of Page 2g of *A Bible Story*

Earth is subject to the rule and judgment of Sanat Kumara unto their becoming once again Sons of God. The Book of *Revelation* reads: "In the midst of his throne, and round about the throne, are four beasts full of eyes before and behind. And the first beast is like a lion, and the second beast like a calf, and the third beast had a face as a man, and the fourth beast was like a flying eagle."

The four faces of Christ are—

Lord Maitreya, the lion
Jesus Christ, the man
Gautama Buddha, the calf and
Sanat Kumara, the eagle.

What the four faces of Christ bring is the Path of the Rose Cross and the initiations of the Four Cosmic Forces in the way of the surrender of the image of the self that the Self may be All-in-all.

The path is called the Path of the Ruby Ray.

It is pure Love, fiery Love, unadulterated, unselfish Love, perpetually burning all unlike itself as a flame on the altar whether of a man's heart or church altar.

The four beasts, full of the eyes of Elohim says day and night, "Holy, holy, holy, Lord God Almighty, which was, and is, and is to come." These intone the sound of the soundless sound, sustain the vibration of a ruby cube in the white-fire core of a cosmos. The Four Cosmic Forces sustain the vision of the Lord God Almighty as universal awareness of the Creator within the creation. The Four Cosmic Forces are perpetually stepping down the light of Solar Logoi, cosmic messengers of Alpha and Omega. They position the light. The energy of the Word is intelligible to electrons small and great in man and beast, vegetable and mineral.

The Four Cosmic Forces initiate in the Order of the Ruby Cross. And the first beast is like a lion. He is the ruler to begin a procession in Spirit to Matter, it is the force of the fiery baptism. As the Lion of to be saying: I and my Son are one.

The Four Faces of Christ

Your tests and initiations are through the four faces of Christ.

The "lion" is the open door of the fiery baptism for the restoration to wholeness through repentance and remission of sins.

The "man" is the open door of the Son of God. Jesus would pray to Sanat Kumara as he is the holder of the office of the Person of the Father. This "father" term is synonymous with the Person of God and the Great Guru. "Sanat Kumara," the Lamb, is who gives the promise of the initiation of the indwelling Trinity of power wisdom love or faith hope charity.

The four faces of Christ acknowledge the commission of the Lamb, thus any can transfer to you in the order of the lineal descent of hierarchy. The four faces of Christ—Maitreya, Gautama, Jesus and Sanat Kumara—is how you can find a transfer of the Threefold Flame—to keep it on earth, to keep on the altar of your heart blazing with light and love and wisdom.
