

## The Sabbath Service

**MOTHER MARY:** This is an example of what is being redone for you.

**MOSHE:** You see that it is a long work to have over 50 decrees ready for you to use on the Sabbath service. And therefore should we not complete something for you on time, you would go ahead with what material you have thus far.

**MOTHER MARY:** We thank you for your many kind words on the Sabbath service.

## NOVENA PRAYER TO OUR LADY OF GOOD REMEDY

O Queen of Heaven and earth, most holy Virgin, we venerate you. You are the beloved daughter of the Most High God, the chosen Mother of the Incarnate Word, the immaculate spouse of the Holy Spirit, the sacred vessel of the Most Holy Trinity.

Mother of the Divine Redeemer, who under the title of Our Lady of Good Remedy comes to the aid of all who call upon you, extend your maternal protection to us. We depend on you, dear Mother, as helpless and needy children depend on a tender and caring Mother.

Hail, Mary, full of grace  
the Lord is with thee.  
Blessed art thou among women  
and blessed is the fruit of thy womb, Jesus.

Holy Mary, Mother of God,  
Pray for us, sons and daughters of God,  
Now and at the hour of our victory  
Over sin, disease, and death. (3x)

Lady of Good Remedy, source of unfailing help, grant that we may draw from your treasury of graces in our time of need, touch the hearts of sinners that they may seek reconciliation and forgiveness, bring comfort to the afflicted and the lonely, help the poor and the hopeless, aid the sick and the suffering. May they be healed in body and strengthened in spirit to endure their sufferings with patient resignation and Christian fortitude.

[\*Hail Mary\* 3x]

Dear Lady of Good Remedy, source of unfailing help, your compassionate heart knows a remedy for every affliction and misery we encounter in life. Help me with your prayers and intercession to find a remedy for my problems and needs, especially for \_\_\_\_\_.

[insert personal prayers here]

On my part, loving Mother, I pledge myself to a more intensely Christian life-style, to a more careful observance of the laws of God, to be more conscientious in fulfilling the obligations of my state in life and to strive to be a source of healing in this broken world of ours.

Dear Lady of Good Remedy, be ever present to me and through your intercession may I enjoy health of body and peace of mind and grow stronger in the faith and in the love of your Son Jesus.

["Hail Mary" 3x]

Pray for us, Holy Mother of Good Remedy, that we may deepen our dedication to your Son and make the world alive with His Spirit.

[Decree 1.20, "I AM Lord's Prayer," 1x]

Beloved Mighty I AM Presence and Holy Christ Self, beloved Mother Mary, beloved Jesus Christ, beloved Saint Germain, we send forth the call and a ray of Light from our Mighty I AM Presence and Holy Christ Self through our hearts in this moment. We reach out, O God, to hearts of gold throughout this nation and planet.

We call directly to your heart, beloved Mother Mary. In your Immaculate Heart we trust. We call now for Our Lady of Good Remedy to come forth and to deliver us the magnetic power of her forcefield and Light, your own beloved Electronic Presence, Mother Mary. Let the magnetism of your love and your deep desiring to save these souls be transmitted to us now in our hearts, in our solar plexus, in our minds, in our will and in our souls.

We call to God to bring forth into this Community, and to bind all opposition to it, the souls of Light who are the hearts of gold to whom Saint Germain has called.

Therefore in the name of the Father, the Son, the Holy Spirit and the Divine Mother, we decree:

[Decree 0.07A, "I AM the Light of the Heart," 9x]

I AM, I AM, I AM the Resurrection and the Life  
of my finances and the U.S. economy (3x)

Now made manifest in my hands and use today! (33x)

In the name of my Mighty I AM Presence and Holy  
Christ Self, in the name Jesus Christ:

Lord, I do give thee thanks for the abundance  
that is mine! (160x)

In the name of my Mighty I AM Presence and Holy  
Christ Self, in the name Jesus Christ:

Lord, I do give thee thanks for the abundance  
that is mine! (3x)

Amen.

Beloved Mother Mary, in this hour we ask for  
infinite supply with which to rescue the souls of Light  
who are surely sold into slavery in this era, the slavery  
of mechanization man and the fallen angels, the slavery  
of drugs and alcohol and the rites of abortion and all  
those things that abuse the Light of God within the body  
temple.

Mother Mary, many souls of Light have been  
imprisoned by false doctrine in Christianity, by  
deprogramming and deprogrammers. We call to you  
now with all of the fervor of our beings to send us the  
supply that we may cut them free and to send us the  
Lightbearers to this altar that they might be God-taught.  
We welcome our brothers and sisters and all incoming  
souls of Light, O beloved Mother Mary.

In your Immaculate Heart we trust. In the Sacred  
Heart of Jesus we call. Therefore we accept it done this  
hour in full power. We accept your divine intercession  
before the LORD God Almighty, the Father-Mother God,  
the Son and the Holy Spirit.

O beloved Mother Mary, hear our cry in this hour  
that we might have the sufficient funds to deal with all  
adversaries and their lawsuits and their claims against  
us. Almighty God, let us pass through this. Therefore  
we say in the Sacred Heart of Jesus Christ:

**I AM the Resurrection and the Life of  
Church Universal and Triumphant! (15x)**

In the name of Almighty God, we claim our God-Identity and the individualization of the God Flame where I AM THAT I AM, where we serve every day of our lives within this Community at whatever point of the land.

We therefore claim that land and we claim the pillar of fire where we stand. We claim the descent of the Mighty I AM Presence where we stand. We claim the thrusting of the mighty sword Excalibur into the earth where we stand for the judgment of the seed of the wicked, for the victory of Church Universal and Triumphant, for the victory of our own souls and for the mighty spin of Helios and Vesta, that positive spin whereby we throw off all negative vibrations native or otherwise to our consciousness.

Mighty I AM Presence, we stand and still stand as the cosmic honor guard of this Community, this physical property and all in it and all coming to it. And therefore, let the Electronic Presence of Gabriel the Archangel be with us always, as we truly manifest that Light of faith and hope and charity unto all from our work place.

O answer our call, O God. We know that before that we have called thou hast answered. And with the full fire of being that you have placed in our hearts, we accept our victory in all things, we accept our victory in our supply, in our outreach and over all legal matters and financial affairs.

Almighty God, we are grateful for this opportunity to prove thy law and to be able to call upon the name of the Blessed Virgin, the Queen of Heaven, the Mother of God, our beloved Mother Mary.

In the name of the Father, the Son, the Holy Spirit and the Divine Mother, Amen.

the flames of Illumination, of Freedom, of Justice, and of Love from the heart of God for and on behalf of all mankind to take command today of the airways of the world, of the cause and core of air pollution and the plot to destroy our body temples through the unwholesome use of tobacco.

Take command of our beloved America and the people of the world! Enfire them with Victory's mighty power and determination to overthrow every form of tyranny leveled against the mind and heart of man! Therefore, in unison and in concord we decree:

To God we call, protect us all  
From air pollution's frightful fall;  
Within, without, and everywhere  
Let God-purity rule the air!

Command mankind's attention now  
And let them make a rigid vow  
That they will clear the air within,  
The air without, and all that's sin  
Released into their "lungs of light";  
Help man discard this awful blight!

From chimneys tall and auto's tail,  
From tobacco road that makes men frail,  
Deliver us all without fail!

(Continued)

O God demand and now command  
Thy precious freedom in our hands.  
Let body temples erect now stand,  
Freed from fear and all that's drear;  
Let chemical smogs now disappear!

Expand our image of the Christ,  
Let men perceive that not-so-nice  
Tobacco smoke as tickling dust  
Has for far too long  
Made merchandise of us!

O cosmic beings and elementals so dear,  
Angels of Love: Cast out all fear!  
Produce perfection in our world,  
Stop air's pollution by Truth unfurled!

Stop, stop, stop mankind's production  
Of external and internal smog;  
Erase that blight, let's win that fight  
And bring mankind all to the Light.  
Beloved I AM by Christ-command,  
Let angels of purity cover the land!

O Pallas Athena, thou Goddess of Truth,  
Alert mankind and all our youth  
To cast away the blight of dust  
That for far too long  
Has made merchandise of us!

Take command now over this total situation,  
Produce thy perfection, thy direction,  
And thy deliverance  
Till all that creates impurity  
Within, without, shall be cast out;  
And let Love, Christ-love, bring victory about!  
Beloved I AM, beloved I AM, beloved I AM!
