

Reality Check

J. Paul Getty Museum

Who is on the Karmic Board

These ideas on farming for the US Constitution and more came from the magnate from General Mills who when in embodiment had gone to Washington DC to protest the unfair treatment of the farmers in prices. She said that she showed the politicians clearly the farmers would destroy buildings and burn crops and destroy land if they did not answer to help the farmers.

She now serves in some capacity on the Karmic Board.

The other members include Valor White. He was the SEC chief who worked while in embodiment in how the money of the 38,000 killed in Silicon Valley would have their stocks and bonds returned to the families.

Flanking him is J. Paul Getty whom you know worked to build up the strong middle class.

Another member is the 11-star general along with the study group leader both out of Baton Rouge.

There are a few others, either as deputies or serving in some capacity on the Karmic Board.

Note to The Summit Lighthouse students.

Being in the Second Advent teachings and the sacrifice thereof, saying I went through 3 levels of SU or I served on staff for 30 years, does not actually qualify one to be on the Karmic Board now. You can see how these members are not the usual Lord Maitreya picks— those in the Teachings but helped the tens of thousands and left a large legacy of how they helped the United States.

MOTHER MARY: Lord Maitreya picked the members of the Karmic Board. He was the Lord in the Garden of Eden, this is a powerful position. Lord Maitreya has gone to the second death. He was the “madman” so named by Nostredame who destroyed the dispensation through the Karmic Board for Jesus Christ that he could not come into embodiment as the firstborn which is in the rabbi position that Jesus Christ needed to win acceptance.

Typist: The position as Cosmic Christ and Planetary Buddha will not be filled. That just because you know of the Karmic Board whereas the rest of the world does not, does not connote that you know justice better in the calls you make. Just in this week, several people went to the compound for the abuse of power of the Second Advent Teachings in making calls.

One this week was ministered to, telling her, you now walk the path of Milarepa-Marpa yet she did not even have a chance, as she was killed.

In this week, the judgment is swift for the false hierarchy of Lanello as many went to their final death even without trial this past week.

FATHER MALACHI: Just through a hearing of the dictations and being on staff does not connote attainment, the tools are powerful of the Word. The judgment was swift in these conditions.

EMPEROR LeAMTHE: Even though Serapis Bey explained to these 2 that the requirements for the ascension had been changed. requiring a clean passing of the 8:00 o'clock line, the 2 would not believe until he said that this came from Alpha.

MOTHER MARY: That one who went over whom was given the Teachings of Milarepa-Marpa went to John the Beloved's Retreat instead.

Typist: Winston appeared, saying "I am a Catholic. How is that you do not respect Mother Mary, the Mother of God!"

JESUS CHRIST: When you leave the Teachings, go and find the Catholic Mother Mary, and develop this love and reverence of the Catholics for Mother Mary.

EMPEROR LeAMTHE: They were treating her as just another "Ascended Master."

JESUS CHRIST: Perhaps where I failed is not having an emphasis on the Commandments of Judaic, to s Moshe taught "keep the commandments" as I was myself taught this as Jesus. Mother Mary and I. And with the return of Moshe, it has becomes clearer of this demarcation, especially of the honoring of the Sabbath.

Typist: The words you would watch. If you hear yourself say, "I don't like that bitch," this is the 1:00-7:00 axis. If you see a knot in your stomach and say "This is a great injustice to me, you bitch," this is the failure of the 8:00-2:00 axis. If you hear yourself say, "I only half believe you, I will choose what I want

to believe about rules," this is both the 6:00-12:00 and the 1:00-7:00 axis.

EMPEROR LeAMTHE: I ask the Summit Lighthouse students to realize you are not the chosen people to make the calls over injustice when you yourself have failures on the 6:00, 7:00 and 8:00 o'clock line as this was the result of several who not understanding these lines did use the judgment call and found themselves in the 27th and 24th level of hell for their abuse of power.

FATHER STRONG: If not the final death.
