“Electric Chair” for “Stoning”

MOSHE: In all editions of the Bible and Old Testament where you find the word “stoning”, you are to replace it with “electric chair.” In no wise, was the stoning meant to be a torturing of another and to have anyone alive after the stoning!

HOLY AIMEE: What you must clearly understand is that I was very unfairly represented in my life as Mary Magdalene. I had been stoned and it was so that I would die after the 7 years under Mosaic law to be a slave, sex slave, although in Deuteronomy, it is described as a so-called “servant”.

MOSHE: At the departure from the Sinai Desert to cross the Jordan River, the Jews knew that they were freed from slavery in their heart and souls having been 40 years and more in the wilderness to be re-trained so to speak.

Yet what happened was that they went to Babylon and they learned of the evil ways of the Assyrian gods. Thus when Jesus Christ came to be the Messiah, there were aspects so horrible of the Jewish culture such as the stoning

of Mary Magdalene, that he was not able to personally vouch for the Jews to carry over the teachings of Judaica.

Deuteronomy 15:1 At the end of every seven years you must declare a cancellation of debts. 15:4 However, there should not be any poor among you, for the Lord will surely bless you in the land that he is giving you as an inheritance

15:12 If your fellow Hebrew – whether male or female – is sold to you and serves you for six years, then in the seventh year you must let that servant go free. 15:13 If you set them free, you must not send them away empty-handed. 15:14 You must supply them generously from your flock, your threshing floor, and your winepress – as the Lord your God has blessed you, you must give to them. 15:15 Remember that you were a slave in the land of Egypt and the Lord your God redeemed you; therefore, I am commanding you to do this thing today. 15:16 However, if the servant says to you, “I do not want to leave you,” because he loves you and your household, since he is well off with you, 15:17 you shall take an awl and pierce a hole through his ear. Then he will become your servant permanently. 15:18 You should not consider it difficult to let him go free, for he will have served you for six years, twice the time of a hired worker; the Lord your God will bless you in everything you do.

Typist: Now you see how it is that Moshe taught them that it was fine to have servants. And some servants wanted to stay with the master and then there was a ritual to pierce the ear where the earring would normally go in wearing earrings and this was a sign that the servant wanted to stay past the 7 years.

MOSHE: However you see that the servants were to be well blessed and given bountifully from what storehouse you had, to be given a “dowry” where they could begin a new life. These were the practical conditions, however after the Babylonian captivity, the Jews knew they were wrong to kill

Mary Magdalene. So they wrote the Bible saying she was taken into adultery when she was not an adulterous, she was a servant and everyone knew by Mosaic law that she would be set free after 7 years.

JESUS CHRIST: And that was not what the Bible records, that she would be killed, she would be stoned now. Even if she had children by the master, this sex-slave is more the concubine rather than a prostitute pimped out, and the Babylonian Judaic culture called for her to be killed or stoned.

Typist: The status of concubines differ from culture to culture. Where these women are sold say in Roman and Greek times as 8 year olds, this is a formidable headwind as a spiritual being, and you read about this in Taylor Caldwell's novels. The poor 8-year old is bleeding between her legs and cries for help, no help arrives. The Japanese concubines are the geisha class. This is again quite evil, as these are women shared among many men who look lustily and treat them as objects. These are not women who can ascend. The Islamic culture has the additional torturing by whipping the women and the veiling of their face. The Rai of Suern said it has nothing to do with curbing the sexual desire of the Islamic men, but the Islamic men could do crime to the women and

you would not see their faces as they are veiled. I remind you what torture is like. It is as if a dinosaur picked you up, ripped off your

skin, chewed you down to the bone, threw the bone behind him and says, "Ha, ha." This is your bible Babylonian-Jewish so-called "servant" Mary Magdalene!

MOSHE: The stoning failed to be as an electric chair. Had she gone to the electric chair, she would not have sustained such an awful hatred directed at her personally throughout that life and the subsequent lifetimes and as you know of her as Aimee Semple McPherson.

MOTHER MARY: It was not to the quick death.

MOSHE: It resulted in what would be considered a literally-speaking torturing with these twisted faces of Jewish men of the community who gleefully were stoning her as if she had had an Islamic executioner to whip a woman 50 lashes.

JESUS CHRIST: Then beyond this criminality, they would write the gospels with a story to cover over their evil-doing. How does 7 years equate to 17 years and equate to stoning instead of setting the servant free!

How did I do this? The backdirect or karma is to them. And it was by showing the record to them, that I confronted them, and they walked away.

MOSHE: The Babylonia Jewish culture knew they had 7 years under Mosaic law. They calculated that the servant sex-slave would then begin at age 14 and be not set free at age 31 but be stoned to death. They added surreptitiously 10 years, going further against Mosaic law.

Typist: The horror of this stoning is not towards death, it is towards cowering from a satanic whipping of the barbaric culture.

Mathzedes: What was seen in the faces of the men, not the women stoned or whipped, is this great, great glee in torturing women as if it is his right in the Middle East.

NATHAN the Judge: They give all their strength to whip the woman.

Typist: What happens if she is still alive? They aim at the head with the stones, to kill the person. What Holy Aimee said was that Jesus came to her rescue as she was a follower. However it was Mother Mary who protected her thereafter, giving her medicine also. She was a plain-Jane servant, not even good looking. She was not this whore with the heavy make-up and short skirts and 7- inch heels that is depicted on the internet called Mary Magdalene!

This is the true story beyond the fabled one in the Bible. Another fabled story is the one on King David and Bathsheeba. This was of an extortion. King David did not look at a naked Bathsheeba from the roof. He was married and this was all made up. He had to agree with the Jewish writers in order to find safe passage in an extortion.

So even if you were to teach on women taken into adultery, they do not stone the Samaritans or Lebanese, only the Jewish women "servants".

MOSHE: To comply with Jewish law.

ARCHANGEL MICHAEL: You make the women look evil? Look at the men! You saw how in the situation with the corporal in Vietnam, that because the women have a lower status, that the men freely abused them, traumatized them. They whip the 50 lashes on the women, they stone a Mary Magdalene and it is using all their might to kill her, after they are done with their evil-doing.

MOSHE: The law said 7 years, they extended their evil to 17 years and then would dispose of them "cleanly" by stoning them to death for their criminal behavior.

NATHAN the Judge: She said that the Bible saying all this about her using her hair to wash the feet of Christ making her some sort of sexual goddess I suppose, is not true. What ensued after the stoning was that the Jews to cover over their criminal behavior, that was against Mosaic law as was shown written up in Deuteronomy, the holy books, was that they made up these stupid stories—such as, "taken into adultery", "stoned for adultery", when what she was had been a servant under Mosaic law, living in one household, baking the bread, sweeping the floors!

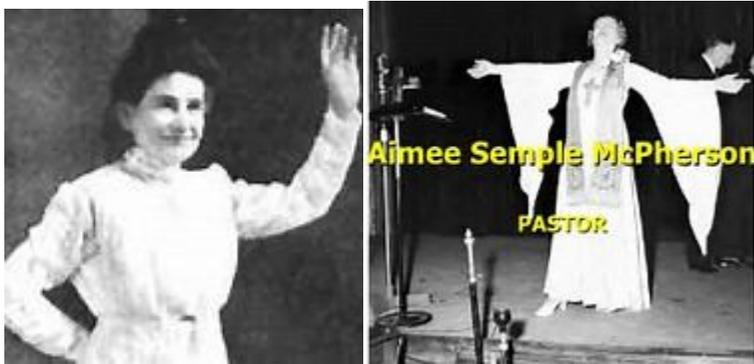

Typist: Moshe taught on theatre. Do not confuse theatre with prostitution, in the work of Aimee Semple McPherson that was similar to Guys and Dolls of the Salvation Army, Amos & Andy in Hollywood.

Also do not confuse sex with prostitution. The two distinct qualities about a prostitute is that they are liars and their work is in contracting for money. Not all prostitutes in later years even sell sex at all. What they are trained in is easy money for what a prostitution can bring in. A betrayal. An extortion. Getting the ICMB secrets was done by a prostitute. Holy Aimee said, "I was a servant." You remember the words of Jesus to her, "You are the typewriter keys, I am the typist." A prostitute binds you to her to get gifts. This is a narcissism often seen in prostitutes in the low-cut, short-skirt, high heels appearance.

ANDREA of Chicago: Not all people who wear platform shoes are prostitutes. Evangelism is not prostitution but you see how Mary Etter Woodworth, another healer evangelist, her teacher taught Aimee, that the One -God is a false teaching. And so you see how the real prostitute would have

you believing there is an One -God and send in money to me as I speak to God for you.

HOLY AIMEE: You will fall to the ground at a healing, send me money. Because I am the connection for you to your healing. And this is not what I did! You see the gesture here of Mary Etter Woodworth and how I had imitated her to be an evangelist.

MOSHE: You would not confuse any gestures made by the evangelists with prostitution either.

MOTHER MARY: She sustained such a devastating and horrific head injury that she would into the centuries live in a separated self existence along with the fear.

Nancy of Oregon: She said, "You see how I was even taking sleeping pills as Aimee Semple McPherson."

HOLY AIMEE: The look of their faces were a searing and heinous hatred of one who had served sincerely as a servant. You can see why this creates nightmares into the centuries ahead. All I did thereafter was to stay in England, then I went to America where these barbaric cultures did not exist. Canada is not even as a freedom-loving, liberating culture.

JESUS CHRIST: Now are you able to see why the Middle East is the New Jerusalem? The Holy City is not there! It is in the United States

NOSTREDAME: The Holy City that Jesus Christ saw in *Revelation* will be in the Rocky Mountains area.
