## The Soul Is Precious

### Song:

*Simple Gifts*

**Michael Jackson:** The soul also will express gratitude for the simple things.

'Tis the gift to be simple, 'tis the gift to be free  
'Tis the gift to come down where we ought to be,  
And when we find ourselves in the place just right,  
'Twill be in the valley of love and delight.  
When true simplicity is gained,  
To bow and to bend we shan't be ashamed,  
To turn, turn will be our delight,  
Till by turning, turning we come 'round right.

**Nancy of Oregon:** This was a song by Shaker elder Brackett in 1848.

**MOTHER MARY:** The soul knows right and wrong. You do not want to kill the soul. It serves you to protect you in righteousness and you learn from soul pain.

**The soul is precious.**

**MOSES:** I would add killing and sadism to that "high hallucinate."

**"All hallucinate drugs are poison."**
