

Breaking the Silence

Common in all the violation of the secret rays is shame. You can see that the fig leaf story embarrasses people to talk about it. Another example is Moses teaching on the soldier to free the woman he wrongly made a wife in Deuteronomy as you have already “embarrassed” her. There is the no-talking about this area seen in extortion of the teens. In both Red China and Islam, there is the punishment of women for being a slow learner or having her to learn a lesson by raping her. This is her punishment.

DEPUTY AMOS: This is also in the American Indian, in Mexico, throughout Central and South America, the Caribbean.

Typist: The sympathy is real. It is emotional. It is also sexual sympathy in this punishments. Furthermore, you have the Jewish rabbis and Christian priests shame Eve for this condition of humanity.

It has to stop. It is where your understanding of religion has to go back to the Rai of Suern who taught the people that unless they were going to raise up the Light in devotion to the altar, that they could not control the power of precipitating food.

MOSHE: The word “unclean” in the Old Testament is not correct. This entire concept is not found in Genesis or elsewhere, it is a fabrication of the Rabbi’s, Hillel and others. When a woman is menstruating, it is not to be equated to being

“unclean” that is ludicrous when it is a time of rest for her menstrual cycle to not be engaged in intercourse.

The fig leaf story and its shame is more having to do with the sympathy. That whether it is sympathy for self or other races, you wrongly associate.

Thus the barbaric cultures you marry, you have sympathy for. Whereas you would be greatly relieved to be cognizant of the treachery practiced against the women in Islam and Red China and Mexico and South America, than as you are at present— to assume you can forever be “free” to marry the foreign barbaric cultures. The Chinese torture chambers is empowered by this raping of the teens. The Oklahoma City bombing, the filling of car tires with gasoline to burn Negroids in South Africa, 9/11 also— these are empowered by the 9-year old male children, whipping their mother 4 times with the large whip. This was unheard of in Egypt where I and the slaves came from.

Mighty Cosmos - November 1973

The very nature of the secret rays—clothed as they are in a sheath of blue lightning to seal them from the prying eye of mortals who have eaten of the tree of the knowledge of good and evil¹—the very nature of those rays makes it impossible to understand them until you stand within them. You must pass through the sheath. And I tell you that to pass through that sheath is comparable in your octave to passing through a wall of steel. There is one sheath for each of the rays.

Typist: This abuse of power is to be as Solomon, whether men or women, he would break the sheaths of the secret rays, force them open.

¹ Gen. 2:9, 17.

FATHER MALACHI: Of the forcing of your secret rays, you knew the person, you were “confused” “not listening” “not paying attention” which is a sympathy for self.

FATHER STRONG: The silence to be broken is then that you recognize sympathy. And when you have sympathy, you had no choice.

DEPUTY ANDY: You carry the shame for the sympathy.
Just watch your sympathy! You want to have power then get married! What we tell the American Eagles is that you not force irresponsible sex on the girls even though this is what they teach in public schools.

DEPUTY AMOS: What you had at one time was a long-time sincere friend who then turned into someone who now hates you.

DEPUTY ANDY: It really goes like clockwork. You can expect that you have sex with a friend, you have violated their secret rays, it is best you chill and only approach one you will marry.

DEPUTY AMOS: You then must be on guard. Where you find that your secret rays have been violated, you get away as fast as you can from the perpetrator. In come cases, you fill out a police report.

Typist: You may have heard of this. The politician “X” would have sex with men to bind them to him. X would then masturbate the man and at the climax X would do this witchcraft command saying, “You will obey me, in whatever I ask.”

This general. X wanted to have sex with this general. The general took his gun, he shot the door handle of the hotel room. He would have X pay for the damage to the door handle. The general opened the door, he yelled back at X, “Go

to hell, you asshole!” He then shot the window, again for X to pay the hotel for damages. And left.

DEPUTY AMOS: What he did was to show the vulnerability to X that he was about to do toward him!

MOTHER MARY: This is the astuteness you need to have to protect your own secret rays.
As the general said, “It is something you practice doing first. You practice it over and over again, until you remember each step.”
