

# To The Summit Lighthouse Students

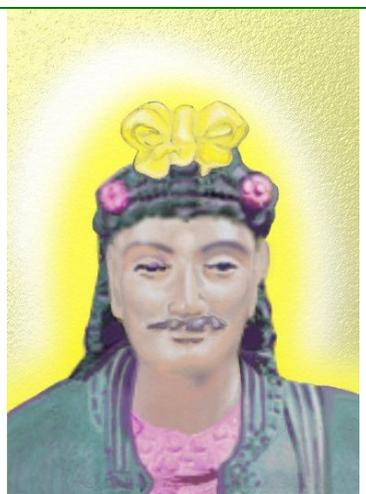

**ANDREA of Chicago:** The question is on how you might characterize Elizabeth Prophet if there will be the library of her books and sound recordings. Do you characterize her as a criminal then?

First, what Judge Holmes said had legal reasoning. In court, they determine motive in crime. Yes there were prostitutes at the Church but the motive determined for a number of them to go to the second death. You ascertain the motive in Elizabeth's case, and the motive is clearly of this extortion meeting determined this was not her will.

Second, you see, it was not until Nostredame's teaching that we came to realize the significance of Saladin.

**ANDREA of Chicago:** So this is a picture of LeAmthe. Not Maitreya. As you were taught, right? I asked Elizabeth. She said Maitreya would appear in this guise.

We know Saladin would appear as a Christian praying long hours in Wisconsin. But he was a Moslem.

Now, this is the picture of Maitreya. He looks like Mussolini the fascist dictator.

**Nancy of Oregon:** I spoke to the twin flame of one whose husband was a fascist leader. He acts as a pimp, she got away from him. But you see, Elizabeth could not get away from the pimps. Remember the pimps beat up prostitutes.

You can say, “Elizabeth had a fascist husband.”

The ICBM group prostitutes did not have the same pimp scenarios. They had a freedom. They could walk away at any time.

**NOSTREDAME:** What you would do then is to explain that you did not have the right understanding of what was being presented to you as the guises of these people were not clearly shown.

**EL MORYA:** It was a time of much disguises and guises. And you can see that even I was not able to see the guises either (laughter).

**Typist:** I believe one of El Morya’s best embodiments was the Archbishop of Canterbury as the *Man For All Seasons*. In that life he was in England, he was going by law. He loved the law and the England.

**EL MORYA:** I was beheaded by Henry. But as she pointed out to me, that cannot be, as Henry was a good friend to you. And upon looking at the Karmic Board records, it was found that I had been beheaded by the pope’s ordering out assassins!

Then you would see to not add in anything having to do with my life as Akbar with the equalization of religions and such nonsense to bring in India and Tibet.

**EMPEROR LeAMTHE:** Rather, what was gathered there in India were his chelas John Fanuzzi and Michael Kaufman where they

built the temples. The religious association cannot be based on Hinduism or Islam. This is misplaced as it would be on law that you see the evolution of these two.

**MOTHER MARY:** You can see that the guises are many. All you can do is to be as Thomas Beckett, Archbishop of Canterbury, to go by the law. Find the law. Teach on the law.

**Judge Oliver Wendell Holmes, former US Supreme Court Justice:** The case on Elizabeth Prophet goes against your Revelation prophecy where the two witnesses die, are to die. It is what you need to explain clearly to people, that some of the prophecies of Jesus Christ did not exactly turn out the way as written over 2,000 years ago. And other than that, you see, you actually do not know much of what were the details.

Even what might be shown here on this website does not constitute a courtroom hearing, does it? What the Deputies say, even that is what is the smoking-gun-type evidence that is without the knowledge of the extortions, whether it is the LaTourelle meeting or the Job dog being beheaded and presented to her, or the virus put into her brain to incapacitate her— all orchestrated by Mark Prophet or Saladin.
