Our Home in Music

Song:

Marvin Gaye: *What's Going On*.

Stevie Wonder: *Superstition*.

Johann Sebastian Bach: You ask what is the difference between European and the U.S. music, and I would say it is the sense of home. We had to move when conflict took place, there be a feud brewing. Or we did not have the freedom and democracy that you have.

ANDREA SELESTOW: The home in music is not limited to song *Sweet Home Alabama* on home. It is patriotic song! It is singing what is of value here in the United States that must not be lost!

Nancy of Oregon: The Second Advent Teachings of this age says that with the Presence of Mother Mary and Moses and the return of the Teachings, you see, you are embarking on the *journey homeward* in the Ascension. It was the diabolical music of the sixties that marijuana-deathdrug was introduced and accepted in social society.

FATHER MALACHI: You do not recognize the hardships. The disciples looked in the first century and again in the second century after the passing of Jesus Christ for the return of the Second Advent Teachings that they might be ascending.

FATHER STRONG: These drugs and culture of crime *are deterrents to your ascension!*

MOTHER MARY: You have been shown the jihad— the holy war against Christ by [those who practice feuds¹]— and this Thomas Jefferson atheist nation, you must see to fight this war against hemp. You were not able to speak upon 9/11, Guantanamo Bay. Then try!

JARVIS RAYMOND: These are records yet to be sung upon, that home will not be violated by jihad. Therefore, while

¹ **FATHER MALACHI:** The third world nations you must fight back. They practice the aristocratic fornications and killing by the hundreds of whom they will consider as a possible vendetta brewing, and you must see that this United States is built instead on Ten Commandments law courts.

FATHER STRONG: The third world nations see what you have, the land overflowing with milk and honey. It makes them want to be that same aristocrat from their third world nation and covet this land. It is you who must fight back as the Chosen People.

MOTHER MARY: You are chosen! You are chosen to carry the Christ flame! The Threefold Flame culture and the Christian work ethic that brings you the abundance!

you are about music practicing, see if you can sing a song on 9/11 the same as a Marvin Gaye in the Vietnam War.

Michael Jackson: This is the soul singing.

MOTHER MARY: See if you can sing on the defense of the United States.

Harry Luce: The home is far more than simply the prairies or Alabama.

MOSES: The home is a home of the Chosen Ones.

MOSES: I would add killing and sadism to that "high hallucinate."

"All hallucinate drugs are poison."

Mother Mary
