

Teachings of Moshe on Tradition

Q: In the last posting, there was not an explanation as to “what if you do not sense there is a flame on the altar?”

Nancy of Oregon: You see this image of Deputy Amos & Andy. There is fire in each of their eyes. They are deputies who have not taken their ascensions, it is the fire of the heaven worlds seen in their eyes of a love for you that they went into Hollywood to show you the way of freedom's flame.

ANDREA of Chicago: Now hear this recording of the “Six Mighty Cosmic Light Calls” that is calling forth fire.

GIZEL: Should you doubt that you have fire on your altar. You would go to the altar and give these calls 9 times total. You should at that point feel the fire on your altar.

We had decrees such as this one decree calling forth the cosmic fire. This altar over many decades we refer to as Camelot.

JESUS CHRIST: In this recording, it is the same fire you hear that was called forth daily actually. However this is only one voice. At conferences, there we had hundreds and thousands of people calling forth this fire similarly.

GIZEL: The flame on our altar was stupendous. There was a fire on the altar that held the balance.

MOTHER MARY: It accumulates. The fire. Thus we spoke already of the “trouble brewing” is the service of the altar, and this is the fire that is upheld in the liturgy to go forth in unison rituals with archangels and cosmic beings to bring about fire into the earthly conditions.

JESUS CHRIST: It might be in a tent. It was this fire of the calls and the fire in the eyes in dealing with “trouble brewing” that this fire was on the altar— even though the altar for the conference was under a tent.

MOSHE: How long does that fire stay? It is up to you to keep it a holy place, and the fire will stay there.
