Threefold Flame 3

ANDREA SELESTOW: You may consider this incomprehensible as it seems so theoretical, however it can be illuminated by an example. Father Malachi was both an exorcist priest, able to sense the police nature of the work of being a Catholic priest and simultaneously able to command the elements in both his understanding of the English language to write 700 page books over and over again. How he attained to this knowledge was *through the heart*, the Threefold Flame in what was going on at the Vatican.

FATHER MALACHI: I was there at the Vatican but you see through the heart and divine mind, that you see the mysteries.

But the words have amazed many, that there could be such detailed descriptions of what were of these worlds of the heart that the heart would penetrate that even the typist on the instant knew this was the work of one ascended, and did read

the books over and over again to learn for *principle* and teaching, not just for story, although story at this level is also the lesson and instruction.

JESUS CHRIST: When you touch of the hem of the garment of one ascended, you traverse the miles in heavenly highway.

JARVIS RAYMOND: People looked to Father Malachi in the broad news reports for the truth about the Fatima prophecy. However it was not for a long time, much later in how it was that the Berlin Wall came down, how it was that there was a domino effect on the Eastern bloc nations that had been swallowed up by the fascist Soviet Union.

FATHER MALACHI: It was through Pope John Paul II actually, what work he did. And you might say, he followed the star of his heart— the Threefold Flame in what it dictated as reason, as love, as ultimate faith.

JARVIS RAYMOND: We only learned much later by his confession that the Pope's work at the Gdansk shipyards with Solidarity was directly to mitigate the Fatima prophecy of Mother Mary through Lucia or the three children who took down the Fatima prophecies.

FATHER MALACHI: Thus you come to understand that the Threefold Flame is capable of this level of work that cannot be found in the solidarity of the fascists!

POPE JOHN PAUL II, Ascended: I was saved from the Bulgarian assassin's bullet by less than a quarter inch by the Archaei Mother Mary from being totally paralyzed.

And thus, you see how it is— that you the Eagles, must use what is a divine gift that you have as this *faith, hope*

and charity residing in your heart, that I myself had taught on, for so many years, that *faith hope and charity*, that is quite the opposite of the Italian fascism that is also found to be a part of any fascist mass exterminator leader.

MOTHER MARY: Here you see scientific invention through the Agency of the Holy Spirit in the use of the Threefold Flame.

MOTHER MARY: It is in addition the path to heaven. You are wayshower, as you live in the Religion of Christ Light.

MOSES: The Mother of God is a role that many will readily understand. What we taught on with the Second Advent students was the anti-mother forces now you can see clearly as fascism or “fascist pig” is what is anti-mother.

ANDREA SELESTOW: The matter universes is as said, the mother universe. How is it possible that you would understand science without understanding matter or mother?

MOSES: The heavenly realms are then realms beyond this, so then, pass the initiations on earth as we have described them. Mother Mary holds an office in Hierarchy called the Mother of God of the humans.

GOD SUYRA: God is Father.
God is Mother.
God is Holy Spirit and Son.
You will find these truths
As you are initiated—

How can be it otherwise?
You cannot change one hair black or white.
You will find the same rules again and again.

Who meets you at death?
The Mother of God.

They have been the golden rule?
They have been the rules.
