At the fall of man on Lemuria, the Luciferian angels are cast into the earth. "And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, and prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent called the Devil and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

When man was cast into the earth, he lost his protection. The level to which his consciousness descends becomes a resonance for any interplanetary consciousness at the same level. The protective sheaths which seal the planet from interplanetary invasion vanish and the earth is susceptible to laggard souls to take residence here. A laggard can be one who has failed to fulfill his divine plan in his home afar from earth, he can be one on earth following a laggard consciousness of a hardness of heart, of a black and white, and all-or-nothing type thinking. These will take up war and weapons and continue without abatement until all is won or all is lost.

Maldek was a planet between Mars and Jupiter that was destroyed with now only asteroids. Two-thirds of the evolutions of Maldek went through the second death. The remaining third of souls are allowed to embody on earth to work on their karma.

The Lords of Karma gives the laggards, together with the Luciferians who had also known a higher way, and those who departed from the holiness of the walk with Christ, opportunity by evolving on earth.

The majority of laggards are highly evolved materially and scientifically. Yet despite the mercy of heaven to have them evolve on earth, the most advanced laggards and fallen angels who have known of the mastery of self and environment from experience, do not use their talents and free will to move forward in the Light.

Jesus prophecies of the end times. The Karmic Board allows the intrusion of the Twelfth Planet on earth. They form grids and forcefields over its people and nations. The original fervor of America as a land of freedom of all nations founded by the early American patriots is subverted.

## **Fallen Angels and the Invasion of Foreign Lifewaves**

**Archangel Gabriel says of the betrayal of the people of the world, "*O beloved ones, it is an hour to be on your knees to set all other activities aside except those which are essential in your life.*"**

**Blessed ones, it is essential to pray daily by the hour for Almighty God to intercede. You may call, therefore, for the Lord's Judgment upon the entire conspiracy—of those who have aided and abetted one another's cause and plotted together at inner levels truly the destruction of nations and people as they exist today.**

**For if the voice be not spoken in this hour, then I tell you it will be the ultimate betrayal of life on earth—Mother Mary who came in 1917 whose message is denied, and my message is not told, is as had not been spoken!"**

**Gabriel is one of the Archangels in the pouring of the seven vials into the earth in the end times. Revelations read: The four beasts saying to the seven angels: Go your ways, and pour out the vials of the wrath of God upon the earth.**

**Archangel Gabriel says, "You must be found in your prayers in defense of the Cosmic Spirit of Freedom, for there must be those of Light of Aquarius who do not go down. Let your voices be heard!**

**Therefore, I say you are destined to survive cataclysm and war on this planet, but you must awake to the divine calling of Saint Germain and make haste! Therefore, I seal you in the cosmic cross of white fire. I seal you in the Immaculate Heart of Mary. I AM Gabriel, Archangel of the Lord.**
