

Reality Check

You Have Free Speech

To the Protestants and Catholics Alike

POPE JOHN PAUL II, Ascended: There is a time for revolution, though you might call it instead “devotion in action”. Since the convening of Vatican II, you have not as priests or the laity been able to speak of your voice being heard.

JESUS CHRIST: You have the Freedom of Speech in this country. While we are not of politically mind as was the Civil Right March on Washington D.C. by Martin King, this is what you must at the least do now.

The women need to organize this. And I ask the Protestants to help the Catholics.

The Protestants you also need help from the Catholics. They need the statutes back and relics and the serving of communion back. And the Catholic women, you can help the Protestants get their list of demands back.

POPE JOHN PAUL II: The demand is for the rosary in the afternoon. It is for the Sabbath services the way you want them, eating with one another, reading the Bible together and doing the rosary and decrees.

JESUS CHRIST: However you start with the pedophile situation and demand in central park in the speeches you organize, for all the pedophile priests to be removed

immediately or you will continue your speech rallies. You have the Freedom of Speech.

POPE JOHN PAUL II: How is it then, that God Shiva would say that the pedophile situation to the Vatican is “time-honored” cultural tradition and they will not change?

You have not had the opportunity to express that freedom. And it is freedom from tyranny

MOTHER MARY: You the women organize, demand the changes.

POPE JOHN PAUL II: Do you demand that women be priests? Not right away. Rather, you see it is tyranny you are fighting. Here it is that I was already doing the rosary in the afternoon, and they will not allow the priests to be able to organize this into their schedules on the East Coast.

JESUS CHRIST: You are fighting the 7th Commandment: Thou shall not fornicate. Thou shall not commit adultery. No sexual malfesance. And that would include both then homosexuality of male and female genders who would equally traumatize the children going to Catholic schools.

Martin Luther: I repeat that it is not a revolution. It is not “a show of force” as Martin Luther King said of the Civil Rights March whereby the President of the US feared violence and would talk. It is simply your right as citizens to express your freedom of speech. The Protestant Revolution basically got out of hand so you see how it is that your demands must be in line with spiritual law. Taking out the statutes was not in order, and the Protestant Revolution gave us the “mopping-up” of many severe residual backdirects of which is still painfully present.

MOTHER MARY: We would say that you see this as a church service outside. And that you still use the time in worship and devotion. The speeches are what is calling directly to the

bishop hierarchy and not the local church to stop their malfeasance from the fascist Vatican.

JESUS CHRIST: The anger is fine. You will be repeating the throwing out of the moneychangers in the temple scripture.

MOTHER MARY for ALPHA: It is not proper that they had made Martin King a holiday as his was not a clear picture of the force of love but a clearer picture of force that could turn violent, he says, "It was a show of force."

We ask that you however take this as an example of the numbers and of your being on the streets with your message under Free Speech. Apply the principles of Christ Light that you never forget the rose of Gideon, the rose of the Good Word.

That you might convert some to the Church is in order. You can serve communion when you are able. It is an expense, however you see that they are not moved by words as they are by the Light of Christ. You are sharing the rosary. You are sharing what to do on the Sabbath.

We will have more to say on the Presence of Christ and God that is the "force". It is not a show of numbers that could quickly turn to violence however, but it is the everlasting gospel that you are portraying as religion. You are to portray the freedom of religion in the United States that is also your right that has been trampled upon. You would then move to have your own pope and not have that leader be one from another fascist nation.

ANDREA of Chicago: Anger is on the 3:00 o'clock line of arrogance. It is the line of the Divine Ego. You put away the human ego and you put on the Divine Ego. You check the arrogance and anger. What do you talk about? There is a short addressing of the bishop hierarchy and then here is what George Fox did as what you do.

George Fox came to counsel someone in the early morning hours at about 2:00 a.m. He came into the room as if it were a larger-than-life bouquet of roses. He is not a mild Quaker. Rather he was a great force of the goldenpink Ray. He would leave then the counseling with how to practice the Presence of God.

FATHER MALACHI: It is a veritable force.

FATHER STRONG: He was not a threat such as the posting of the 97 Thesis on the Catholic Churches door. However he was a force of Love and grace and that was sustentative and substantial. All attention was on him. Everyone listened with great attention.

What he said was this.

George Fox Counseling Excerpt.

FATHER MALACHI: Now, that can be enough for you to be upset—the words “mental quadrant”. Right? It is just best to move on.

You forgive others, you forgive yourself.

Whatever is the admonishment, you move on. She herself is told she has to work on her demonization by me, she takes the photograph and is grateful even though it is said despairingly. She moves on.

GEORGE FOX: **The mental quadrant is not your nemesis. See how I was tortured in England before I came to the United States. Practice the Presence of Christ and be the Friend of Christ and all these concerns will fade from you.**

MOTHER MARY: You have not had this instruction and teaching before. Go forward here.

GEORGE FOX: Take the photograph with objectivity and not consider the mental constructs so imperative that you get it right. You will be hurt less, not more.

It is the Presence of Christ that you would watch for whether it is the sense, the honor, the valor, the tenor. You keep to that as the Presence and it changes the environment in which you find yourself. Have no fellowship with darkness. If the people are there with objections, you would simply move away.

JESUS CHRIST: You can see from this, that you who are the leaders, put away “childish things” and that you would speak plainly of the 7th Commandment and of the truth that your demands signify.

MOTHER MARY: Naming names. You read the complaints as in 97 Thesis.

FATHER MALACHI: The fear in the Catholic Church is ex-communication and it is real. We do ask for the mercy of the Protestants to help here,, helping the Catholics.

GEORGE FOX: You have the God-given right not to have your children molested. You have the God-given right to do the Mother Mary rosary. These bishops and popes would not do the consecration of Russia to the Immaculate Heart of Mary for the 1917 Communist Revolution as given at Fatima Portugal to the 3 children.

POPE JOHN PAUL II: This is their history. They have not changed. The Third Secret was my “walking book” and the

bishops had yet to do the rosary or the consecration to the Immaculate Heart of Mary.

GEORGE FOX: You can read on how it is that you practice the Presence of God as part of your sermon work in the rallies.

FATHER MALACHI: This Light is a veritable force.
