

## To The Summit Lighthouse Students

**Q:** What do you do with the other people who have not died?

**ANDREA of Chicago:** They discovered in Cosmic Council meetings that the ICBM group in Montana had as their only job after transferring the ICBM secrets of the Pentagon to Red China to kill Fillet Mignon.

**EMPEROR LeAMTHE:** From Cosmic Council meetings, you will find that when you cross over to the evil side, as a bridge— it is a bridge that you ought never have crossed as this is extremely dangerous to in your mind, cross the drug bridge, cross the bridge of the insanity of evil, cross the bridge the banality of evil, cross the bridge the ennui of evil. As you cannot come back.

**GIZEL:** That is why most devil's advocates go to the second death. Robert who once had been a devil's advocate of the Catholic church of the Paradise Players is doing fine now. His demon was removed and the Karmic Board looked at his case again.

**Mathzedes:** But their idea was that anything that could be in opposition to getting a potential candidate into the White House was targeted to be killed. So the inserts hatchet job extended to Andrea Selestow, Robert Worobec, Stephen Eckl.

**DEPUTY AMOS:** Where they were not actually physically able to to kill, they nevertheless did the inserts as they would do work given they were on the payroll. The use of inserts however was witchcraft. They did backwards Astreas. Some used inserts with red daggers and chain saws.

**DEPUTY ANDY:** Blood dripping daggers, heavy chains, pornographic bodies over actual photos of people from the Church,

only the church members. They did this in the "100% style". They used the "100% style" at the shack rapings. Where the women were taken to the shack to be raped 17 to 1.

**ANDREA of Chicago:** It is as it sounds, a con job. They hold a knife at the throat at a woman as she is taken out of the car, rushed up to the shack for the almost 2 hour rape ordeal. Then when she is returned to the car, again the knife is held at her throat. This is for the reason that "you do not have a choice about this" as these women will at a later time, think they had a choice about doing something against the 17 rapists.

**JUDGE Oliver Wendell Holmes:** They made anyone on the payroll do the inserts. In this 100% style.

What it did to their minds is that they, anyone on their payroll, left the teachings at that point. Thus they are not to be allowed into the Church. As they have this do-or-die and dagger consciousness from their inserts.

**NATHAN the Judge:** They are not to be allowed to come to any one of the Church's functions, anyone on this payroll. That is the injunction of the Karmic Board!

**GOD HELIOS:** Now you see why I cannot answer the 20.12 calls!

In their corrupted state, how is it possible to answer these calls!

Thus it is better that you not let them in the Church.
