

To The Summit Lighthouse Students

ANDREA of Chicago: The Bozeman group had a meeting tonight where people expressed how they felt. It is not clear to the leaders what is the direction to take as there is innuendo that is best called “jargon” being bandied about— “we want the old way”.

Nancy of Oregon: They are speaking from their subconscious records. This was also the subconscious mind of those who have given the inserts of the false hierarchy.

EL MORYA: I was also at the meeting.

What I ask you to do is to listen to this recording made for a war, under the supervision of Archangels Chamuel & Charity. And that you understand you ARE NOT AT THIS LEVEL OF DECREE WORK.

GIZEL: The jargon bandied about of “the old way” is false.

EL MORYA: Your concept of “old way” is not the “war” as you hear in this recording.

And what is that sound! You simply cannot any longer create this sound.

GOD HELIOS: As you are not honest!

GIZEL: I was present at the almost 2-hour meeting. Can you give the decrees in this “old way?”

EL MORYA: It is an emphatic **No!**

GIZEL: You are not able to have this fire as you have long left the path of decree work!

Can you deliver the fire? So why do you come to the church!

EL MORYA: It is better if you stay away unless you can *bolt and blaze* out the decrees as you were taught in war conditions.

ARCHANGELS CHAMUEL & CHARITY: You actually have not given the fiats or decrees at this level for some time.

ARCHANGEL CHARITY: You had been taught this? Yes, yet the "old way" is your decree level that you cannot reach Hierarchy's support. So your old way is not real.

Furthermore this is the color of the Ruby Ray. You cannot produce or deliver that color such as those who have sought the Truth.

ARCHANGEL CHAMUEL: **I am Archangel Chamuel, Hierarch over the Ruby Ray calls that you make! There are about 18 of you who should not return. I ask you not to block this progress.**

MOTHER MARY: You do not convoke the Light as you should.

ARCHANGEL CHAMUEL: Unless you can, it would be far the better path for you not to return to the Church, calling for the “old way” that you have long since forgotten.

Earlier on War Condition:

MOTHER MARY: We are having you do this decree this weekend and this is yet a draft of this decree of the Archangels Chamuel & Charity of the Ruby Ray.

MOSHE: We are not having her record the entire decree for times sake.
