Hallucinate Drugs

Nancy of Oregon: Another prophetic song by America was *The Sandman*. It is not such a joyful song and we will explain.

America's lyrics of the *desert* is what you will be encountering. As the artist wrote, *chewing on grass*, and it is a bitterness of green grass in finding the Teachings.

And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take *it*, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. — Revelation 10:9

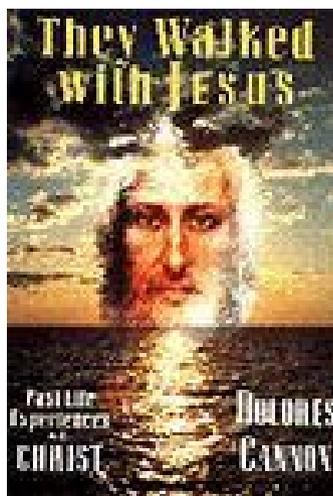

STEVEN ECKL: The event of the Second Advent Teachings was a historic event, people waiting 2,000 years. And if you missed it, you had missed the cycle.

SAINT DIANE: If you stopped at the marijuana-deathdrug offered by mass culture, you would not have had the needle ray of God to find the Teachings of Jesus Christ.

STEVEN ECKL: Courage is often wrongly associated with marijuana-deathdrug. Courage means "age of the heart." It

is a process of the expansion of the flame or the “fire” as the song mentions. It is of an instant conversation of Paul on the Road of Emmaus, to recognize the Teachings of Jesus Christ.

Nancy of Oregon: In the important book by Dolores Cannon “*They Walked With Jesus*” is a story of a woman who took great risks to walk with Jesus in the days of Palestine.

STEVEN ECKL: To receive the Light, you had to travel, it was an effort: four to six conferences a year, attending Summit University.

Nancy of Oregon: In the walk with Jesus in Palestine, it was not easy. Women were not allowed into the temples. And this woman dressed as a man to walk with Jesus.

MOTHER MARY: Jesus went to the leper colonies regularly. This was a great initiation for the followers. She came into embodiment in South United States. She did not come into the Second Advent Teachings although she had earned the good karma or backdirect to come into the Teachings.

When you miss the turn, the cycle moves on.

NATHAN the Judge: Thus some of you know Thomas and John Osswald, both reincarnated Christian monks. They came into the Teachings. Thomas could have ascended earlier, however he forestalled taking the ascension that he might be able to in the Teachings at this time. Both Thomas and the “unascended ascended masters” have had a very difficult life.

ANDREA SELESTOW: The needle ray of God is the property of the Fifth Ray that is able to find something with the needle ray of God. And those who had reincarnated at this time of Camelot had to see the signs and the *sandman* when it was time to put aside the *beer* and move forward in developing their Threefold Flame, and to learn the mysteries of the Second Advent Teachings.

Embodiment of
El Morya

Q: Was this return of Jesus Christ in the Second Advent Teachings not also one full of difficulty?

EL MORYA: Yes. It was very difficult. Jesus Christ did not have the dispensation, and it fell upon me along with Saint Germain and Kuthumi to work with an organization ruled by Saladin, the Moslem.

KUTHUMI: Some of you consider the one responsible but it was not El Morya.

NOSTREDAME: Saladin was the Islamic opponent in the Christian Crusades. He does not lead a war or battle without having a superior power. This then he

established both in embodiment and after he had died.
He maintained always having the superior power.

MOSES: I would add killing and sadism to that “high.”

“All hallucinate drugs are poison.”
