## Threefold Flame 2

**Harry Luce:** It is hard to conceive at this time, that a nation can and will and indeed can fill its jobs for the youth when they will follow and learn of Mother Mary as the Mother of God who seeks to provide apprenticeship and jobs for the youth, but it will not be as described, one where the youth are to take on the most powerful fascist positions in a fascist society.

**ANDREA SELESTOW:** The development of the Threefold Flame is said to be surrounding the heart cavity, and yet, it is said that *it grows*, such that it is said that Jesus Christ had a Threefold Flame as large as the earth itself. And indeed this has happened as he hears the prayers of people everywhere.

**Nancy of Oregon:** You might say it is the opposite of this ideal. →

There are no focuses of a human leader to be the leader of all. Not Hitler not Stalin, not Clinton.

It is the individual God flame that works in the world through the agency of the Mother of God, who is mother over the top figure of the Divine Self Chart, a presence chart of who you are.

And through the Agency of the Holy Spirit, it finds jobs for all working to relieve the suffering of all. What has been taught you as the *cross of man to bear and the cross of Christ to bear, the cross of time or kaldesh, or of time and space.*

**EL MORYA:** The *higher initiations* of the Christians will be toward a greater and greater power of the Threefold Flame, what the Eagles are to strive for under initiative purpose towards greater individual power in Christ strive to be, and become.

Who do you trust I ask you? It is Christ in you, the hope of glory.

While it is said that Jesus Christ has a flame that serves the magnitude of the earth, individuals attain to the level of a being a Light on the hill seen from afar.

**JESUS CHRIST:** The Light seen on a hill is you. It expands and grows by the Agency of the Holy Spirit in you, by the expansion of the Threefold Flame that is put to use by the work ethic of Martin Luther as one of grace.

**EL MORYA:** I had been one of the Three Wise Men.

**KUTHUMI:** I, too, was one of the Three Wise Men who saw the Star of Bethlehem, and it was toward the goal of meeting in the great time then toward witnessing the event of the birth of Jesus Christ.

**EL MORYA:** What we did, was to follow the astrology of the times and of Jesus Christ and to find out where he might be born. And while there were the astrological lights, there is also this *inner Light of Christ* that Jesus would come into embodiment in Palestine to bring the Christ Teachings that we did travel from afar from the Far East to see him aborn.

**KUTHUMI:** We wanted to see the child ourselves and were there at the birth of Jesus.
