The Soul In Christ Truth

Song:

America: *Sister Golden Hair*

Michael Jackson: This is a rare song indeed. America the band gives gratitude to the catholic nuns who raised them. It is nonetheless the soul responding to give thanks to the mother figure of God to teach them as tiny eagles.

Stevie Wonder: We did not have Catholic schools or we would have sung this ourselves. And certainly public schools did not have this largess of heart to teach the ongoing moral nature of life that we might cross the bridges of life safely.

JARVIS RAYMOND: Without the moral foundation in the public schools, it is difficult to pass the rationality of the devil or "d"efied-"evil" of marijuana-deathdrug.

Here the reference ought to be to the Christ standard not Jesus, the

teacher of the Christ teachings, as even Moses taught the Christ teachings.

MOSES: Substitute "Christ truth" if you only recognize a personality of Jesus. Nevertheless you know that should you need to find safe passageway at death from torture, you call upon Jesus himself for him to guide you from the trauma of dying.

ANDREA SELESTOW: Religion is not only for squares.

MOSES: *Christ Truth* is not only for squares.

MOTHER MARY: The child in this Bible quote is the training of the child as soul intelligence to know right and wrong to not take drugs.

Jesus said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

Matthew 18:3

FATHER MALACHI: In the Catholic school education, you are taught to consider yourself greater than drugs.

GREATER IS HE THAT IS
IN YOU, THAN HE THAT
IS IN THE WORLD.

1 John 4:4

FATHER MALACHI: It is a false assumption to ascribe the work of the Catholic Church nuns simply as another form of philosophical public education to arm children with what is *universal* as the word *catholic* implies— as the atheist public educators would imply. Rather, the personality of Christ is taught to the children, they learn to throw out of the money-changers out of the temple.

FATHER STRONG: Where is this not more prevalent than in the millionaire makers— the business worship that is taught in the schools.

Nancy of Oregon: Here the moneychangers are the demons. They freeload off your light for the hallucination. It is incumbent upon parents, teachers that you stop, turn around, and that you use the word *evil* and *demon!* And not say, there is a good side to everything even marijuana-deathdrug. This is your agnostic training, your anything goes training.

MOSES: I would add killing and sadism to that “high hallucinate.”

“All hallucinate drugs are poison.”
