p> <p>ANDREA SELESTOW: the Hans Jenny experiments showed that a sound sounded against a plate of sand created beautiful designs. And this is how the chanting will affect the atom, cells and electrons of your being.</p> <p>Typist: This chanting can be considered geometric, however this way is more a step to the ascension. Where you live, is perhaps a place where there is basically not much disturbance. We had a disciple who lived in a town of about 300 on the border in North Dakota. And what he did was decree for 5 hours a day. He literally lived between heaven and earth.</p> <p>STEVEN ECKL: It is possible to move into those other dimensions, however it is through chanting. Try doing an Elohim decree, you are</p>

			catapulted into another dimension. ANDREA SELESTOW: They are the builders of form. Nancy of Oregon: Don't bike too fast or you'll pass the town.
