

Thanksgiving2017

## God's Country

**MOTHER MARY:** You read in this teaching the difference between being an American and not.

**Nancy of Oregon:** You live in the sea-waters of grace with the soup kitchens, the food banks, the meals on wheels.

**ANDREA of Chicago:** The Alcoholics Anonymous. The sharing of the Lord's loaf of bread! You take this all for granted as this United States. But that is who you are.

**JESUS CHRIST:** Alcoholics Anonymous was founded on the Oxford Movement which is a Christ church.

**FATHER MALACHI:** Its tenets in the step of "reaching rock bottom" is the same step as the "method" in the Methodist Church.

**JESUS CHRIST & Holy Aimee:** We thank you both Bob Smith and Bill Wilson.<sup>1</sup>

---

<sup>1</sup> **MOTHER MARY:** On Narcotics Anonymous, all you can do is ask them to take the electric chair as they have permanently damaged their brain after 3 times on chemical drugs. This includes marijuana deathdrug.

## Jesus Christ Thanksgiving 1984

I come this Thanksgiving Day 1984 and I speak to you personally, spirits of the living fire, brothers and sisters of the eternal Flame of Melchizedek, Helios, Seraphim of God. All saints are worshipers of the sacred fire. And in this heart, I come—I come and I call you. I call you fervently as Jesus, your brother and your loved one.

I AM the Beloved and I AM the rose of Sharon, and I ensconce myself firmly, one with your heart. Have no fear, for I shall be the instrument for the raising up of the nations of the earth, for doing all those things that are promised. Fear not—fear not the fulfillment of my mission through this time cycle. But fear this, O soul: Fear that thou mayest miss thine own calling to also be myself.

Fear, then, that in the hour of the fulfillment of God's holy purpose through this mission of the Mother of the World that thou might be set aback by the darkness rising from the mists of the unconscious—rather, we would explain this is God's holy country to you.

Unconscious fear, then, and know that this unconscious fear is the sense of the awe and the holiness of God in thy Presence eternally. And have the sense of the honor of God, trembling before the sacred fire of Sinai and knowing that in this hour the Lord thy God does require of thee the fulfillment

of thy holy purpose. This is the reason for thy calling, for thy blessing, for our love to thee.

O Mother of the World, I AM come. I AM fulfilling Light, and I AM the fulfillment of my promise unto thee and thine own gathered here in the tabernacle of the congregation.

Beloved of the Light of God, I welcome you as brothers and sisters of Holy Flame—yes, brothers and sisters of the Flame of God. This means that I hold thee in kinship with God—God the Father and God the Mother with us. For the Universal Mother and Her Light of old, known as the Shekinah<sup>2</sup> glory, is the presence of God in this universe, in this manifestation. Therefore, behold Her universal Light in Mary the Mother, in nature, through the Holy Spirit in thy heart.

Beloved, you have heard it said, “I can do all things through Christ who strengthens me.” Now understand how universal, all-pervading through and through thy very bones, is the person of the Universal Mother. Understand how it is thy glory, thy discipleship to be one with this Mother if you would will it so.

I am the Prince of Peace.

The persecution of the believers in my mother, Mary, is in reality an outpicturing of a deep cleavage in the subconscious, a psychological state that has been called by beloved Moshe “the hatred of the Mother.”

Understand how the ancients knew that the consciousness of Mother, the womb of Mother, was the matrix alchemical of that Light you are to become.<sup>2</sup>

Thus, you see, the immaculate heart of Mother in both male and female representatives of Herself must be held. For this indeed is the womb of creation where you abide, where each one is becoming Christ, being formed and re-formed in that Christ.<sup>3</sup>

<sup>2</sup> Shekinah glory, known as the YOD HE VAU HE or I Am Presence.

<sup>3</sup> **Nancy of Oregon:** The reference is to “the United States belongs to God” and “the people of the United States belongs to God.”

Understand, beloved, that each one has truly—the duty in the understanding of the Universal Mother—to be the Mother on earth, holding firmly and with strength and devotion and vision and faith the understanding of each one’s potential and its fulfillment. Thus, when the Mother Flame is kept, life does prosper; for children are comforted, souls know the solace of love directly through your heart. And when the crystal vision of each one’s ultimate Godhood is known and loved, even as one loves the soul becoming the Real Self, then the love of Mother is kindled and this love does consume and transmute the records in the subconscious of this which we have called “hatred of the Mother.”

**ANDREA of Chicago:** You live in the charity of the Salvation Army and Goodwill Industries.

This denial of the Mother’s grace divides the individual. It divides Christendom. It divides the followers of all the world’s religion. It is the cause of the division in families and divorce and mistreatment of children and the misuse of the sacred fire. And therefore, having hated the Mother, the Light is squandered.

Those who therefore deny the Light of the Mother on earth before holy angels must receive the compensation of those holy angels denying them before the Godhead. Denying what? Denying their access to greater Light and Divinity and the onward path of initiation. Thus, the holy angels must say of such a soul: “Thus far and no farther! They shall not pass into the realm of the Father or of the Son or of the Holy Spirit or of the living Guru, Lord Moshe!”

Beloved ones, you who know the temptations and the experiences of life understand full well what is this pull of which I speak. It is a counterweight and an anti-magnet, consisting of the entire momentum of nihilism—the denial of God the Father, the Son, the Holy Spirit, and the Mother—the entire counterweight of those who have chosen the left-handed

path and stolen the Light of the Mother to enshrine it as a way of death to be followed by the many.

For angels have gone forth from the Keeper of the Scrolls, reading unto us, the Ascended Ones, the names of those of whom the Lord does require answer in this hour and decade and century.

And to each and every one of these we have sent forth legions of Light to draw them to the fount of this wisdom, this path, and this Gospel Teaching.

For it is written in the Book of Life that the Lord thy God does require of thee in this hour the fulfillment of thy holy purpose and thy calling.

Thy choice to be here is the choice to fulfill a fiery destiny that cannot be delayed any longer, will not be set back! Thus the open door of opportunity is given to the world of lightbearers whose names are written in the Book of Life.

**FATHER MALACHI:** What you in the United States is the misinterpretation about love, that is also the Great Commandment of Jesus: Love One Another. That is you love unconditionally.

**FATHER STRONG:** Many of an obese woman has tried to give unconditional love and become depressed when they are not able to love unconditionally and eat an entire box of chocolates to soothe that depression.

**FATHER MALACHI:** The love then is the true and sensible love of Christ. That love will admonish, guide and direct, chastise and scold. It will be seen as exacting, perhaps not endearing.

**FATHER MALACHI:** But it is not a feeling of "I love you"! It is a reality-checking, a "caring enough" to spank and reject mainstream media values of pacifism towards shoplifting, stealing, corruption..

By the Mother Flame, Moses communed with the YHVH or the I AM THAT I AM on Sinai. Had he not had quickened in him that Mother Flame, the receptivity would not have been there. Thus, by the Law of Love whereby the Father denies those who do not love His consort, the Mother, and by the very mathematics of polarity of the Father-Mother God even in Alpha and Omega, those who have not the love of Mother truly have not the grace of the Son nor the magnet that will truly woo the Father and His holy angels to their side. Let us understand, therefore, that the denial of light and comfort and love to any part of Mother is a denial of Her grace within thyself.

**MOTHER MARY:** "The very mathematics of polarity" is that you are then in polarity to this Light. You are not one cast adrift in freedom. You are not without this tethering to love and light in the United States though you live in freedom to pursue liberty and happiness.

Understand, therefore, that to rescue the souls from this pull and tide of the world and the mass consciousness requires pillars of eternity, the polestar, the magnet of the Central Sun, as you (as your heart, your kinetics, your soul, your spirit), that when you encounter souls on the path of life and they come into your orbit, they are drawn mightily by archangels and the I AM Presence for realignment to Reality.

**GOD HELIOS:** You are seeing how being an Eagle is that you are in the comfort of the womb of the Mother as you pay off your backdirect debts to life, as you pursue your profession or art or science. You are growing in many ways, the important way is growing in grace as you are caring for one another.

**GOD SHIVA:** It does not mean you would learn to accept the Red Guards and the Islamic, the Aztecs, the African tribe warlords. But that you accept those who are the Eagles who wear their grace in honor. It would not include the rebels in the rock-n-roll/drugs/sex industry whom you have made idols of.

**MOSHE:** You belong to God. This land belongs to God. You learn the skills of killing to protect yourself and this land the United States as the land God gives you to grow in and not consider that the great comfort of the womb of the Archangel Mary and Archangel Michael is how you compromise to hand over the United States to a covetous nation to be a slave colony renamed from "United States" to "Hong Kong".

**GOD SHIVA:** Absent your protection through the military and police to protect life, you falsely protect the theoretical paper rights called civil rights not understood to rightly protect the people who belong to God— to be found compromising a life in God to Satan.<sup>4</sup>

**Sergeant York:** In fascist and socialist nations, they have laws in how you must help strangers. In the US, you are required to distinguish a stalker-killer and a true leader, and not live in blind charity.

This shows you that the US cannot continue to win the war of low prices or terrorism in such a current thinking. Obama let out the criminals who bombed the World Trade Center buildings in 9/11. They were detained in the prisons of Guantanamo Bay. Obama let them go free, giving them each \$1,000,000 each to not again do terror again.

This is a nation that belongs to God. If you would look around, you would see this is actually true. *Opportunity* is to you! Opportunity in *not* to the illegal aliens, the Aztecs head-choppers and Red China cannibals.

<sup>4</sup> Where force and hidden evidence puts the hoodlums to be the more in power unless you see this.

**George Washington:** This is a nation of Providence.
