Beware of the Kingdom of Sex Power

FATHER STRONG: What is found often among the witches, honky tonk and jihad bee, is that this is a powerful experience, the rush of Light in sex, and where this is used in unholy manner such as masturbation, prostitutes, tramps and sluts, it becomes human light—*unknowingly*.

These upon seeing the powerful experience, then, seek to seize and covet the power of this Light. They seek to covet more of this Light turned human light— in others— to control them. They go into prostitution, hexing, blasting them in curses, psychic projection telling them what to do, the use of voodoo dolls is how they will consider how to control more and more of this Light turned human light.

Nancy of Oregon: They will also sit in an auditorium, masturbate and with the right hand to send out their curses to the auditorium speaker to hex him, to have him in confusion, not able to finish sentences but in pain no different than the sharp pain of the voodoo dolls where the needles are injected.

EL MORYA: The Light of the base-of-the-spine chakra rising to the level of the heart in the Threefold Flame and secret chamber of the heart where lies your keynote and the five secret rays, is toward the Threefold Flame use of talent and the work ethic given to you this day! That you would squander that Light in riotous living in rebellion, selfishness in alcoholism, cigarette smoking and other notorious ways is not in order that begins with atheism and the worship of self.

FATHER MALACHI: The Light at the young age seems to flow so easily and abundantly.

JESUS CHRIST: Rather, try to garner that Light. It is walking on the path of the Threefold Flame, is it not? LOVE, WISDOM AND POWER, FAITH, HOPE AND CHARITY.

EL MORYA: The way of the Kingdom of God that you read in the Lord's Prayer is much higher. You are then able to traverse the inner mysteries of God if you would not squander than Light but raise it to the higher chakras.

A practical condition, you can impose upon yourself is to try to wrest in time resting in the upper chakras and

never mind the lower chakras in the need to be meddling, for gossip, for sexual intercourse with those you fall in love with when marriage is where you go with this feeling.

MOTHER MARY: The chakras are meant to spin. Not to lay dormant with one living in abject ignorance, profanity language and licentious living. There are not 22 levels of chakras, the human chakras are 7 and correspond to the Seven Rays of

- Power in good will.
- Wisdom.
- Love.
- Purity and the ascension.
- Science and healing.
- Ministration, service and peace.
- Freedom, mercy, transmutation and ritual (altar service ministry).

MOTHER MARY: The kingdom you would seek is one of the upper chakras. It will not be the expending of your entire life force in the lower chakras then.
