

## Moses: Pentecost

9-14-17

**MOTHER MARY:** The decrees posted will be over 50. They will be posted as we have them ready, not in any order.

**MOTHER MARY:** The rosary that is to be used is an updated one that changes the meaning of the old rosary that you are always a sinner in the old rosary.

The "sons and daughters" of God is an old Jewish tradition that you prayed as a son or daughter of a family's name as to who you are. Here, you are then saying the plural of sons and daughters is to imagine a community and not only yourself although you are the one giving the rosary.

**Typist:** The rosary puts a garland of Light around you. When I am in a great fear walking on the streets, I say the old rosary instead of the new rosary as it now has thousands of years of momentum behind it, the Light is instant.

The garland of Light is important to invoke. It does not mean that Mother Mary or any Archangel is around you. It merely serves as a radio signal that if you are in danger, that help will arrive. A sort of a senior alert button you push if you fall down.

Also, the prayer is also referred to as a "call". Archangel Michael once told me that if you see a car accident, you do not need to make a call upon it if all the parties are handling it. It requires the call when you

see a hit and run and the police need help from the Archangels finding the culprit.

**MOSES:** Masquerades must never be used.

**MOTHER MARY:** The Jews at the Purim holiday wear masquerades while encouraging drunkenness. In the Stanford experiments on evil, the banality of evil prove that masks are used to do evil. Furthermore in the Iraq prison tortures, the guards wore Halloween and ski masks to do evil under drugs or intoxication.

What Moses is saying is that his culture in the US is called the Judaeo religion and that you understand that the one in Jerusalem of Jews is not his culture where they practice the holiday of the formation of the illegal state of Israel. Furthermore that for such customs as Purim that he does not recognize this as Judaeo. If they want to call themselves Judaism, it is not the same culture and religion.

**MOSES:** For their rejection of Jesus Christ, they are not a part of Judaeo. Thus in your understanding of what was named as the book of Seven Seals in Revelation, it is referring to Deuteronomy. And the book of *Revelation* of Jesus Christ would be read also at Pentecost. Judaeo and Christianity is of the same lineage!
