## Hallucinate Drugs

**SAINT DIANE:** What was taught at Camelot on marijuana-deathdrug is that it is a death drug. Jesus Christ considers it part of the Second Advent Teachings.

The hallucinogen marijuana-deathdrug is a “false initiation”.

There are the rightful initiations in Christ, in the work ethic itself. These are the true initiations to be of an Eagle—where you are working toward a victory and you are not handed the silver spoon in your mouth. You have worked for your attainment, your wisdom, your heart intelligence, your hands and feet are moving in rapid skillful means as your victory, as your job, that is who you are.

**Harry Luce:** It is opposite of the Protestant work ethic. It is not working but non-working.

**JESUS CHRIST:** It is not even a healing drug as you would think of an herb but a death drug.

**“All hallucinate drugs are poison.”**

**Mother Mary**

# "Ventura Highway"

## Prediction of the Second Advent Teachings In California

"Ventura Highway" is a 1972 song by the band America. The song's vocalist and writer, has said that the lyric "alligator lizards in the air" in the song is a reference to the shapes of clouds in the sky he saw in 1963 while his family was driving down the coast from Vandenberg Air Force Base near Lompoc, California where they had a flat tire. While his father changed the tire, he and his brother stood by the side of the road and watched the clouds and saw a road sign for "Ventura". Asked to explain the phrase "purple rain" in "Ventura Highway," artist responded: "You got me."

**COMMENTARY:** I was a hippie. It is truly a California song—the highway travel music, the wind blowing from the Pacific Ocean daily to clean the air, the soft strumming of the guitar of “swimming with the tide”, the sense of freedom in car travel, the sense of going somewhere in the mind. And to think they stop for a flat tire is also how cars back then were not so perfect and it was a sacrifice to find this freedom of heart and mind and spirit, seeking in the teachings of Jesus Christ, all up and down the coast, whether in the encounter group training or the actual Second Advent Teachings of Jesus Christ.

**ANDREA SELESTOW:** The *give you no pain* is that the Second Advent Teachings when you finally found them, after all the false gurus, would give you no pain is the meaning.

**Nancy of Oregon:** So that you understand, it is very, very difficult to find the Teachings of Jesus Christ!

**ANDREA SELESTOW:** It is a prophetic song.

I was transplanted from Chicago to Camelot in Malibu, California. And it is where the bulk of the Teachings were delivered— at Camelot. The Teachings veered off in dhyahi buddhas and Hinduism was not taught for animism. The Ranch teachings were not the same as at Camelot. They went into areas just to sell tapes and books and no

longer had the same initiatic experience as with El Morya and Kuthumi back at Camelot.

**SAINT DIANE:** After the move to the Ranch in Montana, the organization lost its dispensation for the murder of Cam Bui. But what are teachings are not just words, it is initiatic experience. What we call the Teachings is going around Mother Mary's Cosmic Clock, passing initiations of the 7 Rays, , it is walking the steps of Jesus Christ in initiation whether in the Bible, Sermon on the Mount or Revelation.

**EL MORYA:** Mastering the Seven Rays is what students who came to Camelot or the University had to determine as their raison d'être.

**KUTHUMI:** They had to choose what it was they were mastering. The Threefold Flame itself— where it is imbalanced in love, wisdom and power required initiation

to balance. Even the harsh word towards other is this imbalance of the Threefold Flame that the students were required to overcome.

**ANDREA SELESTOW:** It is the innocence that you learn as your strength. Not the sophistication of the carnal mind, but the purity of the childlike mind of which Jesus Christ taught.

**SAINT DIANE:** That may entail a season working on co-dependency. *It requires that you hit rock bottom.* And not carry yourself always as a know-it-all.

**JESUS CHRIST:** It is your initiation to ferret out the Teachings from Camelot and at the Ranch. It is ever part of your work that you are rightly dividing the Word.

**STEVEN ECKL:** Even “chewing on grass” is the prediction of the sheep coming to graze at Camelot. The highway is in the sky. I was in Chicago, and it is this sense of freedom in this song, the highway freedom in a car that brings you to find the Teachings of Jesus Christ.

**Nancy of Oregon:** Ones who have traveled by car throughout the US will not feel this flame of liberty. Even Ronald Reagan found this to be true when he was driving on the highways.

**COMMENTARY:** I am the hippie. Nancy of Oregon would attend 3 levels of Summit University. And it was how we traveled, we went by car up and down Highway 5 and did decrees on the highway. *Charging* ourselves— *absolutely* with the eternal Light— and charging the freeway with the Light.

And you know what?—it is *stronger than moonshine*, than all the hippie talk. Once in the Teachings, it has been just up, up and away. I even have the option to take my ascension from inner levels, so when you find the Teachings of the Second Advent, hold onto your hat, go and find how to underline the Teachings and apply them in your life. Do the decrees! Do the underlining!

**Nancy of Oregon:** The stump teams each quarter of Summit University would go to San Francisco, Sacramento back to Camelot in Malibu, California.

**COMMENTARY:** I was in hippie garb with the tie die t-shirts but you see this is purple rain! Purple rain is the violet flame we were taught to give as a decree and to invoke as a flame of God, even as we will invoke the use of the Threefold Flame as three flames of God.

This sense of freedom was throughout California as the stump teams went all over the State and the students lived throughout California. And it is the decrees, it the Threefold Flame blazing of those studying the Second Advent Teachings.

**Nancy of Oregon:** The *alligators lizards in the sky* is what we have been taught, to be wise as serpent by Jesus Christ.

## Ventura Highway

by America

Chewing on a piece of grass  
Walking down the road  
Tell me, how long you gonna stay here Joe?  
Some people say this town don't look  
Good in snow  
You don't care, I know

Ventura Highway in the sunshine  
Where the days are longer  
The nights are stronger  
Than moonshine  
You're gonna go I know  
'Cause the free wind is blowin' through  
Your hair  
And the days surround your daylight  
There  
Seasons crying no despair  
Alligator lizards in the air

Wishin' on a falling star  
Watchin' for the early train  
Sorry boy, but I've been hit by  
Purple rain

...And the days surround you daylight  
There  
Seasons crying no despair  
Alligator lizards in the air

Songwriter: DEWEY BUNNELL

**COMMENTARY:** Then you have these lyrics from America:

This is for all the lonely people  
Thinking that life has passed them by  
Don't give up  
Until you drink from the silver cup  
And ride that highway in the sky

Also:

Sir Gallahad...so please believe in me.

**EL MORYA:** The *silver cup* is the search for Camelot of old, the search for the Holy Grail in the times of Camelot. I am King Arthur. People could hear the lilt of the times in song, and knew Camelot was come again.

**COMMENTARY:** Of America's other songs, you see that they could predict. The song "Horse With No Name" is the Second Advent Teachings which is the horse with the great power as the four horsemen as predicted in *Revelation*. Here's going down Highway 5 into Los Angeles— miles and miles of doing our decrees.

On the first part of the journey  
I was looking at all the life  
There were plants and birds and rocks and things...

I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain

**KUTHUMI:** *In the desert you can remember your name* is what we said to the students— that you leave your bag of karma at the gate of Camelot. While you are here at Camelot, you work on your salvation under the Teachings of Jesus Christ.

**EL MORYA:** This *name* is the real you. You are not your synthetic self as I wrote in the *Climb the Highest Mountain* book. You are your Threefold Flame. You are about the raising of the base chakra Light to the higher chakras.

**ANDREA SELESTOW:** You can see what is the vantage point Nancy and I have at present in heaven. Stephen Eckl ascended even while in embodiedment. Thus you see, it was a part of the California experience, that we would not be as the first disciples of Jesus Christ, the fishermen and Paul, but we were ones who could understand already a United States that had lived in freedom and the grace of Jesus Christ for the thousands of years and then we were ready for the inner initiations of Christ.

**EL MORYA:** The final mysteries could not be fulfilled until this time. The fishermen and Paul, were not able to understand Jesus Christ even if he were to give the teachings. Even the backdirect teachings was a mere parable here and there on give away your second coat and turn the other cheek, in the face of one you have backdirect. Instead what you see at this time is the full explanation of Mother Mary's Cosmic Clock to help you understand backdirect. With her teaching directly also to both England and the United States. And Poland.
