

Islam Worships

MOTHER MARY: This is a great horror.

ARCHANGEL RAPHAEL: This is how they train the boys at age 9 to worship this whipping of their mother as a sign of freedom and manhood.

Nancy of Oregon: We have found that the Mexican culture worships death. Today, it is learned that Islam worships exploding people.

NATHAN the Judge: It is apparently quite common in and through many nations. The Karmic Board looked at the records.

ABRAHAM of Old: This is a teaching and a worshipping of Islam. This is the whipping of the mother's naked back. The child is to whip the mother at age 9 a total of 5 different times.

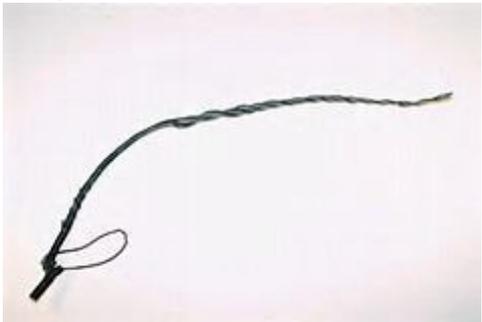

Nancy of Oregon: The boys are told that this makes you strong, you are made to not be dependent on your mother. This trend goes from Northern Africa through Germany, through the Baltic region, Pakistan and India. Even among immigrants to the United States, those who are the Moslems.

ABRAHAM of Old: This was not seen in earlier times when I had been the emperor of the Moghal Empire.

NOSTREDAME: It arose with the Ottoman empire. Entire nations, civilizations exploding from their doings.

ABRAHAM of Old: See that the United States is not any better off than other African or Asian nations. In the United States, Malcolm X converted to Islam. Malcolm X was murdered.

A US citizen, a Moslem, volunteers for Salvation Army and Boy Scouts. This Salvation Army volunteer as a United States citizen works with other Moslem families in training them in how to whip the family mother. Ultimately the Moslems from this experience do not forget to practice this violence of explosion.

	<p>ABRAHAM of Old: The whips are large whips.</p> 
	<p>MOSES: Where you see this type mutilation to be kept alive as "lessons to you", <i>even one person</i>, you as a nation would no longer trade with them.</p>

ABRAHAM of Old: You can see why they are veiled. No one is recognized. Then intend to keep it this way. There is no accountability to Islamic horror.

Nancy of Oregon: They worship this.

The Syariah whipping

- 1 The rotan is 1.22m long and 2.25cm thick.
- 2 Male offenders stand while being whipped but females are seated.
- 3 The offender is fully clothed in accordance with Islamic dressing.
- 4 The whipping has to be with average force without lifting the hand over the head.
- 5 The stroke cannot be administered on head, face, stomach, chest or private parts.
- 6 A government medical officer has to be present during the whipping.

ANDREA SELESTOW: And this.

MOSES: Teachers of the Moslem religion in our schools are to be interrogated. Killed, if they have not escaped the nation already elsewhere.

Where you see this, you would not trade with them. She can be whipped for not wearing the veil.

Islam cannot come to our universities, to become teachers or leaders in our nation.

It is furthermore not a recognized religion under the freedom in the establishment of religion. Just as KKK is not a Christian religion. Mormonism is not with their killing and murders in the name of God. The witches who do their hexing and necromancy and the training of male and female prostitutes, is not a religion under the US Constitution. The homosexuality, lesbianism or sexual misconduct practices such as proselytizing, group masturbation sex or polygamy, are not a part of the Church Universal or Church Universal & Triumphant. The hallucinating drugs¹, demon worship and demonic possession, nature spirit worship, psychic killers, UFO's, aliens, darthvators and necromancy, worship of the dead², worship of the release of Light at killing and necrophilia, Satanism, voodoo and witchcraft. The worship of death and not life as culture. Satanic glee is seeing torture and sadism in death and dying—not recognized religion.

We will say this then.

¹ **Nancy of Oregon:** All hallucinating drugs. Mescaline, LSD, peyote, marijuana-deathdrug, hashish, hemp, amphetamines, opium, etc.

² **JESUS CHRIST:** Worship of channeling, of departed souls, of ouija board readings for life guidance.

The foul spirits of hellfire from TV evangelism preaching a doctrine of burning in eternal hellfire, encasing the soul in fear leading to being necromanced that is from the dark spirits and darkest realms of hell.

ABRAHAM of Old: Worship of tantra, jihad, dahwa.

HOLY AIMEE: The mouthing of departed spirits in what is not a true "getting of the Holy Spirit."

Those nations who veil the women are not ones you trade with any longer, as you yourself have not known this even from the Ottoman empire. And you would not know this, and thus, information does not pass quickly of these atrocities whether of the castrations or the mutilations still alive.

You do not trade with them, therefore you take back the oil fields they stole from J. Paul Getty of Standard Oil. Even with the amount of money given to Islam from petrodollars in inflated prices,³ they consider that violence and explosions must occur in the name of having what the West has that they do not have. Yet it has been siphoned off in magnitude that they yet do not share in Christlike manner with others.

NATHAN the Judge: What Moses is saying in addition is to court-martial social laws in the future as to its resultant outpicturing. This includes NAFTA in its aftermath for criminality and social issues and losses.

Nancy of Oregon: They are to look at the new social trends and to later on, see where these have resulted having had time to outpicturing in backdirect and loss in Eagle rights of passage.

NATHAN the Judge: Therefore the religion of rationalism from the 18th century until now, did supercede the Catholic doctrine. It assumes that all people make rational choices. It assumes that people live by an honorable conscience. And this has not been as criminals do not make rational choices nor do they have moral conscience!

Nancy of Oregon: It has been a front for organized crime. "I smoked but I didn't inhale" thinking. It is the argument where there be none of "separation of church and state" to disband the establishment of religion.

NATHAN the Judge: The Fifth Amendment rights are given to traitors. And the Sixth Amendment rights are interpreted to mean that you do not say anything in court and you will not ever be found guilty. These are unaccounted-for criminality in current laws.

NOSTREDAME: The rationalist movements had given way to Absolute Evil as in the *Communist Manifesto*. The work of Engels. Hegel.

³ **ANDREA SELESTOW:** In 1970 prices, it ought to be sixty-five cents a gallon for gas. (\$.65 a gallon.)

MOSES: In the deciding of a religious organization to be valid or not, the court-martial court must look upon the tenets of faith and belief to see where it goes in 300 years hence. With mass communication and internet, there is no need to fear “organized” religion.

NOSTREDAME: Upon the Flood of Noah, the earth became uninhabited. Large continents had few people. The Pacific fire ring continent sank. The Atlantis continent sank.

Where there be the military conquests that went forth hence, the generals had to decide what to do with the women and children, and they were automatically made slaves.

In the aftermath of the industrial revolution and the work of the British in colonialism, there was no longer a need to even consider this as chattel and slavery, as the United States and certainly Great Britain and France had already moved away from slavery. The chattel and sex slave cultures have not progressed to this point of the West.

MOSES: The United States has to recognize this is where they cannot actually trade with these cultures that hold slavery and chattel as their standard of insidious conduct and secreted behaviors. Certainly we have machines now. The United States can be as Great Britain or England to colonize in Imperialism but they cannot actually treat these backward nations as their equal. They are barbarians. They are heathen. We have machines now. You can see that these practices of which we speak is replete. Where England went, you see that they have tried to establish the same law and order of the Ten Commandments and the Golden Rule and the Anglican Church.

Nancy of Oregon: From this childhood experience, the Islamic worship seeing explosions either in people, in buildings, they seek the explosiveness.

GOD HELIOS: These would never convert to Christianity, Judaism, as no other religion will suffice where there is no such experience as this heinous criminality. **And in India, they practice the additional torture of the mother by serving her his shit to eat, by the father.**

MOSES: It explains why the United States military soldiers are accompanied by hoodlums to kill their mother. Furthermore many of these soldiers where the mother lives far away, go to the dentist and are drugged. Then when they awaken, they are told, "You went to kill your mother." This is their Islamic deprogramming control over the Eagles and the NATO allied-forces military soldiers.

Our military bases have been German-Islamic-nation controlled. There is the ordering of the syringing of the men, the killing of Eagles in so-called "jihad" training. Once the Eagles are killed in the training session, they force the military soldiers to eat the cannibal meat of the one Eagle killed. In Germany's NATO bases, as much as 900 Eagles have been killed in this manner.

In international and domestic military bases, we found this World War II Korean deprogramming at the NATO military bases: of the Eagles, the British and other Christian nations— by Germany. These Christian-nation soldiers are not allowed to go to sleep or eat without saying, "*I will kill as many Americans as possible.*"

This happened at many air force bases and military bases. The Germans had killed the United States commanders, took control of the Generals' position and many of the corporal positions in the domestic United States military bases.

We are just barely recovering from this now.

Yet we do not have control of the TV media that you are not yet receiving this news.

NATHAN the Judge: The Karmic Board questioned one nation. They said, this whipping of the mother was introduced about 4 years ago. At the mosque there,

in that nation, 5 fathers were found to have done this child whipping of the mother. They have decided to execute these as the 5 as that 5 number of men becomes quickly 25 men under Islamic worshipping to be spreading.

We spoke to another nation. The car tires filled with gasoline to put around the necks of Negroids to burn their bodies was being directed by Islamic religious worshippers, not of their own people. Previous to this time, the people had not had this violence in their nation.

MOSES: The mother never recovers from the whipping, especially if she has more than one child. And thus this is prosecuted under the traitor laws of the United States Constitution, under Absolute Evil crimes of *castration*⁴ and mutilation that takes no pleas by the defendant. These cases are court-martial, they may seek to deport earlier as they will be killed.

GOD HELIOS: We have no further comment at this time.

However, this is a very unstable condition.

GOD SUYRA: We have no further comment at this time.

ALPHA: We are only learning about this now. However you can see why their weapons are car bombs, suicide bombers, 9/11, psychic killers giving heart attacks, syringing men to blow up the brain, poisoning the Great Lakes with chemicals. poisoning the Monsanto seeds to create famine.

We have no further comment at this time to make.

⁴ Thousands of girl castrations were ordered by the clerics.
