

On Elizabeth Prophet

In this teaching on the 5 Secret Rays, people have asked if the Messengers have gone to the Second Death. They have.

The Rai of Suern says to tell you that Elizabeth Prophet has gone to the second death on another account however. That she had untoward powers and was not in control of the ill-gotten gains of the powers that she had to go to the final death.

ANDREA of Chicago: What these men one and all said was, “You ruined my life Elizabeth. You’re not Mother.” It is a form of child abuse when the one named “Mother” has sex with you. And thus, all these men hoped that she would choose him to marry her.

Nancy of Oregon: Then only for her to turn around many years later to say: “Make no mistake, I had no romantic attachment to you.”

EMPEROR LeAMTHE: She might say it audibly or it might be quite faint. What she said to the men was, “You’re a horrible chela.”¹

MOTHER MARY: And this was a way for them to feel a great shame that then funneled their light to her.

EMPEROR LeAMTHE: But the men lived in this fear of her the rest of their lives.

MOTHER MARY: Constantly thinking about her. You wonder if she as Martha did this with the 12 disciples, and it is of a truth.

GOD HELIOS: And a heated argument ensued of Elizabeth accusing Jesus Christ of how had it not been this proselytizing she did, he would not have 12 disciples and Jesus Christ was not able to remain objective. What were they arguing about? She considered it love of Jesus and love of the Christ path. The argument was to

her was about love for her part, and it was about lust for power and sympathy that was just *too much* for Jesus Christ for her part.

SAINT DIANE: You tie people to you through sympathy. Your good looks. She had several face-lifts. \$100 dresses.

ANDREA of Chicago: The decked-out morality. Good is equated to how you dress. Wear your hair.

MOTHER MARY: Jesus Christ had no answer and begged to be let out the meeting before Cosmic Council.

JESUS CHRIST: She admitted to ordering of an early stoning of Mary Magdalene saying, “This was a disciple of Jesus” at age 25. The period of her torture was between age 17 to 25 then.

GOD HELIOS: Thus you understand that it was recounted to her, “But one and all of these 12 Jesus disciples hate you.”

¹ Chela means disciple.

Typist: All this is quite confusing with TV which Nostredame calls the TV prostitutes.

MOSHE: You would teach your children the Ten Commandments: Thou Shall Not Commit Fornication. Thou Shall Not Commit Adultery. No sexual misconduct. Marriage is sacrosanct, never mind what public education teaches you. These are the rules.
