Homosexuality

NOSTREDAME: In today's University is a trend to find a different gender identity.

STEVEN ECKL: In 2016-17, Jesus Christ admonished the United States Catholic Church on excommunicating priests and nuns who engaged in homosexuality.

Nancy of Oregon: The homosexual teachings yet to the Catholic Church are incomplete without this understanding of the forces of nature in masculine and feminine.

ANDREA SELESTOW: While to you, you can see easily how when you put two male polarities together in sexual binding, that the males become more effeminate in their

Burnjeh

The tree that does not bend with the forces of nature will break.

speech and gestures, there is even more to be said. that goes deeper.

The lesbian teachers, the lesbians in the Immaculate Heart of Mary churches were seeking to overturn Mother Mary herself, to tell her to— “go inside a closet you,” telling her, “ don’t park here Mother Mary” while they would hold *their* churches to be a part of the Catholic Church which is anathema.

Nancy of Oregon: What came forth to Jesus Christ answering the confession letters of the Catholic Church was a more profound teaching.

NATHAN the Judge: We found that the lesbians could no longer cognize in a rational fashion. They said they were “confused” as to the direction their life was to take, and it was obvious that they could no longer cognize normally.

What happens normally to a normal female? She in fact becomes more and more rational as she develops in the masculine flame in herself. She can cognize far in her thinking, she is not limited to a more “intuitive” quality normally associated with females.

An example of this is MADD—*Mothers Against Drunk Drivers*. She carries the great flame of justice, she is able to cognize the safety for her children. She is able to push through legislation to stop drivers to take alcoholic tests.

BURNJEH, Physician: In the case with the homosexual males, they are not able to develop, they are stunted, they are disfigured forevermore on balance as a *raison d’être* to have the wisdom and the strength of the Mother flame.

These homosexuals then live in fear and consider that if they would die in the homosexual community, they would not fight it. If anyone wants to beat them up, they will accept it, if they are to die they will not fight back. This is

anathema to the normal male and his progression in female psychology as they would normally mature in life years.

JESUS CHRIST: The imbalance of the male and female energies is tantamount to a cantankerous whacking of the energy to have it go backward. It is rebellion to holy order.

MOTHER MARY: At the university, we are asking those of marital age, to consider when you are able to, to date for the 24 months with someone. And that you do not try to adjust to being "gay" as there is nothing "gay" but it is backdirect that is of a serious nature to become a homosexual.

ANDREA SELESTOW: The word "gay" is a misnomer.

Nancy of Oregon: These cannot be happy people being wrongly matched in polarity.

ANDREA SELESTOW: As Mother Mary has said, that over 97% of homosexuals need to be working on co-dependency.

BURNJEH, Physician: Trying to covet and strip another of their energy through sex will hasten your deterioration in what is of a sexual binding to no sense.

JESUS CHRIST: All work and attempts to become transvestite, homosexual, bi-sexual, you must seek not to do, as it creates a grave backdirect and furthermore you are faced with a *wrongly wired system*.

HOLY AIMEE: Your positive poles are matched and binding sexually to a positive pole, your negative poles are fused to a negative pole.

JESUS CHRIST: It goes not the way of the balance of male and female energies. These are great forces in nature— you cannot go up against these laws and not find backdirect, confusion and decomposition.

EL MORYA: This gender questioning is not to be engaged in at all! You are tampering with nature in a violation of the secret chamber of the heart that resides with the Threefold Flame of the heart. The secret chamber of the heart has been named the atomic power of the nucleus of being, you are not to meddle with atomic power.

MOTHER MARY: And you must not tamper with your keynote, the use of the sacred fire or your gender. It is none of your business to make it of your making. You are to learn of the balance of forces and not to go up against what is traditional law and order.
