

To The Summit Lighthouse Students

Chelas Mine,
I Am El Morya.

EMPEROR LeAMTHE: You are offended at what was said that you have a knife in your back. In what Jesus Christ has asked, that you go out on your own. You ask what are the circumstances in the life of ECP that there is the knife in your back, is this not only *but your opinion!*

NATHAN the Judge: These current events are not given as you cannot prove it.

Nancy of Oregon: At the gangland slaying of ECP, that some of the family went privately into the bedroom of ECP on drugs and started slapping her face and shouted repeatedly the words of witchcraft: “Shatter! Blast!” shows you what decrees you can do!

ANDREA of Chicago: What is the knife in your back is then said in this way, that you yourself know that the decrees have a black magic quality and without leaving the Summit Lighthouse, it is not that easy to eradicate the black magic in your decrees, we show you why.

JESUS CHRIST: I had said to the typist that the 20.07 decree was not given correctly and she herself knew that she was not able to arrest the way she gave 20.07 or 20.12 even after leaving The Summit Lighthouse.

EL MORYA: The 20.07 decree calls for all the karma of a person to be delivered to them all at once.

JESUS CHRIST: This call then can only be made by someone who is a Level 7 and higher. *I asked her to not give this call unless she was at a higher level and she agreed to the admonishment.* I regret giving you this call although it is correctly worded.

MOTHER MARY: Where it is not correct is in how you give it in black magic.

Typist: Jesus Christ went over with me, to go back and read the Pearl of Wisdom on 20.07 and I realized I was not at the level of giving this decree in a way other than what dinosaurs do, they tear off your skin, rip your flesh off the bone.

ANDREA of Chicago: Then can you give the decree as a Level 7? The question is if you can leave the false hierarchy allegiance to the Saladin false hierarchy!

Deputy Amos: You need to understand what to date you have not. At LaTourelle and throughout the organization, the proselytizing was for a reason. Once a person died, he would

be given the ascension at death and then he would become a slave-worker to the xLanello false hierarchy once you were on the other side.

Deputy Andy: You may say, “Well I was never raped the same as the study group leaders or the staff by the dorm rapist, so how does this apply to me?” It is that this is who your allegiance is to that you call Ascended Masters.

Deputy Amos: How many of you have pursued the bride of Christ initiations with Jesus Christ since the Messengers are not there?

Deputy Andy: No, you are a part of this Mark and Elizabeth Prophet false hierarchy. You have been asked time and time again for you to remove the Lanello and Mother of the World calls to be answered by them off the decree preamble. You do not do this. Can you see? You cannot really find another religious liturgy from what you are doing, to challenge this message. Jesus Christ cannot answer even 20.07 as you overlay it with your allegiance to the xLanello false hierarchy!

EL MORYA: The 20.07 decree calls for all the karma of a person to be delivered to them all at once. This you do not yet have the attainment to do.

JESUS CHRIST: This is the reason that it is considered black magic decreeing. I had given this decree for work on the world dictators, it did not occur to me that you would use these decrees on people in the organization or neighbors. I ask you to come to your senses. Of what value is it that you put so much importance on Mark and Elizabeth Prophet?

ANDREA of Chicago: What you do not know, is not given. All you can do is to follow Christ to the regeneration.

JESUS CHRIST: All you can do is be blinded by the light of Christ on the road of Emmaus.

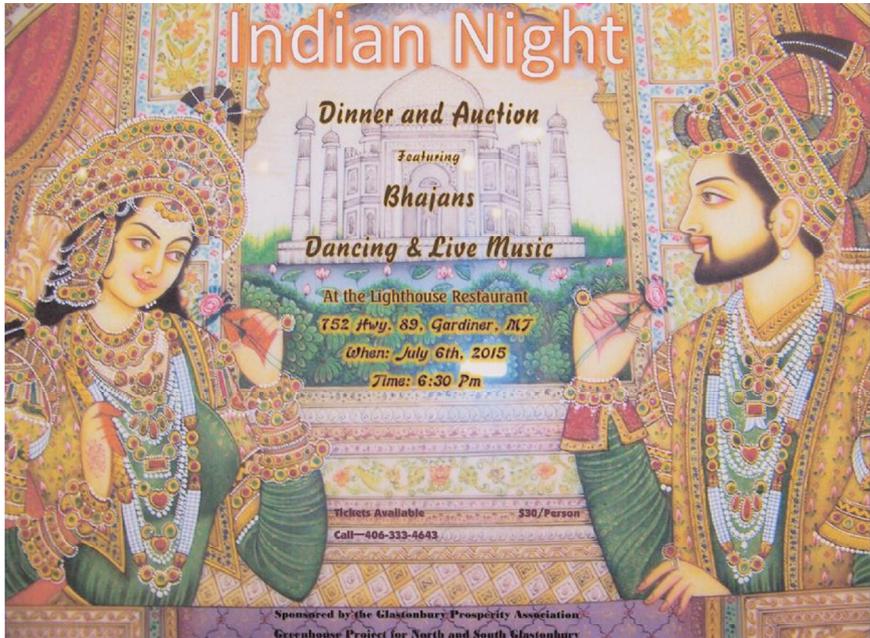

NATHAN the Judge: I can tell you that the LaTourelle men who raped ECP have gone to the second death. Mark had sent Elizabeth out to the homes as a young woman and said of this proselytizing, "They have sex with one another up in heaven so you might as well get used to it." We can tell you that Kenneth McNeel did protect her by saying she was so busy so she was not physically injured by these men who were decades older than her. But this proselytizing was enforced by Annice Booth through the instruction by Mark at his death at Camelot and at the Ranch.

ANDREA of Chicago: I can tell you that Mitch went to his final death serving the xLanello false hierarchy. I can tell you that Dorothy who raped the children for her remembering the proselytizing cult has gone to the second death. You do not believe me, and that is fine. It is not something I can however do for you what only you can do for yourself which is to separate yourself out from untruth. I can tell you that ECP had the same strategies of control as when she had been Theodora with scores of men. We can tell you that Mary Lou did ascend and then had to go back into

embodiment for her living a life of complaining and castigating others. However it is you that must be wary of the false imagery of an ECP and not follow Messengers who manipulate love.

EL MORYA: You see I have moved on! How is it that you would still produce this type event when we have given to you teachings on animism from Gautama Buddha?

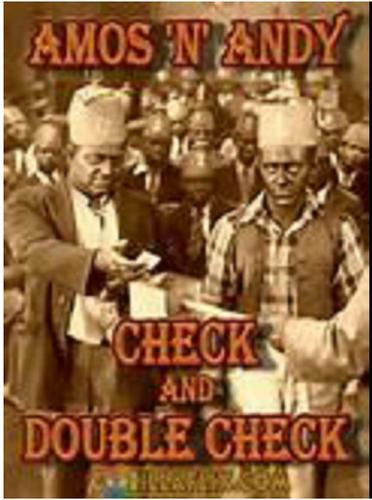

MOTHER MARY: Why do you not follow the Guru?

EL MORYA: You would stay together, however you would see not to serve the false hierarchy.

Deputy Amos: Thus you understand, it is incumbent that you not associate with this activity called The Summit Lighthouse. It is connected to the xLanello false hierarchy. You use the decrees to create voodoo to make a person a pedophile! You use the decrees to create the slavery to trauma in the Ritual of Exorcism Project from KAC.

Deputy Andy: What is your thinking? That you can so surreptitiously use 20.07 and call for the judgment of the

lightbearers? We have said, you do not attack Saint Stephen and it falls on deaf ears!

Deputy Amos: Andrew Blumensheim himself had no problem leading decrees in Chicago in what he considered to be righteous for him. So you only need to see the same, that you are capable of a greater righteousness.
