

## The Teaching of Amos & Andy

### Chosen People

**MOSES:** You the Negroid too see yourself as the Chosen People. And you are this when you consider that you have the devotion to the 24/7 vigils, the Sabbath service, the self-correcting of the co-dependency. You are chosen not for race, you are chosen for righteous living.

**Nancy of Oregon:** The Judaeo-Christian community is much different. The Judaeo people focus on trying to learn the law. The first 5 books of the Bible and now it includes Revelation.

**MOSES:** The freedom from Babylonian captivity is largely through their regular acceptance of kosher foods and tradition practices. This to them is their identity, not from the slavery in Egypt!

You would destroy the idolatrous fear of the White cotton plantations and White slave drivers. Cotton must mean something different to you now, it must be related to Church gospel music.

**Moshe<sup>1</sup>**

They were a free people already going into bondage to Babylon, they would not remain at the call of Isaiah.

You would destroy your idols in money such as the golden calf in TV viewing if you would escape the slave conditions of which we speak!

**ANDREA of Chicago:** What helped me on this path is this idea of the Ascended Ones, "I am your brother on the path, only a few steps ahead of you." You do not limit it to your family but who is the religious as Jesus Christ taught, "Lo here, these are my brothers and sisters."

**MOSES:** You would celebrate what is your freedom from the plantations. So at times, you bring out the branches with cotton and that you have a chance to say the prayers as ritual of how you were able to escape the bondage of slavery in the South.

**MOTHER MARY:** And you can use silk flowers as your palm leaves and sing hosannas of your freedom from the cotton plantations as to be your church rituals.

**DEPUTY AMOS:** The "community" is then one which you recognize the slavery conditions you no longer live under and that you will then obey the Ten

Commandments as your new freedom.

**DEPUTY ANDY:** This love of religion is your saving grace.

**MOSES:** You cannot pass over with the ingratitude for the same manna day after day from heaven. They had to keep together.  
We are talking: 4,000 slaves!
