

The Catholic Church Pedophiles

Q: Is the Catholic Church in these

conditions from the pedophile policy where the leaders are goners and slaves to demons placed in them by ones such as XC?

A: No. My understanding of the Catholic Church is that according to prophecy, they were to have died off already. What saved them was Pope John Paul II's long reign.

JESUS CHRIST: Saint Augustine was a typical example of an oversexed priest.

Typist: The pedophile of the priests were described to me as the priests having sexual relations with women regularly. And this goes back throughout its history, and is not recent. These reincarnated children have been in counseling with the Archangels from the sexual abuse of the priests and to be helping them overcome their dysfunction.

The priest would have sex with a docile woman. He would then sexually abuse the boy for the reason that the woman would be embarrassed to the community that her child was molested by a man. Therefore, the woman said nothing. The child promised the priest not to say anything. And so, every week, the woman goes to church, has sex with the priest and the child would be waiting outside for the mother and so he sat there in terror. And he would be called in next.

No, The problem is not the same. At the Catholic Church these pedophile priests are Levels 1, 2, 3. At the ICBM group, these with the demons were Levels 4, 5.

FATHER MALACHI: Augustine had sex every day. Then you see they set up the church like this everywhere. With the sermons. Without the liturgy that would judge them. *Personally*. They would go before the Lords of Karma for their evil

design upon the women and children from doing the decrees, from doing the rosary.

FATHER STRONG: The priests would be judged before Cosmic Council from their doing the liturgy.

Nancy of Oregon: At the ICBM group and the Ranch, the decrees do not have fire. Then you understand that there is no fire in the liturgy.

FATHER MALACHI: The liturgy has to be watered down. It cannot be changed to reflect a worship of the greater Light.

FATHER STRONG: They put down Mother Mary. They have her in the slur and put-down, "The Virgin."

Typist: Mother Mary checked out. Repeat! She might be labeled "The Virgin" but she can check-out and she did check out! Although, she says it is more to this "virgin" teaching of the gospel.

JESUS CHRIST: Instead of "The Virgin Mother Mary" it would be more accurate and better to say, "The Checked-out Mother Mary!"

Nancy of Oregon: Why does the Western church last this long?

It is a twofold reason in retrospect to this Nostradamus prophecy. One is that the US Catholic Church has to separate out. Jesus Christ needed the Western Church as it had the power of money and lands that you do not find in the Eastern Church.

ANDREA of Chicago: So through the black popes to be expected, through thick and thin, Jesus Christ has supported the Western Church for the spreading of the gospel. However the US Church has to separate out— let the fascist old church pass away.

FATHER STRONG: Might I say that you will never see eye-to-eye on practically anything. You talk about pedophile and they talk about something else. You talk about the inner church standards, they talk about social issues are the responsibility of the Church of Christ. Just give up trying to have a dialogue. Levels 1, 2 do not match higher Levels 5 and above.
