

The Secret Rays

What Moses was not able to convey through Deuteronomy was the wrong that it was not only the “high” that was sought in “lust” but that it was the tampering of the secret

rays in polygamy, in servant slavery of the women, seen in the 700 wives of Solomon

FATHER STRONG: When you have a Solomon having sex with 700 wives, prostitutes and slaves, it is a repeating of insult and injuring of the women. And this causes a great cruelty, a crossing of the life and death lines and barriers of human conduct.

You are no longer dealing in the 7 Rays in what you think of as the Jewish conduct in business. You are tampering and violating the secret chamber of the hearts of men and women in slavery conditions, servile situations that make him lower than an animal. On top of this, he is proud of all this, to be called Solomon, King of Wisdom.

FATHER MALACHI: Rather you are dealing in life and death issues as is incumbent in the 5 secret rays, to cause the men to be live in slavery conditions in building of Solomon Temple. He tortured the women in his polygamy, he tortured the men in the building of Solomon’s Temple!

FATHER STRONG: This tampering of the 5 secret rays causes a great disturbance in Judaica. It caused the rift that caused the servant slavery conditions that they would result to stone Mary Masgdelene.

FATHER MALACHI: Try to understand this! That you do not tamper with the 5 Secret Rays. It is where you have the keynote in the secret chamber in the Heart.

FATHER STRONG: It was not expressed in either Deuteronomy or in the recent teachings on the fixation on the “high”. It is where Solomon was into an isolation of the individual person of the 700 wives of Solomon that caused him to destroy Israel by having them going over the precipice of forcing the life-and-death issues, a violation, of the 5 secret rays.

FATHER MALACHI: It is far better if you understand that both monogamy and the protection of the 5 secret rays be upon you.

Thus, as you read Deuteronomy, might you understand that this is the teaching of this day, that you do not pass into either into polygamy but sanctify marriage. That you do not go into the demons of Solomon, to trust, in the force of power of witchcraft, as the secret rays have power and witchcraft and its use thereafter. The polygamy cults are dangerous.

These men once they pass into the violation and tampering of the 5 Secret Rays, do act as God. They kill wantonly, they act as if they know what is the Will of God to destroy people. You saw this at the Summit Lighthouse. In the Mormons. Children of God.

FATHER STRONG: And how long will it take the woman traumatized in group sex as in the shack rapings when the secret rays have been tampered with to recover? You can see the dilemma! It is not to be in any way institutionalized as with the Hebrews!

- ❖ They are to be judged for their selling of the daughters to be servants for sex..
- ❖ They are to be judged for their having polygamy as in Solomon but they will be going to be going into captivity.

As the word of God is not mocked!
