## Hallucinate Drugs

**Nancy of Oregon:** France is not able to, the US is not able to go back to a time when freedom was honored. You see today there is a bias that "what is new is the best." After Napoleon, people do not remember the times of the freedom of the House of Bourbon and Hapsburgs. They cannot go beyond the bias that is after Napoleon. Virtues such as freedom have been lost in that France has become the 4<sup>th</sup> largest producer of hemp. And you can see that the writers brought a worship for such a use of freedom which was an evil to be in the opium dens.

**Bauletaire: Writer  
Author. (1821-67)  
Pothead and  
opium dens.**

**Marquis Fontanes:** When life is the tic-toc rationalist without regard for the depth of spiritual eternal matters, you

can see the values are seen juxtaposed to a drug high when history had had values high.

**JARVIS RAYMOND:** Some standard has to be raised as an ensign. And in the University, it is the catholic religion.

**Nancy of Oregon:** One requirement for the University of Marquis Fontaine and Napoleon is the catholic religion. This implies that the tacit agreement of the freedom of the US as the "saloon" is not possible. The saloon song, "I shot a man in Reno just to watch him die," is one in and out of Folsom Prison. The Black Panthers followed Malcolm X— it is headwind.

**Mathzedes:** The saloon morality has to go. It is not right to be drunk-as-a-skunk and kill someone in a brawl.

**NATHAN the Judge:** The saloon morality must be challenged by the presence of the University as the higher way. The bribery parties, the prostitutes given out to mayors and police, is the saloon morality.

**Napoleon:** These are your headwinds. You can see why the daily bulletins are necessary as this wild, wild west thinking has been so prevalent.

**ANDREA SELESTOW:** The Catholic Church is in Rome, and a fascist nation. What has happened in the pedophile alert has been a horrible example of their fascism, they expect honestly that we would not question their behavior. So it is not catholic that is the problem, it s fascism. So you can use word such as "Quakers" to describe "catholic religion" that give a different catholic image.

**MOSES:** I would add killing and sadism to that "high."

**"All hallucinate drugs are poison."**

**Mother Mary**
