

Reality Check

Spreadsheet Record of Karma

Typist: I am going to use the word “karma” instead of “backdirect” here as the older students are used to the karma word.

If I had *not* done this exercise, I do not believe I would have leaned the Mother Mary’s teaching that “the Christ consciousness around the soul is actually a stronger being than even the I AM Presence and Holy Christ Self” that can be corrupted by false hierarchies and cosmic beings.

MOTHER MARY: You learn of this Christ consciousness by working on it.

Typist: The spreadsheet (and Christ work) is not unique to me however. Andrea of Chicago did this, so did Nancy of Oregon.

NANCY of Oregon: It was at a time that we were studying Steven Covey’s *Seven Habits of Highly Effective People*.

ANDREA of Chicago: We knew another had balanced 100% of her karma in the 1970’s. And we wanted to do this for ourselves.

NANCY of Oregon: By ourselves. We were told that if we did, say, 1 year of decrees, it amounted to balancing 10 years of karma.

ANDREA of Chicago: However it is more for the multiplication effect. As you decree with others, that karma is balanced at a more rapid pace. We knew our multiplication factor from the token karma that we were given and we saw the karmic years pass us by.

NANCY of Oregon: What was of interest one year was replaced by something extraordinary different next year.

ANDREA of Chicago: Suddenly you were studying “healing” for example. Dispensing healing protocols as you had advanced in the level of your karma and Christ mission.

NANCY of Oregon: This is shown to you using the spreadsheet then. You are to seriously divide up your days, weeks and months. You update it every few days into the years. You sum up the numbers at the end of year and make adjustments to your decree schedule.

MOTHER MARY: It is an example of a person who on staff had let in the dorm rapists. He did not offer to give locks, when the women went to him in terror as he was a guard. It is the Stanford Experiments repeated and the Milgram experiments repeated, where he turned up the dial to 400 degrees saying he was doing a good job.

Typist: You will ask, if the Karmic Board keeps this information and you have rebelled already.

ANDREA of Chicago: How is it that you forget the lessons of Summit University, that you are to be striving and keeping a log of your Christhood in a book.

NANCY of Oregon: Called your Christhood book.

Typist: You will ask, is this the same karma as the one prior-cocaine dealer who was a guard. And it is not. The drug lords actually live out the mafia definition. “Mafia is the arrogant attack upon the government and the decent people of this nation.” They work actively to daily aggravate decent people.

MOTHER MARY: However almost all karma you will find is a failure on the 4:00 o'clock line, where there was obedience to Satan protocol on staff and not the Christ edicts of the Ten Commandments.

They break the Ten Commandments. They do not rebel at the injustice. So the clock lines are the 12:00, going to the 4:00, then to the 8:00, back to the 12:00 o'clock line.

Typist: The doctors in heaven looked at these various cases. And where there was Narcissistic Coypu, they said that these cases are complicated by these living out a façade of their being a good chela.

MOTHER MARY: And this is a serious breach to have *ennui*, to have *noblesse oblige* in the face of these women suffer having been terrorized by the various dorm rapists.

BURNJEH, Physician: What it takes is a serious look at your ennui. Why is it that you say, “I don’t care.”

NANCY of Oregon: For every time you the dorm rapist guard say “I don’t care,” just put in 2,000 years of going to hell or the compound. The going to the compound is automatically done.

MOTHER MARY: No. No amount of the violet flame you had given can balance this particular karma.

Typist: The Order of Melchizedek dispenses the violet flame.

OMRI-TAS, Ruler on the Violet Flame Planet: And you would not receive anything of this sort.

SAINT DIANE: You will have the same exact number of years, that does not move actually, for your attitudes in life. You set out never, never, ever see yourself as a criminal.

ANDREA of Chicago: *Especially* if you are in the Teachings. You cannot fathom being a criminal but your mindset is criminal.

GOD HELIOS: You are mafia. Your mind is always on deal-making. It is always on reasoning with, always on how you can be rebelling against authority.

ANDREA of Chicago: In this spreadsheet work, you need this a grasp of who you are. You cannot say you are a Catholic without a “paper trail”

NANCY of Oregon: The decrees we did on our own so there was not the multiplication factor of “having 2 or more in our midst”. However, you know the law yourself, so you make the call, that for every day that you do thee decrees that year, it has the same multiplication factor.

MOTHER MARY: *This is applying the law for the advanced students.* These are seeing where they are on the 6:00 o'clock line, moving through the most difficult quadrant of the Cosmic Clock, and righteously taking hold of their karma, to balance it., to be responsible for their karma.

Once you begin this, you can see that the compound experience is not at all a concern, as it simply means having more time to do decrees. The decrees are of the Light. It is surrounding you with Light and so how can the compound be an experience that is in any way hostile to you.

Typist: How long do you do this spreadsheet work? The decrees are one aspect. The donning of the mantle of the Mother of the Flame another aspect. The third aspect is service. And when you are called to serve in the transferring of the light of the altar, it does something that is incalculable as what happens is that the multiplication factor comes from elsewhere, from the sponsors and laws beyond. But at some point, someone will appear and tell you where you are on the Cosmic Clock, how much karma you have balanced.

MOTHER MARY: And the calculation and your numbers will be close.

Dorm Rapist Guard In Corrupt Church	Years in Compound	Years of karma. Must serve her personally.	Decrees Week 1	Decrees Week 2	Decrees Week 3	Etc.
Female #1: She came to me in fright about the dorm rapist. I did nothing to help her. Did not offer a broom to sweep him out, or a lock for the door. 5:00 o'clock line failure.	7,000	2,000	30 minutes Morning Decrees for 6 days	30 minutes Morning Decrees for 6 days	40 minutes Morning Decrees for 4 days	
Female #2, #3, #4, #5, #6, #7. 5:00 and 4:00 failure.	7,000 each	2,000 each				
Female #8: Her husband came to me. His wife was pregnant from dorm rapist. 5:00 and 11:00 failure.			36 Astreas for 6 days	36 Astreas for 6 days	36 Astreas for 4 days	
---Wife	10,000	2,000				
---Husband	2,000	700				
--Treating humans like animals.	12,000 each					

NANCY of Oregon: I had already been through 3 years of Summit University. I was not a beginner in either the Teachings or the decrees. What we calculated was that each day we were balancing 50 years of karma.

SAINT DIANE: Right, we knew the Word. We could calculate that much. We knew the power of the Word. The decrees. We could balance 50 years in one day, if not 10 years in a year. And so in 365 days, we thought it was 20,000 years balanced of karma. And we were told we have been here for millions of years by Lord Maitreya and so this is not a dream-stance. Rather, it can

only happen when you have a momentum on decrees and you are acting in the Word of Christ daily, being the hands and feet of Christ.

Typist: I used balancing “10 years of karma a year” and I was wrong as Alpha came to me after 7 years of the spreadsheet work to tell me where I was on the Cosmic Clock and their calculation using “50 years a day” is closer actually.

MOTHER MARY: This does require the being the hands and feet of Christ to serve the altar daily with momentum. It is a conscious work. It is Christ work. It is charting your Christhood and making progress and taking the measurements every year.

GOD HELIOS: For the dorm rapist guard, he will not be at the rapid pace of karma balancing as these. They did not rebel on the 4:00 o'clock line as described to you by Mother Mary, they had righteous indignation when it was a great injustice as with the dorm rapist.

OMRI-TAS, Ruler on the Violet Flame Planet: The karma then becomes a heavy weight that must be borne until there is a greater application of the law. And that requires an extraordinary service to the altar then.

GOD HELIOS: We have said that there were the SPP (Suern Persecution Priests) who returned from the land of Suern at this time who persecute people. And this persecution shows up in the decrees that you did.

OMRI-TAS, Ruler on the Violet Flame Planet: It requires an extraordinary effort to serve the altar as your *raison d'être* and not to persecute people! And to torture them.

Typist: There was a worship of power or the force of power that these guards fell under. They worshipped the priests of power.

OMRI-TAS, Ruler on the Violet Flame Planet: Try to comprehend this. That unless you master the Ten Commandments, when you die, you will be looking again to further your endeavors and to be finding power and the force of power. This is the reason why Maitreya went to the second death. Evil will appear to have the greater power, he knew this.

However as it was pointed out to him, Christ has the greater power, “Do you not do your math correctly? $2+2=4!$ ”

BURNJEH, Physician: See how it is that all this high fluent language of the Teachings, the clean-shaven look means nothing when underneath you “smell a hog.”

1st Addendum—

GOD HELIOS: I speak to the one now who is being highlighted as the spreadsheet example. You are not far from perdition. It has been many hours before Cosmic Council that you have been given the time to further decipher your condition, and your reaction to our Word is not good.

SAINT DIANE: We ask you to straightway to “stop playing games with us.” That you did confess before Martin Luther as he has a great backlog of confession material to offer, he did not find the sincerity that would offered out as hope to us.

BURNJEH, Physician: The Narcissistic Coypu is what you put out, trying to get Martin Luther to like you. Nobody likes a rat.

Typist: If you have Narcissistic Coypu where you put out the image, and other— *snide, snide*— “they will have to deal with the projected image”, that you do the 12-step program. You have to reach rock-bottom here.

MOTHER MARY: You say, “I am an alcoholic behavior.” You admit to your state as the alcoholics do. “*I will always be an alcoholic*” is what they teach at Alcoholics Anonymous.

Typist: How do you reach rock bottom? You fast. You do penances. You give yourself assignments to show some humility for the amount of pain you caused others, you would hear me say to you, “How would you like *your* skin ripped off!” by the dorm rapists.

GOD HELIOS: You created a lot of pain and anguish and suffering in others. You need to admit this. Own up to the amount of pain you caused others. You say, “They say it is unforgivable, so there is nothing more to do about it further” and you rest on the religion taught you at the Ranch, and it is a *wreck about to happen*.

Typist: You need to read *Hostage to the Devil* and see where you actually are demon possessed and recognize the underworld which is what this book is about.

FATHER MALACHI: You would read about Jamsie.

Typist: Having been infested with demons myself, having been manipulated by the false hierarchy myself, might I offer a word of encouragement. You have failures primarily on the 1:00-7:00 axis where you try to decipher life by your likes and dislikes.

What you would do is directly and succinctly to follow out of this in what is the opposite line's mastery of this malaise of the likes and dislikes. It is living every hour "for every adversity, is a seed of equivalent benefit."

This quote comes from Napoleon Hill.

What he did was to go to Andrew Carnegie to find a loan in the Depression years. And Carnegie, the steel-making magnate would not loan him any money. He said: I will show you how to gain riches instead.

Napoleon Hill had a son who was born without ears. And Hill worked to make a machine to relieve the suffering of others who also had deaf children, and he was able to bring in income from this. He wrote the book, *Think and Grow Rich* and what you would do, is to give up your religion that you learned and to learn another religion. You would do the exercises in the book, you will find power and success the way Andrew Carnegie taught Napoleon Hill. *You are stuck* if Helios is talking to you in this manner.

COMMENTARY: You have reached your ceiling as far as power.

SAINT DIANE: It may be a step above others as they do not have what she taught you that you so covet but it is a surety that it be your downfall here.

GOD HELIOS: Both Lanello and Elizabeth Prophet went to their second death! How about you?

MOTHER MARY: **Go ahead and read this simple little book and do not pride yourself any longer. Give up the Saladin/His-Queen consortium in what they taught you about psychic powers or being separate from others by being in Narcissistic Coypu as a life strategy, by being a stranger to others, by disappearing and non-accountable.**

Look at this new religion in this new way of life. Read it with sincerity.

2nd Addendum—

Typist: This criminal went further into Cosmic Council sessions. What we would report is that he could not be left in this criminal condition and the Elohim rebooted his system which

means that his negative records were removed. After a day goes by then where the Elohim do the removing of these manipulation of him, he has a renewed opportunity.

You will ask, is he not a criminal for what he did? The answer is this. Let us say that I have 100% of my faculties to speak to Mother Mary. And with him it was 7%.

ANDREA of Chicago: He would fade in and out of conversations as he only had this capacity to speak to Mother Mary at what was subsequently corrected by Helios as at 5%.

NANCY of Oregon: It is hardly possibly to say that this is a person who in the last addendum was one of his own mind, as the Cosmic Councils, considers how much free will does a person have for making such statements as “treat humans like an animal.”

Typist: The removal of the records went all the way back to his birth. What happened after the long “surgery” was that his casual body spoke about the facts to this case. We did not know what they were before this time.

ANDREA of Chicago: The women went to him about the dorm rapist and he represented each one of them as they had given their hopes in his doing so. He went to ECP. She said in these cases for example.

“I need this to go through.”

He would say, “Do you know who you are talking about? This is not one you cannot do this to!”

“I need to make her a sex addict. I am sending the crashers [or rapists] and I am sending the female crasher. She is to made a sex addict. You stay out of this.”

ELOHIM HERCULES: He would leave, what other choice did he have.

NANCY of Oregon: We have said that this is a low trick of the false hierarchy. That if you have a penis in your mouth, that to them, this is enough that someone reads this record to say: You are a slut and whore.

ANDREA of Chicago: And this is what they do, they rape the women and consider them now having the penis in the mouth and are “sex addicts” or sluts and whores.

Typist: To give you a perspective, see that ECP staged sex with a priest there at the school building every day for a month. And she invited a certain age group to sit in every afternoon to watch her naked and having sex as the man in a scientific voice would identify body parts and the sex movements.

ANDREA of Chicago: This guard knew about this. He furthermore knew about ECP force raping the daughter 50 times. He was aware of this level of evil. The one who was sent to the sex-science lessons became a pedophile, and sex addict.

Typist: This guard was then quickly to have him demon possessed with the power of an ascended master demon.

MOTHER MARY: That ascended master demon was Lanello. Put in him by Elizabeth Prophet saying this is part of what we need in your role as “watchman on the wall of the Lord” which is a foundational teaching as you normally think of protecting the walls of a fortress.

GOD HELIOS: This demon possession was 100%. He was not able to control his body.

MOTHER MARY: He was not able to control his movements. He in this demon possession went forward to rape 9 women who left the Teachings.

ELOHIM HERCULES: After 9, he had had enough. And when Lanello would say, “I would like to proselytize with [a woman he named], he sat in decrees and did not go. He waited for the dorms to be filled up.

MOTHER MARY: Lanello would be extremely angry as he has a temper. The guard would then go to Elizabeth and explain to her what had happened. She said tepidly and insincerely, “You leave him Lanello.” This went on for 4 times.

GOD HELIOS: And at that point, he called to Sanat Kumara who appeared and said, “Lanello, you have to stop. For these women have left the Teachings. They have come from long distances, and they are prevented from hearing the teachings.”

Typist: Please try to understand how this evil works! This is a set-up! This is extremely mafia! What has happened is that the guard is appreciative that finally someone spoke up for him and the truth.

GOD HELIOS: That is not what happened. The 2 Messengers knew that they could not go further with him, so they told Sanat Kumara to say this, and so his allegiance would be with him if not themselves. Sanat Kumara was in charge of the organization, he was the one who in extortion ordered Elizabeth to do proselytizing when the headquarters was in Colorado.

MOTHER MARY: It is insincere. It is merely a way to further the illusion that these are righteous ascended masters.

GOD HELIOS: It would not be until the coming of Alpha that this false hierarchy of Lanello stopped having this hold over people of the organization, along with the coming of Mother Mary.

MOTHER MARY: The guard was not free of the demon Lanello until Lanello went to the second death which is decades later. The guard was smoking cigarettes, and this was the full mockery of the demon Lanello. The torture of his best friend and his wife who develops cancer, again, the intention is a working of this Lanello demon that the guard was 100% demon possessed with.

Typist: I believe the children were Lanello demon possessed the guard said.

The guard subsequently asked in good faith, “How might I offer to help Mother Mary that I might balance this karma?”

I said to him, “Can you give up your sassy mouth! You irritate me, irritate everyone with your sassy mouth! How is it that you would say, “treat them like the animals.” This is sassy mouth.”

NANCY of Oregon: What ensued was a conversation unbelievable. What he said was that he was trained, and the guards were trained and be watched over by Elizabeth to be sure that they would have this replying methodology.

ANDREA of Chicago: She justified it by saying that this is how you get out of situations, both with the people who come to you with their “police report” and with the order, as a guard.

MOTHER MARY: It was quickly identified to him as Satanism by all.

Typist: It was more than Satanism. I said, this is voodoo, witchcraft. The question was upon me then as to what did I mean that his is witchcraft. It is difficult to explain, so I gave the example of how witches ride brooms.

ANDREA of Chicago: What the guards were all saying was, “I did not help you because this is the way things are here. We ride brooms. You will have to accept it. We ride brooms here.”

NANCY of Oregon: How can these women get out of this hexing?

MOTHER MARY: It is hexing, is it not? You need to open your eyes, that when you see other staff members ride brooms, wearing witches outfits and saying: this is Halloween, that this is evil!

GOD HELIOS: This has been a common failure. Witchcraft is evil. Many of the students went into witchcraft. They took on the tenets of witchcraft.

SAINT DIANE: Now go back and read the first addendum. This is witchcraft by the way. It is saying what the witches say, “I never make a mistake. If I am found in a mistake, I will argue arrogantly.”

GOD HELIOS: You see this theme in the first addendum. So what the Lord of the Sacred Fire said to the guard was, “Lanello has gone to the second death. Do not take on another demon.” This guard would have taken on another demon. He had only 5% ability to communicate, and it was directly with the false hierarchy always as they monitor his comings and goings. And a war did ensue over him that we had to stand aside as people have free will, and in his case, he had chosen the path of evil is what we thought.

SAINT DIANE: Someone interceded however.

GOD HELIOS: She gave her analysis of this situation from her own experience with false hierarchies. What she said was that, I am going to make the call for your second death unless you give up your sassy mouth. What Lord Maitreya teaches is not something you can reverse out.

MOTHER MARY: “You go over the bridge of evil, you cannot come back. This is not my experience,” she says.

GOD HELIOS: She says: You take up the thinking of Maitreya. You think of the opposite and think long enough and find that the opposite is the truth. This is the training of the devil’s advocate. It is the training that once you adopt, you cannot cross over the bridge again of the River of Hades. He would be going to the final death in months for this way of thinking and for the 5% communication skill he had from the two Messengers.

ELOHIM HERCULES: That was where this ended. We had him to assent to doing tarot cards instead of the “watchman on the wall of the Lord” business. He is no longer to do this. He is to start again. He is to go through the front door, not the back door of the false hierarchy with the 5%.

The 7:00-1:00 axis is where he must master.

NANCY of Oregon: Of this axis, you must be willing to have every day as a loss in missed rides and appointments, and also, huge losses in health, money, friends, everything.

GOD SHIVA: And you have to be grateful while you are mastering this line. Instead of being as the witches that say “I am never wrong. I never make mistakes,” you are developing humility.

MOTHER MARY: You cannot do back-talk, you must move forward in pain, *processing pain*, expressing gratitude! The processing of pain is of the second advent teachings. It is a must that you master this.

ELOHIM HERCULES: When you have developed the God gratitude, the gifts of the Holy Spirit are a part of this natural process in not being at 5% but at 100%. He is to don the mantle of the Mother of the Flame and do the decrees 5 hours a day for awhile while he goes through this healing process.

BURNJEH, Physician: The tarot cards is a language. We will speak to him in that language for now. The language of speaking to anyone who says, “I am an ascended master” is out. The worship of the ascended masters speaking to you, is out. Some of you need to develop in homeopathy that we might speak to you in the language of the medicines.

ELOHIM HERCULES: For now, he will hear as speaking a foreign tongue and not to listen to the false hierarchy which he was trained since birth to be working for. He is not only to do decrees. He in addition must read all the Pearls of Wisdom by Mother Mary. The Pearls of Jesus can also be trusted.

BURNJEH, Physician: There have been devils advocates in the Saladin Church trained in the Catholic Church. This is not him, he does not have a long history of this “crossing over the bridge of Hades”. This was not something he would not easily eradicate.

MOTHER MARY: You are asking, “So is he a criminal?” The answer is that you must learn what is a sassy mouth. You must tell what are strange statements of witches. When someone comes up with rationalizations for crimes of likes-and-dislikes and not as absolute evil. You

must denounce Absolute Evil yourself. You are to walk out of the room once you identify it for him should that happen.

You are to learn and recognize the others signs of evil, it is not enough to call someone a criminal but to learn— stalking, hexing, making you inferior while they are superior, attacking government or family authority, aggravating decent people, lying.

BURNJEH, Physician: Another guard had asked, “Doesn’t he have a conscience? How could he kill her— my wife?”

GOD SHIVA: The guard said, “I did not.”

He did not kill the wife. *El Morya told him to give the gun over to the woman to kill her.*

You yourself know that this was the training at Camelot and the Ranch— strict obedience to the word of El Morya! Strict obedience to the word of Elizabeth, that one who went to head the ICBM group, strict obedience to the priest class, the order.

What you are seeing is layer upon layer of the false hierarchy working upon the guard that is called “listening to the ascended masters” or “following the ascended masters”. It is you who must develop “I will follow the Ten Commandments. I will not break any of the Ten Commandments. I do not follow ascended masters.”
