## The Soul Is Precious

### Song:

Michael Jackson: *Ben*

**MOSES:** What you are asked to do is to stay away from hallucinating drugs.

God will never leave you empty. If he asks you to put something down, it's because He wants you to pick up something greater.

Jesus Christ said 'by their fruits ye shall know them,' not by their disclaimers.

**Jesus said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.**

Matthew 18:3

**MOTHER MARY:** This Bible quote is not always a reference to the soul, however it is one way you would understand the soul.

**MOSES:** I would add killing and sadism to that “high hallucinate.”

**“All hallucinate drugs are poison.”**

**Mother Mary**
