

## To The Summit Lighthouse Students

**Q:** “Even if he had his goose bumps, did El Morya actually have the undulating orgasms, which is not the same— it is unbelievable evil!”

I spoke to El Morya in his final moments.

LeAmthe told me that he was blasted before he could do the undulating orgasms even the first time.

**GOD HELIOS:** We blasted El Morya when XX called to Emperor LeAmthe to come help her, the sponsoring master in this individual case.

**Typist:** In the beginning, XX did not trust either Emperor LeAmthe or God Helios. And these are advanced initiations, that you “try the spirits” as Jesus Christ taught. Only after a line of questioning, is when she could call upon him.

**Nancy of Oregon:** What El Morya said was that he trusted the former Great Divine Director.

**ANDREA of Chicago:** And the Great Divine Director was his teacher. He was the Ascended Master who had an etheric Retreat over the House of Rakoczy. He had the ability to foresee many directions, thus his name— Great Divine Director.

The Rákóczi were a Hungarian noble family in the Kingdom of Hungary between the 13th century and 18th century. Rákóczis became the wealthiest aristocrats of Hungary.

**Nancy of Oregon:** El Morya said he went into two Islamic embodiedments under the Great Divine Director’s advisement. As Emperor Akbar, he considered that there must be good in all religions. He sought to understand Islamic law of punishment that he appeared to him superior not barbaric. It was primarily that he might learn about all religions.

**ANDREA of Chicago:** In the first embodiedment, he had the experience of whipping the mother at 9 years old. He was quickly taken out of that embodiedment by the Great Divine Director that he might not see the result of this experience. The second Islamic embodiedment was as an executioner so he did whipping and caning. From there, he went to England as Thomas Becket and Thomas More. But he regrets that he had already had these “experiences” of Islamic culture.

**Typist:** “You liar!” I said. “You can’t lie to me. You know that all you needed to think for a few minutes of what he was doing to know he was evil. Just a few minutes. Look here, this decree, “Call for the Arresting of Negative Karma”.

Mother Mary said to me, “You can’t use this decree.”

I looked at the decree and in seconds, I knew right away, that this was karma dodging. And this was evil.

I said to El Morya, “So don’t give me that! You could see this yourself.”

“Alright, I had chosen with him that the force of evil would have the greater power,” he replied.

**MOSHE:** This is a great evil. You cannot equate force with righteousness. The force of evil: extortion, torture, whipping and caning in Islam may be a greater force on the surface but it is not the greater force in the long-run.

**Typist:** What El Morya said was that he “trusted” the Great Divine Director to lead him.

**MOTHER MARY:** Alpha tried to work with him. He sought to correct his torturing of people in the year 2011. It was how Alpha understood psychology but it was not but frustration for Alpha, that he thought, "If I were to rename him Abraham, would it not make sense that he would go back to being this Abraham?" Alpha's plan failed, he did not know why.

What was obvious was that Morya was not able to do what is the minimum of work such as decrees to pull himself out of all these Islamic experiences, even if he were to have left the Great Divine Director whom he trusted, which he did, he left him as his teacher.

**MOTHER MARY:** It would not work. He continued this path of the dark. It is incumbent upon you to see this path.

**EMPEROR LeAMTHE:** It is crossing the bridge where angels dare not tread. It is where you will try out evil. It is having no faith, no decree work as he had none, and with a cold shoulder evaluate what is the Christ teaching always comparing it to scientific realism. It is being the devil's advocate.

**MOSHE:** This implies a substantial difference—

We will now call Gisel root of Martha after the root of Jesse, that you disassociate her life with her extorted and tortured life as Elizabeth Prophet, from her life as the disciple of Jesus Christ, Martha.

**GIZEL, Root of Martha:** The devil's advocate is with this coldness, that they in serpentine logic dissect the Teachings of Christ. It is also seen in the Great Divine Director who wrote the *Mechanization Concept* or the *Soulless One* to describe a creation of mechanized men and religion.

**MOTHER MARY:** I ask that the decree be shown here. See if you can recognize this evil. What you have is that you have backdirect, and you must balance it. And what he in his ability

on the 12:00 o'clock line with black magic is doing is to see a direction into the next cycle avoiding backdirect or karma.

**CALL FOR THE ARRESTING OF SPIRALS OF  
NEGATIVE KARMA  
by the Great Divine Director**

In the name of my Mighty I AM Presence and the Great Divine Director, in the name Jesus Christ, I demand and command the arresting of the spirals of negative karma throughout my entire consciousness, being and world!—that every single cycle of every single cell and atom within my form that is not outpicturing the perfect cycles of the Christ consciousness be now dissolved, be now arrested and turned back by the authority of my God Presence! And in the name Jesus Christ, I demand and command that the cycles of immortal Life and my Divine Plan be fulfilled and that my ascension prevail!

Taken from a dictation by the Great Divine Director, October 10, 1971.

**Typist:** I was asked by someone extorted. "Who do we trust?" When you see force against force and evil comes out smelling like a rose so to speak? I said, read the Ten Commandments. Read that and you see your problems with brute force, with torturing, with extortion, with doing mafioso schemes is from not obeying the Ten Commandments.

**MOTHER MARY:** What is needed for you then is not to take such a decree and see how you might avoid backdirect. You are to find the Ten Commandments in your life.
