

The Horrors of Evil

An ascended one, (called here) XC

killed babies in the ICBM group. This one put a black demon into El Morya at the end for a weep-and-gyrate event.

Nancy of Oregon: This was not the El Morya *you* remembered, this was an El Morya with a Satanic demon of great proportion. He was a goner. He was slave.

ANDREA of Chicago: Recently we learned that the ICBM group held meetings on conference phone calls. To impress the Red Guards that they were destroying the teachings, they had prostitutes there for the use.

What was supposedly a pretend,, turned awful.

Although more men were there, 3 men were given a demon from XC. One routinely used a whip in sadistic sex.

Nancy of Oregon: He had been a corporal in Vietnam who went to the prostitutes. In Vietnam, the soldiers would push down the arm of the prostitute in the prostitution sex. 14 men in line to one prostitute, pay one fee, leave.

ANDREA of Chicago: The women considered these rapes. 2 men at the ICBM group with these demons asked what to do about these church prostitutes who wanted to get up, and corporal told them to push down their arm from his experience in Vietnam.

Nancy of Oregon: One photographer was even taking photo shoots. These men were goners and slaves. The 3 are now in the compound or hell. Hitler, Stalin and Lenin of

another time are of a different sort. The 2 psychics that blew out the heart and rectum of Elizabeth Prophet at the gangland slaying another sort.

Typist: One woman fated for sadistic sex was not an ordinary prostitute either. She had been trained by George Sahagun, a fallen angel, who in another embodiment had been Juan Diego, the saint in Mexico who feigned devotion to Mother Mary. He trained the prostitutes to work for the false hierarchy. And the ICBM group was such a one, to give secrets to the enemy.

The evil described here is not to frighten you.

It is only to point out that should you not be aware of this evil, and you will find yourself in the banality of evil. In an "atheism" of evil.

ARCHANGEL MICHAEL: Does this not remind you of My Lai in Vietnam!

Typist: You say, "I cannot see these forces of Satan described in religion."

MOTHER MARY: Then do at the least acknowledge what you can see— the whips, the injured, the babies lost in miscarriage by voodoo.

ARCHANGEL MICHAEL: You acknowledge that these evils described are wickedness in high places. That even we, the Archangels, are not able to fight, as their offices are at a much higher level, what has been described to you as Satan. Although I had cast out Satan, the real one, out of heaven, it was under law. Then what happens when these great forces of evil have not been judged? You see, you must be wary that these conditions do exist— when you see whips and Islamic torturings of the 9-year old whipping the mother! Do you not?

FATHER MALACHI: You can imagine the horror of the Soviet boot, working in tandem with the Hitler camp in the *Communist Manifesto!* That the Communists say from Karl Marx—

“Religion is the opiate of the masses”

And there you have it. “Your religion”, is one where you are slaughtered, burned, tortured in gulags and you have no binding to any force of the Archangels, binding not to the Talmud, not to the New Testament, not to any holy book, holy word, binding to holiness that you can count on for your safe passage on earth!

Is this not an evil design? It is!

FATHER STRONG: It is the work of demons!

FATHER MALACHI: It is the design of the wickedness in high places putting demons in people that they are as the Nazi's to torture 12 million Jews!

MOSHE: You determine you in your religion will, through your doubts and your ignorance, will in faith nevertheless follow the

rituals. In spite of what you cannot see or what you see that you do not understand. As these people, the corporal and the prostitutes at the ICBM group will call for help of an Archangel, and no help would come.

ARCHANGEL MICHAEL: Their allegiance is already with the Dark. And to have a Satanic demon, is of their choosing when proffered to them. An El Morya in his state, never doing decrees, would not be able to call for help. Find assistance. Find healing.

MOSHE: This was the state of the religious worship of Judaica. That going to the Sabbath services was for an internal healing, a soul healing, and a forthright healing of the mind that there be safety nevertheless.

MOTHER MARY: If these Satanic forces are greater than the Archangels and they are, you will at least be able to hear us that we are near such as this case.
