Taught By  
Archangels, Elohim and others of Hierarchy  
of Page 2f of *A Bible Story*

Sanat Kumara came to earth with 144,000 volunteers to keep the flame that it not go out in its very dark hour. Some came from Venus, some elsewhere and took incarnation among those on earth and have not returned to where they came from. Those still here on earth, having had many lifetimes on earth, do not remember their original identity as temporary volunteers to sojourn on the earth, and to be returning to their native home as souls. The lifewaves on earth have corrupted their thinking that they will deny the presence of the lineage of Sanat Kumara.

The lineage is one in which the flame is replicated of the Lord Sanat Kumara who came to earth to keep the flame that it not go out. As Sanat Kumara was the hierarch who came from Venus to keep the flame, the authority of the earth lies with Sanat Kumara. His dispensation to the earth is that he would be given power over it as it was through his sacrifice to be exiled on earth that the earth was spared of being destroyed.

The lineage does not apply to all religions of the world.

The lineage works through the religions of Jesus Christ and of Padma Sambhava only at this time. The Great White Brotherhood does not work through the other religions with dispensations for continual inner growth and receive the Holy Spirit of the Elohim and Archangels and the four faces of Christ, of Sanat Kumara and the antahkarana of Elohim, Archangels and Ascended Masters.

Though one hears of a war in heaven and angels be cast into the earth, hears that there are the vials of the seven plagues poured upon earth, it is through the lineage of Christ teachings that one finds the teachings to eternal life. War and killing in the name of God is not a means for this lineage. Those who live by the sword die by the sword

### The Lineal Descent of Hierarchy

One remembers their heritage at hearing of the name of Sanat Kumara. They act in righteousness to come into alignment with their purpose for their being on earth.

They are "saved." The salvation of Christ begins the path of the Ruby Cross. Through the lineage, one finds the Christ teachings.

**They become as a Bride of Christ to be wedded to the Christ consciousness forevermore. They learn of this walk with Christ, hearing scripture, behaving in a loving manner. Doing the works of Christ for them is a way of life.**

**Have you heard the bridal call?**

**Do you walk a path of Christ?**

**Have you read your scripture of the words of Christ to guide you today?**
