The head of the University, with the title of Grand Master, Louis de Fontanes, who always stood against Napoleon, was selected because he came from a family which had both Catholic and Protestant members and because he was a famous literary figure whom Napoleon was pleased to have rally to him.

NOSTREDAME: Fontanes gave us a clear understanding in France. Such that the Grand Master would be one coming from the faith of Christ religion.

The Christ religion is the religion of the United States.

Many years ago, I wrote to Elizabeth Prophet about a major concern I had. It was about a psychological study on 'soul progression'. The study claimed that within the subjects' lifetime massive cataclysm would split the US into islands.

I was so alarmed I asked her what we should be doing to prevent this terror. Elizabeth Prophet's answer was quick and direct:

"How many of the ascended masters' books have you

read?" she asked. "I want a book report on each of them."

And now, I'm thinking about the *amazing* mystical insights. Here's an example. Did you know that during the aeons of the creation of your Causal Body your five secret rays were formed perpendicular to the seven rays of form? Listen to this:

"It is precisely because the Earth planes are not represented in the five secret rays that these rays represent the formless aspect of God's consciousness. This fact also explains their location between the white and yellow spheres, causing the rays to be braced between the planes of Matter-Earth and Spirit-Earth in the Causal Body, and enabling them to be integrated with the energy spirals of the form creation when necessary."

EL MORYA: What happened here to my chela Steven Webb? It is many decades now since he came to the Summit Lighthouse. He has moved forward from the time he had the typical young man's subversive type consciousness...

KUTHUMI: And perhaps a star-wars thinking or perhaps the doomsday thinking, the tsunami thinking that the United States would break up into pieces.

NOSTREDAME: At some point in the upcoming Noah's Flood this will happen.

Marquis Fontanes: However he needs the words and vocabulary to describe this to himself and others.

JESUS CHRIST: And thus, the book of *Revelation* is a part of scripture.

Marquis Fontanes: It is vocabulary of the Christian nations that must be taught to each generation.

MOTHER MARY: *There is a Lamb of God.*

Marquis Fontanes: Here you see the person Elizabeth Prophet, has a university that teaches similarly the coordinates for life out of that university. And though there be rumors of war, and war itself, it is understood in the context of the Lamb of God or Christ wisdom to guide you in life, that there is a Lamb of God.

EL MORYA: It was my standard response to such letters written in to the Church. That these would receive the answer to study in wisdom.

KUTHUMI: And Although you might not understand this teaching on the secret rays, it is merely to show you that Cosmic Law must be taught. The teachings from what has been left by Hierarchy must be taught.

MOSES: The teachings of Cosmic Law must be taught at the University.

EL MORYA: And so decades later, he has expanded upon the original teachings of Summit University. He may have left the university with a basic understanding, however you see how many decades later, he came back to understand these very coordinates of which Nostredame speak. And came back to that which Fontanes speaks of, that once you leave the university, you are prepared to live out a long life with the *language*, the *archetypes*—the coordinates.

The First Seal: Rider on a White Horse

And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

The Second Seal: War

And when the Lamb had opened the second seal, I heard the second beast say, Come and see. And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.

The Third Seal: Famine

And when The Lamb of God had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.

The Fourth Seal: Death

And when the Lamb of God had opened the fourth seal, I heard the voice of the fourth beast say, Come and see. And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

MOTHER MARY: The concept here is the Lamb of God. How can you fare life without knowing this.
